Reiki A Gift Of Love:

Reiki a Gift of Love Brian Daxter, Carole A. Daxter, 1996 *Dancing with Death Thru Senility Into Eternality* Toni Delgado, 2002-09-10 We have wondered so far from our Beginning that few of us have memory of who we are or why we are here We have become so disconnected from our Source ourselves each other and this very precious planet that houses and sustains us We have in essence lost touch with our very nature Until we arrive at that place of enoughness until we have championed the conditioning of the programs we volunteered to heal until we have received enough Cosmic Dispensations from the Company of Heaven to speed our evolutionary and ascensionary process until Light Workers have done enough selfless service to raise this sweet Earth out of the quagmire of human miscreations we have work to do I can think of no finer selfless service no finer Karma Yoga than doing the work to return to the natural state that God Goddess intended for us That natural state is the state of Life Everlasting Life Eternal Physical Immortality It is an awesome journey reclaiming this gift and getting there is packed with challenge It is a journey worth doing We must do it at the very least some of us must do it so that it can become commonplace once again so that others can remember *Guided by Love* Tiffany A. Engle, 2022-07-29 Guided by Love Channeled Messages from Archangel Gabriel By Tiffany A Engle Author Tiffany A Engle is listening so she heard Archangel Gabriel pose this question one of many that he has asked her during their conversations over the years Engle is a clairaudient a way in which our Spirit Guides Angels and departed loved ones communicate with us This book is about the author's spiritual journey with the help of Archangel Gabriel and it is intended to make people aware of their own spiritual awakenings as well In their enlightening conversations Archangel Gabriel's sense of humor shines through as he illuminates the spiritual learning that can come from everyday life **A Life of Love** Eileen Love, 2012-10 A love of the beauty and restorative power of nature was always a faithful constant in an occasionally turbulent life Through poetry and prose Ms Love now shares her reflections and expresses her gratitude for where life has brought her Along the route here she found that love of nature later kept company by a love of meditation and of Reiki as well Let this insightful sometimes autobiographical book slip into your heart and bring a smile to your face *The Love Inspiration Ascension Pathway* Love Inspiration , The Love Inspiration Ascension Pathway helps to accelerate the transition from an old ego ic based consciousness into a new unified or love based consciousness As you progress through this ebook you will guided towards receiving many energetic upgrades uplifts and ascension based attunements that will help to bring about a deepened sense of love light purity in your life May you enjoy these free ascension based healing energies and may they help to bring much love light happiness into your life **Reiki: Universal Gift of God's Healing Love Level I and II Training Manual** Eileen Curteis, 2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen

has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God s universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed Love is the Thread Leslie Moise, Ph.D.,2011-12-01 Sustained by the metaphor of knitting the memoir Love is the Thread traces the way one spiritual friendship can change all our relationships with strangers and friends from friends to family and beyond Love is the Thread centers on the friendship between two women one snared in a life long struggle with bipolar disorder the other reweaving her life after an abusive relationship Spirituality encounters with nature and vacations on the Delaware shore form the threads of a friendship as varied and closely knit as the stitches in a handmade sweater From the discovery of hidden colors in fresh snow to the satisfaction of teaching a young nephew to knit Love is the Thread savors life s small glories ultimate challenges and all the moments of humor and tenderness in between **The Revolution of Marie** Noel A.
