Immigration, and Human Rights Mary Nyangweso, Jacob K. Sean McDowell, 2009-03-01 Many teenagers leave home for college but don't take their faith with them Popular writer and speaker Sean McDowell offers a solution for this problem a new way of approaching faith that addresses the questions the emerging generation is asking and that incorporates a radically humble and relational approach An impressive list of contributors including Dan Kimball They Like Jesus but Not the Church Brian Godawa Hollywood Worldviews and Josh McDowell show that today's apologetics must employ a clear connection with everyday life an invitation for people to express their doubts and wrestle with tough questions a culturally savvy understanding of the way secular people view Christians an engaging methodology that captures the imagination before engaging the mind a strong emphasis on the resurrection and how it changes everything This resource is imperative for leaders who are ready to engage a new generation with the claims of Christ *I Don't Have Enough Faith to be an Atheist* Norman L. everyday life and even natural science Hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that God exists But He doesn't merely exist He is someone and He has a personality a personal style that is discernible and knowable Hahn leads readers to see that God created the universe with a purpose and a form a form that can be found in the Book of Genesis and that is there when we view the natural world through a microscope through a telescope or through our contact lenses At the heart of the book is Hahn's examination of the ten keys to the kingdom the characteristics of the Church clearly evident in the Scriptures As the story of creation discloses the world is a house that has a Father a palace where the king is really present God created the cosmos to be a kingdom and that kingdom is the universal Church fully revealed by Jesus Christ S Lewis vs the New Atheists Peter S Williams,2013-02-01 The book will counter the new atheist movement using the arguments of C S Lewis thereby appealing to readers interested in both loci and showing that there is nothing especially new about the new atheism How might C S Lewis the greatest Christian apologist of the twentieth century respond to the twenty first century new atheism of Richard Dawkins Christopher Hitchens and company Might Lewis own journey from atheism to Christian belief illuminate and undercut the objections of the new atheists Christian philosopher Peter S Williams takes us on an intellectual journey through Lewis conversion in conversation with today's anti theists This book shows the breadth depth and durability of Lewis's Christian apologetics Michael Ward chaplain at St Peter's College Oxford **Female Genital Cutting in Industrialized Countries** Mary Nyangweso,2014-10-20 This book comprehensively examines the practice of female genital mutilation and proposes new intervention programs and community based initiatives that protect the rights of children and women who live with the serious risks and long term consequences of the practice Why is FGM on the increase in industrialized countries in spite of existing policies against the practice How is political correctness contributing to this increase And how does religion contribute implicitly or explicitly to the persistence of FGM This work is authored by a Kenyan immigrant to the United States who recognizes the necessity of better protection of women's rights regarding FGM in first world nations and the need for these countries to recognize this issue as a serious challenge to values and health services The book provides complete information about the practice of female genital cutting explaining its origin identifying the countries where this practice is common and documenting the rise of FGM in industrialized nations The second half of the book examines existing intervention programs with the goal of improving the situation by way of transforming policies addressing the legal aspects of the issue and improving health care services A powerful resource for college and university level students in the humanities social science and medical fields this book will also serve general readers with interest in examining challenges women grapple with internationally Welcome to College Jonathan Morrow,2008 To help the upcoming student Jonathan Morrow provides this engaging guide packed with advice on all manner of issues from dating and friends classes and homework to avoiding the temptation to just check out spiritually while in school Morrow gives personal advice and

A Tale of Three Cities D. K. Matthews, 2024-08-20 A central question for Judeo Christian faithful is Are we living in the age of antichristism or kingdom influence Can we salt and light entire cities and civilizations as Martin Luther King Jr hoped or with D L Moody should we simply save as many as we can from our rapidly sinking planet Over the years Christians have wrestled with the question and reached different conclusions Augustine's and Oliver O Donovan's answer to the question birthed *The City of God* and *The Desire of Nations* Miguez Bonino's and Grace Ji Sun Kim's Marxist influenced liberationist answers produced *Toward a Christian Political Ethics* and the post truth Intersectional Theology Former socialist Michael Novak's plea was to revive *The True Spirit of Democratic Capitalism* Jonathan Cahn and Frank Peretti by contrast predicted that we have entered the age of This Present Darkness amidst *The Return of the Gods* Peretti's and Cahn's wildly popular future visions built upon Hal Lindsey's dated assurance and false prediction that true believers would be raptured in the last decade of The Terminal Generation 1980s Douglas Matthews offers a new route through the maze and discerningly answers this perennial question by boldly offering a Third City future vision option for effective kingdom influence amidst accelerating global antichristism

The Message Behind the Movie—The Reboot Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film's message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life
