Religion And Aging An Anthology Of The Poppele Papers:

Religion and Aging Derrel R. Watkins, 2001 These essays and research studies investigate the role of faith in older people's lives Ranging from discussions of the consolation of the Psalms to research into belief patterns of older Americans Religion and Aging An Anthology of the Poppele Papers offers ideas and attitudes to help pastors rabbis and other clergy minister more effectively to the older members of their flock Originally published in the Quarterly Papers on Religion and Aging many of these classic studies have been updated with new information **Religion and Aging** Derrell R. Watkins, 2012-12-06

Find solace and wise counsel in these classics of spiritual gerontology In these days when so many people live beyond the Biblical threescore and ten the spiritual questing and questioning of the aged demands a meaningful response from clergy family members and nursing home staff The essays and research studies reprinted in Religion and Aging An Anthology of the Poppele Papers investigate the role of faith in older people's lives Many of these classic studies have been updated with new information These essays were originally published in the Quarterly Papers on Religion and Aging This renowned journal was issued from 1984 to 1994 by the Poppele Center for Health and Welfare Studies at the Saint Paul School of Theology in Kansas City Missouri The issues of spiritual gerontology discussed in that journal are still powerfully relevant today Because back issues of the journal are not widely available the cream of its ten year history is being reissued in permanent form Religion and Aging offers unfailing wisdom and insight in a broad range of issues including training clergy to be more responsive to the needs of older people a historical perspective on the meaning of honoring thy father and mother in first century Judaism and Christianity the Psalms as a way to help nursing home residents deal with pain loneliness anger and other difficult emotions original research into belief patterns of older Americans ways to give meaning to suffering suggested by the lives and works of Viktor Frankl Martin Gray and Rabbi Harold Kushner techniques of communicating with older people Religion and Aging is an invaluable resource to anyone who works with old people whether in adult day care programs nursing homes hospitals or other senior citizens groups It will help chaplains pastors rabbis and other clergy minister more effectively to the older members of their flock **Practical Theology for Aging** Derrell R.

Watkins, 2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God's great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society's stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the

practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God s purpose for aging why do we have to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer s disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community

Aging, Spirituality, and Pastoral Care James W Ellor, 2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re examines issues of aging with dignity and spiritual meaning Aging Spirituality and Pastoral Care A Multi National Perspective brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged Aging Spirituality and Pastoral Care addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving

New Directions in the Study of Late Life Religiousness and Spirituality Susan H. Mcfadden, Mark Brennan, 2014-05-01 Examine the questions of how what and why associated with religiousness and spirituality in the lives of older adults New Directions in the Study of Late Life Religiousness and Spirituality explores new ways of thinking about a topic that was once taboo but that has now attracted considerable attention from the gerontological community It examines various approaches to methodology and definition that are used in the study of religion spirituality and aging In addition it explores the ways that gerontological research can highlight the role of religion and spirituality in the lives of older adults The first section will introduce you to new ways of thinking about research methodology and data analysis that can be applied to studying the complexity of older adults religious spiritual practice and beliefs You ll learn several approaches to the study of phenomena that are both personal and also deeply embedded in community The second section addresses issues of definition exploring important questions that call for critical reflection such as What are we studying What social and psychological influences shape our thinking about definition and Do the definitions used by gerontologists match those held by older people The final section moves the study of religion spirituality and aging beyond a focus on health and mortality to examine well being more broadly in the context of the life experiences of older adults Here is a small sample of what you ll learn about in New Directions in the Study of Late

Life Religiousness and Spirituality structural equation modeling a statistical method designed to capture the dynamics inherent in the passage of time feminist qualitative methods for studying spiritual resiliency in older women spirituality as a public health issue the differences between groups of older people in the way they define religion and spirituality the psychosocial implications of two types of religious orientation dwelling and seeking older women's responses to the experience of widowhood and to the question of whether their religious beliefs were affected by the experience how social context influences our decisions and our interpretations of people's religious beliefs behaviors and experiences the ways that people caring for a spouse with dementia rely on religious coping a model that delineates three different ways people relate to God in coping and a study that asks whether these types of coping produce different outcomes for caregivers how people adjust to bereavement as a function of their beliefs about an afterlife

Mental Health and Spirituality in Later Life

Elizabeth MacKinlay, 2014-01-02 Explore pastoral strategies for dealing with mental health problems Mental health is increasingly being recognized as an important issue in later life This valuable book will help you examine this dimension of aging in the context of pastoral spiritual and cultural issues It explores the relationship between mental health spirituality and religion in later life including the search for meaning cultural issues spiritual issues depression dementia and issues of suicide in older people The first part of Mental Health and Spirituality in Later Life focuses on theology ethics and cultural issues in mental health and aging The second part addresses issues of multidisciplinary practice including a challenging chapter written by a woman with early onset dementia Alzheimer's and other chapters that present perspectives on the uses and meanings of ritual and symbolism in mental health and pastoral approaches to care Part one of Mental Health and Spirituality in Later Life deals with issues of theology culture and mental health in later life focusing on the importance of a richly textured understanding of personhood as a prerequisite for constructing a picture of late life mental health in the context of theology the relationship between culture spirituality and meaning for older immigrants and their effects on mental health the adverse effects of a mental health system that reflects only the dominant culture of a society leaving minority cultures vulnerable to misdiagnosis and inappropriate treatments that can do more harm than good a wholistic picture of aging that moves beyond the biomedical paradigm and demonstrates the power and potential of the human spirit in adjusting to and moving beyond suffering Part two of this valuable book addresses issues of concern to practitioners in mental health and spirituality for the aging including disruptive behavior among nursing home residents and common practices that fail to identify its causes or address the problem how some staff resident interactions can produce suffering for all concerned with case study outlines that illustrate the point memory loss and its effect on spirituality self worth and the faith community pastoral care for people suffering with dementia with practical information on helping them to make use of the power of prayer and to deal with loneliness fear and disempowerment an insightful look at a recent major study of residents in aged care facilities in Australia that explores the link between depression and spirituality risk and protective factors associated

with suicide in later life and the treatment of depression pastoral interventions for depression and dementia

Shameful Bodies Michelle Mary Lelwica, 2017-01-12 What happens when your body doesn't look how it's supposed to look or feel how it's supposed to feel or do what it's supposed to do Who or what defines the ideals behind these expectations How can we challenge them and live more peacefully in our bodies Shameful Bodies Religion and the Culture of Physical Improvement explores these questions by examining how traditional religious narratives and modern philosophical assumptions come together in the construction and pursuit of a better body in contemporary western societies Drawing on examples from popular culture such as self help books magazines and advertisements Michelle Mary Lelwica shows how these narratives and assumptions encourage us to go to war against our bodies to fight fat triumph over disability conquer chronic pain and illness and defy aging Through an ethic of conquest and conformity the culture of physical improvement trains us not only to believe that all bodily processes are under our control but to feel ashamed about those parts of our flesh that refuse to comply with the cultural ideal Lelwica argues that such shame is not a natural response to being fat physically impaired chronically sick or old Rather body shame is a religiously and culturally conditioned reaction to a commercially fabricated fantasy of physical perfection While Shameful Bodies critiques the religious and cultural norms and narratives that perpetuate external and internalized judgment and aggression toward shameful bodies it also engages the resources of religions especially feminist theologies and Buddhist thought practice to construct a more affirming approach to health and healing an approach that affirms the diversity fragility interdependence and impermanence of embodied life
