Relationship Marketing Bringing Quality Customer Service And Marketing Together:

Relationship Marketing Martin Christopher, Adrian Payne, David Ballantyne, 1991-01-01 The strategic emphasis in Relationship Marketing is as much on keeping customers as it is on getting them in the first place The aim is to provide unique value in chosen markets sustainable over time which brings the customers back for more Relationship Marketing emphasizes quality customer service and marketing and how these can be managed towards closing the quality gap between what customers expect and what they get The authors explore the process of developing and implementing relationship strategies and in so doing signal a radical shift in marketing practice involving first the co ordination of external customer markets and second collaboration within internal staff markets in order to get the marketing mix right The book is intended for all marketing managers coming to terms with doing business in turbulent markets and facing up to strategic quality and customer services issues Well presented comprehensive text Full of practical ideas techniques and examples Emphasis is as much on keeping customers as it is on getting them in the first place

Relationship Marketing Thorsten Hennig-Thurau, Ursula Hansen, 2013-06-29 The concept of marketing and managing relationships with customers and other interest groups is at the core of marketing today In the academic world the topic is covered in special issues released by numerous journals e g Journal of the Academy of Marketing Science Journal of Strategic Marketing Psychology Marketing and conferences and conference sessions regularly discuss the advantages of the approach But relationship marketing is not limited to theory On the contrary no service firm or business to business company can now do without some form of long term orientation and all have implemented at least some elements of the relationship marketing concept Even in the consumer goods sector there are a growing number of cases where the traditional orientation towards brand equity is being complemented by a relational focus As Berry has mentioned relationship marketing is a new old concept Several important aspects of relationship marketing were already being discussed in the marketing literature This applies both to central constructs such as customer satisfaction and to single elements such as the management of complaints and after sales services Although they do not involve explicit mention of the term relationship VI Preface marketing a long term orientation can be found in the network approach of industrial marketing closely related to the work of the IMP Group in the work of Gronroos Gummesson and their colleagues at the Nordic School of Services Marketing and last but not least in the concept of customer focused marketing

Handbook of Relationship Marketing Jagdish N Sheth, Atul Parvatiyar, 2000 As businesses increasingly stress the importance of cooperation and collaboration with suppliers and customers relationship marketing is emerging as the core of all marketing activity In recent years there has been an explosive growth in business and academic interest in relationship marketing yet no comprehensive book has been available to present key concepts theories and applications The editors of this volume have assembled an authoritative and global cast of chapter contributors and crafted a volume that will become the seminal founding work in this growing field Their approach is eclectic including a

broad coverage of topics diverse theoretical and conceptual paradigms and global viewpoints Relationship Marketing
