Romantics And Us:

The English Romantics and America Clarice Evelyn Short, 1974 **Selected Studies in Romantic and American Literature, History, and Culture** Charles J. Rzepka, 2016-04-01

Gathered together for the first time the essays in this volume were selected to give scholars ready access to important late twentieth and early twenty first century contributions to scholarship on the Romantic period and twentieth century literature and culture Included are Charles J Rzepka s award winning essays on Keats s Chapman s Homer sonnet and Wordsworth s Michael and his critical intervention into anachronistic new historicist readings of the circumstances surrounding the composition of Tintern Abbey Other Romantic period essays provide innovative interpretations of De Quincey s relation to theatre and the anti slavery movement Genre is highlighted in Rzepka s exploration of race and region in Charlie Chan while his interdisciplinary essay on The Wizard of Oz and the New Woman takes the reader on a journey that encompasses the Oz of L Frank Baum and Victor Fleming as well as the professional lives of Judy Garland and Liza Minnelli Taken together the essays provide not only a career retrospective of an influential scholar and teacher but also a map of the innovations and controversies that have influenced literary studies from the early 1980s to the present As Peter Manning observes in his foreword this collection shows that even in diverse essays the force of a curious and disciplined mind makes itself felt

Romantics and Modernists in British Cinema John Orr, 2010-04-30 In a fresh and invigorating look at British cinema that considers film as an art form among other arts John Orr takes a critical look at the intriguing relationship between romanticism and modernism that has been much neglected in the study of UK cinema and downplayed in the development of Western cinema Encompassing a broad selection of films film makers and debates this book brings a fresh perspective to how scholars might understand and interrogate the major traditions that have shaped British cinema history Covering the period between 1929 and the present this book examines outstanding directors such as Alfred Hitchcock David Lean Carol Reed Nicholas Roeg Terence Davies and Bill Douglas and articulates two genres vital to British cinema the fugitive film and the trauma film which bridge the gap between romantic and modern forms Two detailed chapters also assess the powerful impact of major expatriate directors like Losey Antonioni Polanski Kubrick and Skolimowski on modernism in the 1960s and 1970s Detailed critical readings explore *Blackmail* *The Lady Vanishes* *Black Narcissus* *Odd Man Out* *The Passionate Friends* *The Innocents* *Lawrence of Arabia* *The Servant* *Blow Up* *A Clockwork Orange* *Don t Look Now* *The Wicker Man* *Moonlighting* the Bill Douglas trilogy and *The Long Day Closes* The book concludes with an analysis of the persistence of romantic and modernist forms in the 21st century in two recent prize winning features *Control* and *Hunger*

Romantic Poetry Karl Kroeber, Gene W. Ruoff, 1993 This anthology fills the need for a comprehensive up to date collection of the most important contemporary writings on the English romantic poets During the 1980s many theoretical innovations in literary study swept academic criticism Many of these approaches from deconstructive new historicist and feminist perspectives used romantic texts as primary examples and altered radically the ways in which we

read Other major changes have occurred in textual studies dramatically transforming the works of these poets The world of English romantic poetry has certainly changed and Romantic Poetry keeps pace with those changes Karl Kroeber and Gene W Ruoff have organized the book by poet Blake Wordsworth Coleridge Byron Shelly and Keats and have included essays representative of key critical approaches to each poet s work In addition to their excellent general introduction the editors have provided brief helpful forewords to each essay showing how it reflects current approaches to its subject The book also has an extensive bibliography sure to serve as an important research aid Students on all levels will find this book invaluable

Literary Culture and U.S Imperialism : From the Revolution to World War II John Carlos Rowe Professor of English University of California at Irvine,2000-06-12 John Carlos Rowe considered one of the most eminent and progressive critics of American literature has in recent years become instrumental in shaping the path of American studies His latest book examines literary responses to U S imperialism from the late eighteenth century to the 1940s Interpreting texts by Charles Brockden Brown Poe Melville John Rollin Ridge Twain Henry Adams Stephen Crane W E B Du Bois John Neihardt Nick Black Elk and Zora Neale Hurston Rowe argues that U S literature has a long tradition of responding critically or contributing to our imperialist ventures Following in the critical footsteps of Richard Slotkin and Edward Said *Literary Culture and U S Imperialism* is particularly innovative in taking account of the public and cultural response to imperialism In this sense it could not be more relevant to what is happening in the scholarship and should be vital reading for scholars and students of American literature and culture

