

Religion And Politics In Israel Jewish Political And Social Studies

Michael Terry

Religion And Politics In Israel Jewish Political And Social Studies:

Religion and Politics in Israel Charles S. Liebman, Eliezer Don-Yehiya, 1984-01-01 When Politics Are Sacralized
Nadim N. Rouhana, Nadera Shalhoub-Kevorkian, 2021-05-27 This book provides a comparative interdisciplinary analysis of the invocation and interaction of religious and national assertions in sacralizing local and global politics *Reader's Guide to Judaism* Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly Historical Dictionary of the Jews Alan Unterman, 2010-11-15 The Historical Dictionary of the Jews presents the history of the Jewish people and their religious culture in a way that makes clear how and why this small ancient people have survived nearly four millennia and managed to play such an important role in the world well out of proportion to their population The Jews trace their origins far back in history to the early tribes of Judah and Moses Over the centuries they spread across much of the Western world as well as into parts of Africa and Asia until they were crushed by the Holocaust and were forced to find refuge in the United States and the new state of Israel Because of that horrific event of the estimated 15 million Jews living today approximately six million reside in Israel with almost the same number living in the United States making these two countries the main center of Jewish life today This ready reference tells the history of the Jewish people through a detailed chronology an introductory essay an extensive bibliography and over 200 cross referenced dictionary entries on significant persons places events institutions and aspects of culture society economy and politics This book is an excellent access point for students researchers and anyone wanting to know more about the Jewish people **The Jewish Polity** Daniel Judah Elazar, Stuart Cohen, 1985 **Politics and Society in Israel** Ernest Krausz, 2017-09-29 This series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today gathers together the best of Israeli social science investigation that was previously scattered in a large variety of international journals Each book in the series is introduced by integrative essays Each volume focuses on a particular topic the first volume seeks out the dynamics of conflict and integration in a new society the second volume is concerned with the sociology of a unique Israeli social institution the kibbutz The third volume presents sociological perspectives on political life and culture in Israel Articles by leading scholars deal with historical development political culture and ideology political institutions and behavior the social basis of politics and social change Volume III also includes a select bibliography Contributors to Volume III tentative Karl W Deutsch Yonathan Shapiro Dan Horowitz Moshe Lissak Daniel Elazar Asher Arian Charles Liebman Erik Cohen Yoram Peri Ephraim Yaar S Smootha
Politics and Government in Israel, Fourth Edition Gregory S. Mahler, Reuven Y. Hazan, 2024-12-01 This balanced and

comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history authors Gregory S Mahler and Reuven Y Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel's foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise Politics and Government in Israel provides an invaluable starting point for all readers needing a cogent introduction to Israel today Religion, Secularism and Politics Jeffrey Haynes, Guy Ben-Porat, 2018-10-24 Political debates in many Mediterranean countries today are increasingly framed in dichotomous terms highlighting divisions between religious and secular worldviews The role of religion in public life or put another way the public return of religion is a pertinent and controversial political question everywhere in the Mediterranean region How do we explain this phenomenon On the one hand we can point to both economic and demographic changes while on the other we can trace the impact of continuing secularisation Together these two sets of developments produce new challenges to existing political arrangements This book examines the contemporary interaction of religion and politics in the Mediterranean region with a specific focus on democratization and democracy and the role in this context of selected religious actors Individual contributions focus on several European countries France Italy and Turkey while others are concerned with states in the Middle East and North Africa Egypt Israel Morocco and Tunisia Among European countries France is widely regarded as a highly secular country with over 50% of people regarding themselves as without religion Morocco on the other hand is a much more religious country measured by the fact that an estimated 94.5% of Moroccans self identify themselves as Muslims The specific country studies were selected because whether they are religious or not each case has current controversies involving both religious and secular actors which impact upon key political relationships centrally involving religion secularization and democratization democracy This book was published as a special issue of Mediterranean Politics **Religion, war and Israel's secular millennials** Stacey Gutkowski, 2020-10-27 How do secular Jewish Israeli millennials feel about the Israeli Palestinian conflict having come of age in the shadow of the Oslo peace process when political leaders have used ethno religious rhetoric as a dividing force This is the first book to analyse blowback to Palestinian and Jewish Israeli religious nationalism among this group in their own words based on fieldwork interviews and surveys conducted after the 2014 Gaza War Offering a close reading of the lived experience and generational memory of participants Stacey Gutkowski offers a new explanation for why attitudes to Occupation have grown increasingly conservative over the past two decades Examining the intimate emotional ecology of Occupation this book offers a new argument about neo Romantic conceptions of citizenship among this group Beyond the

case study Religion war and Israel s secular millennials also provides a new theoretical framework and research methods for researchers and students studying emotion religion nationalism secularism and political violence around the world

Mobilizing Religion in Middle East Politics Yusuf Sarfati,2013-08-15 Contrary to the expectations of the secularization theorists religious political movements rose to prominence in numerous countries across the globe in the past three decades By examining the conditions that underlie the electoral fortunes of religious actors in democratic regimes this book contributes to our understanding of this worldwide religious resurgence Employing a social movement theory framework Mobilizing Religion in Middle East Politics explores the macro and micro dynamics of successful political mobilization by Sephardic Torah Guardians Shas in Israel and the National Outlook Movement in Turkey in the recent decades In a comparative framework the book demonstrates how ripe political opportunities appropriate frames and dense social networks contribute to building popular support in Israel and Turkey Yusuf Sarfati also assesses the effects of the increasing political power of religious actors on democratic governance and illustrates similarities and differences between two countries Drawing on empirical data from a range of interviews conducted in both Israel and Turkey this book provides a comparative study of religious politics in two countries that are often thought of as exceptional cases and are rarely compared As such this book is a welcome contribution for those studying Middle East politics comparative politics religious politics democratization and social movements

