

The background of the title page is a rich, detailed illustration in a style reminiscent of 17th-century Dutch Golden Age painting. It depicts a bustling city scene viewed from an elevated perspective. A wide river flows through the center, with a large, ornate stone bridge crossing it. Several boats are on the water: a small rowing boat with figures, a larger sailing ship with multiple masts and sails, and a small boat with a white swan. The city is filled with numerous buildings, including churches with domes and spires, and residential houses. The color palette is dominated by warm tones like ochre, brown, and red, with cooler blues and greens for the water and sky. The overall composition is dense and intricate, suggesting a long and complex history.
