classification and representation of the clifford algebras an - Mar 21 2022

web abstract in this chapter the classification and representation of clifford algebras are introduced and discussed some important theorems regarding the structure of clifford algebras are presented later on these are used for the classification and construction of the representations of the clifford algebras as well

clifford algebras and spinors cambridge university press - Jul 05 2023

web a new classification of spinors is introduced based on bilinear covariants of physical observables this reveals a new class of spinors residing between the weyl majorana and dirac spinors scalar products of spinors are classified by involutory anti automorphisms of clifford algebras this leads to the chessboard of automorphism groups of