Orthodox Judaism and the Politics of Religion Daniel Mahla,2020-03-26 Investigates traditionalist struggles about Zionism and the emergence of national religious Judaism and ultra Orthodox in the early twentieth century

Jewish Social Studies ,1980 [The Government And Politics Of Israel](#) Donald Peretz,2018-02-19 This book offers a comprehensive and up to date overview of the dynamics of Israeli politics It aims to familiarize those interested in Israel s government with that country s origins the way its political institutions practices and traditions have evolved and the way the government works

Routledge Handbook of Religion and Politics , *To Be a Jewish State* Yaacov Yadgar,2024-11-19 Examines the meaning of Jewish politics in Israel In one of the first books to ask head on what it means for Israel to be a Jewish state Yaacov Yadgar delves into what the designation Jewish amounts to in the context of the sovereign nation state and what it means for the politics of the state to be identified as Jewish The volume interrogates the tension between the notion of Israel as a Jewish state one whose very character is informed by Judaism and the notion of Israel as a state of the Jews with the sole criterion the maintenance of a demographically Jewish majority whatever the character of that majority s Jewishness might or might not be The volume also examines Zionism s relationship to Judaism It provocatively questions whether the Christian notion of supersessionism the idea that the Christian Church has superseded the nation of Israel in God s eyes and that Christians are now the true People of God may now be applied to Zionism with Zionism understood by some to have taken over the place of traditional Judaism rendering the actual Jewish religion superfluous To Be a Jewish State deeply informs the democratic crisis in Israel discussing whether Jewish laws put

into effect by the state or political moves made to ensure a Jewish majority can be seen as undermining democracy In our current era with nationalism resurging To Be a Jewish State urges a critical re assessment of the very meaning of modern Jewish identity

Handbook of Israel: Major Debates Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24 The Handbook of Israel Major Debates serves as an academic compendium for people interested in major discussions and controversies over Israel It provides innovative updated and informative knowledge on a range of acute debates Among other topics the handbook discusses post Zionism militarism democracy and religion in equality colonialism today s criticism of Israel Israel Diaspora relations and peace programs Outstanding scholars face each other with unadulterated divergent analyses These historical political and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia About seventy contributions grouped in thirteen thematic sections present controversial and provocative approaches refl ecting from different angles on the present day challenges of the State of Israel Other Major Works by the Editors Eliezer Ben Rafael Is Israel One Religion Nationalism and Ethnicity Confounded Brill 2005 Ethnicity Religion and Class in Israel Cambridge University Press paperback 2007 Julius H Schoeps Begegnungen Menschen die meinen Lebensweg kreuzten Suhrkamp 2016 Pioneers of Zionism Hess Pinsker R If Messianism Settlement Policy and the Israeli Palestinian Conflict De Gruyter 2013 Yitshak Sternberg World Religions and Multiculturalism A Relational Dialectic Brill 2010 Transnationalism Brill 2009 Olaf Gl ckner Being Jewish in 21st Century Germany De Gruyter 2015 with Haim Fireberg Deutschland die Juden und der Staat Israel Olms 2016 with Julius H Schoeps

The Jarring Road to Democratic Inclusion Aviad Rubin, Yusuf Sarfati, 2016-08-30 This edited volume brings together chapters that offer theoretically pertinent comparisons between various dimensions of Israeli and Turkish politics Each chapter covers a different aspect of state society interactions in both countries from a comparative perspective including the public role of religion political culture women rights movements religious education religious movements marriage regulation labor market inclusion and ethnic minorities Israel and Turkey share significant similarities such as state formation under nationalist ideologies familiarity with democratic governance since the 1940s strong affiliation with the West recent resurgence of religious parties ongoing conflict with ethno national minority groups that challenge the dominant national project contemporary popular protests against the incumbent regime and recent serious erosion of democratic rights At the same time they differ on major variables such as size majority religion geopolitical location level of economic development policy towards ethnic minorities and institutional arrangements to managing the state religion relations The presence of these differences in face of common backgrounds facilitates analytically grounded comparisons in a host of dimensions Therefore employing a case oriented comparative method this book provides historically interpretative and causally analytic accounts on the politics of both societies The contributions reveal the dynamic and complex rather than one dimensional and linear nature of political processes in both settings This empirically rich and theoretically sophisticated

volume should contribute to a better understanding of these two important states and no less important stimulate new directions for comparative research especially on Middle East regimes social movements and democratization *The SAGE Handbook of the Sociology of Religion* James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009 *The Microfoundations of Diaspora Politics* Alexandra Délano Alonso, Harris Mylonas, 2021-09-21 The Microfoundations of Diaspora Politics examines the various actors within and beyond the state that participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or

skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic communities This book was originally published as a special issue of the Journal of Ethnic and Migration Studies

International Encyclopedia of Civil Society Helmut K. Anheier, Stefan Toepler, 2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic appraisal of a rapidly growing field

Religion And Politics In Israel Jewish Political And Social Studies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion And Politics In Israel Jewish Political And Social Studies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion And Politics In Israel Jewish Political And Social Studies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion And Politics In Israel Jewish Political And Social Studies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
