Circle Book #2) Ted Dekker, 2018-10-02 Some say the great mystery of how one can live in two worlds at once died with Thomas Hunter many years ago Still others that the gateway to that greater reality was and is only the stuff of dreams They are all wrong Rachele Matthews who grew up in the small town of Eden Utah discovered just how wrong when she dreamed and awoke in another world There she learned that she was the 49th Mystic the prophesied one tasked with finding five ancient seals before powerful enemies destroy her If Rachele succeeds in her quest peace will reign If she fails the world will forever be locked in darkness In The 49th Mystic Rachele found the first three of those five seals through great peril and mind altering adventure But two seals remain hidden and the fate of both worlds hangs in their balance As Rachele Matthews sits deep in a dungeon Vlad Smith is just getting started Thomas Hunter s world is about to be turned inside out The mystics say that there is no defense against the Fifth Seal but finding it will cost Rachele everything So begins the final volume of high stakes in one girl s quest to find an ancient path that will save humanity The clock is ticking the end rushes forward Ready Set Dream **Journey Into the Heart of God** Philip H. Pfatteicher, 2013-10 Using the riches of traditional liturgical texts and classic hymns together with the role of the natural world this book examines the living reality of the liturgical year MotherLove Esther Davis-Thompson, 1999 Offering a powerful collection of meditations quotations and prayers MotherLove feeds the spirit of the African American community s march forward into a new millennium *Journey Into the Light* Isha Schwaller de Lubicz, 1984-04 This novel portrays the transformative encounter of the modern scientific and rational mentality with the suprarational spiritual intelligence that guides us on the Path of the Mysteries Through dramatic dialogue and interplay between master and student we are initiated into the realm of the spirit **Rising in Love (Alan Cohen title)** Alan Cohen, 1996-09-01 This is a book about Love It is the saga of the heart s journey from loneliness to celebration from empty dark caverns to waterfalls of triumphant gratitude It is a testimony to the dauntless power of Love to heal broken dreams and make each one of us new bright and whole again **Journey Into Light** Gayle Rose Martinez, 1992 An inspiring and powerful story of a young woman s struggle for physical emotional and spiritual healing after her leg is almost severed in a motorcycle accident Compellingly told and immensely readable this book offers intimate glimpses of the author s personal weaknesses and shows the almost superhuman efforts to find an inner source of direction and purpose

The Wounded Child's Journey Into Love's Embrace Paul Ferrini, 1991 Healing the Wounded Child The wounded child cannot be kept separate from you If s he is in fear you need to love the one in fear You must be willing to feel her pain This is a sacred journey through fear to love You must learn to approach the child not as a judgmental parent but as a loving one For only love releases the pain Only love gently brings the darkness into the light The process of recovery does not end until there is no one left to blame or shame including yourself It does not end until you can see the light behind your shadow It is time now to take the little child into your arms and rock her and speak to her softly the words of love s he needs to hear Do not be afraid of her anger or her pain but remember that all s he wants is love and that is the only gift you can offer her

Journey Through the Sol Alisha R. Kaiser, 2010-11 JOURNEY THROUGH THE SOL takes the reader beyond the preliminary works of the Celestine Prophecy and Carlos Castaneda to a vision that opens the mysteries of the cosmos revealing the universal blueprint of creation through the super conscious where reality truly exists The story takes shape around a clarion call to action from Eternal Spirit to twelve star systems within the Andromeda and Milky Way Galaxies Those who answered the call would act as emissaries of light to anchor in a new reality known as the Golden Age of light and love The mission would entail a great transformation of the star s blueprint enabling it to undergo a planetary evolution that would awaken the planetary dream and its relationship with the Cosmos The real life adventure begins when Eya journeys to earth and awakens her soul memory through dreams visions and telepathic guidance surrounding coinciding life events The awakening culminates into a multi dimensional soul vision entwined with earth s destiny revealing man s purpose on a universal scale Night Into Light Diane Esquerro, 2024-11-07 A deeply personal memoir about recovering from

bereavement by a professional therapist and grief counsellor Can a parent ever survive the death of a daughter or son Drowning in grief and with her life in pieces psychotherapist Diane Esquerro asks herself this question as she sets off for Peru to scatter the ashes of Sacha her only child at the sacred Inca citadel Machu Picchu a place he loved Every step of the journey triggers memories of the young man s troubled life of abuse and addiction As Diane makes connections with other bereaved people in the unlikelyst of settings she also has mystical encounters that affirm her Buddhist faith and put her on a path to acceptance and healing The fragments of her life gradually reassemble in a more meaningful pattern than before By turns funny engaging and moving this richly coloured account of one mother s physical and spiritual journey shows it s possible not only to survive every parent s worst nightmare but to experience growth and transformation along the way

Father's Love Journey Fount Shults, 2007-05 God sent his Son to draw mankind into his personal journey of love Jesus journey makes a full circle from his Father into the world and back to the Father He invites believers to join him as He returns Christian