Romantics and Renegades C. Mahoney,2002-11-15 *Romantics and Renegades* examines the abiding crux of romantic criticism the political apostasies of the Lake poets Wordsworth Coleridge and Southey as they renounced the revolutionary Jacobinism of their youth in the 1790s in order to claim the high ground of Regency Toryism in the 1810s Central to this scandal is the figure of William Hazlitt the literary critic who policed their betrayals in his vigilant exposure of their political and poetical inconsistencies Mahoney s analysis provides new insight into this abiding critical riddle through close historical and figural readings of the rhetoric of romantic apostasy

Sexual Politics and the Romantic Author Sonia Hofkosh,1998-06-18 Exploring a range of early nineteenth century cultural materials from canonical poetry and critical prose to women s magazines and gift book engravings *Sexual Politics and the Romantic Author* offers new perspectives on the role of gender in Romanticism s defining paradigms of authorship The Romantic author s claim to individual agency is complicated by its articulation in a market system perceived to be impelled in large part by fantasies of female desire by what women read and write what they buy and sell how they look and where they look for pleasure These studies in the contested public spaces of literary labour elaborate the fundamental if invisible function of the woman as embodiment of authorial ambivalence in writing by Austen Byron Coleridge William Hazlitt Sarah Hazlitt Leigh Hunt Keats Mary Shelley William Wordsworth and others

Fellow Romantics Beth Lau,2009-01-01 Beginning with the premise that men and women of the Romantic period were lively interlocutors who participated in many of the same literary traditions and

experiments Fellow Romantics offers an inspired counterpoint to studies that emphasize differences between male and female Romantic era writers Linking among others Charlotte Smith and William Wordsworth Felicia Hemans and Percy Bysshe Shelley the contributors defamiliarize the work of both male and female writers by drawing our attention to frequently neglected aspects of each writer's art

How Romantics and Victorians Organized Information Jillian M. Hess, 2022 This volume studies an important manuscript form of nineteenth century England the commonplace book and its descendent the scrapbook It explores the tradition of managing information in nineteenth century England and excavates notes and drafts of the most important works in Romantic and Victorian literature

The Romantics and the May Day Tradition Essaka Joshua, 2016-02-24 This important contribution to both Romantic and cultural studies situates literature by Wordsworth Southey Hunt Clare and Blake within the context of folklore and popular customs associated with May Day Romantic responses to May Day bring into focus a range of issues now regarded as central to the writing of the period the natural world city life the pastoral regional and national identities popular culture cultural degeneration and cultural difference Essaka Joshua explores new connections between these issues in the context of a set of heterogeneous cultural practices that are rooted in the traditions and activities of diverse social groups She shows how Romantic writers have positioned themselves in relation to what has become known as the public sphere and the way in which they articulate an understanding of the common sphere as a site of plebeian self expression Joshua's nuanced account acknowledges the full complexity of class formations and inter class relationships and permits noncanonical and canonical texts such as the *Prelude* *Songs of Innocence and Experience* and *The Village Minstrel* to be reinterpreted in a cultural context that has not been previously explored by literary critics

Sufism and American Literary Masters Mehdi Aminrazavi, 2014-10-15 Explores the influence of Sufism on nineteenth and early twentieth century writers This book reveals the rich but generally unknown influence of Sufism on nineteenth and early twentieth century American literature The translation of Persian poets such as Hafiz and Sa di into English and the ongoing popularity of Omar Khayyam offered intriguing new spiritual perspectives to some of the major American literary figures As editor Mehdi Aminrazavi notes these Sufi influences have often been subsumed into a notion of Eastern chiefly Indian thought and not acknowledged as having Islamic roots This work pays considerable attention to two giants of American literature Ralph Waldo Emerson and Walt Whitman who found much inspiration from the Sufi ideas they encountered Other canonical figures are also discussed including Mark Twain Herman Melville Henry David Thoreau and Henry Wadsworth Longfellow along with literary contemporaries who are lesser known today such as Paschal Beverly Randolph Thomas Lake Harris and Lawrence Oliphant

Byronic Heroes in Nineteenth-Century Women's Writing and Screen Adaptation Sarah Wootton, 2017-01-26 *Byronic Heroes in Nineteenth Century Women's Writing and Screen Adaptation* charts a new chapter in the changing fortunes of a unique cultural phenomenon This book examines the afterlives of the Byronic hero through the work of nineteenth century women writers

and screen adaptations of their fiction It is a timely reassessment of Byron's enduring legacy during the nineteenth century and beyond focusing on the charged and unstable literary dialogues between Jane Austen Elizabeth Gaskell George Eliot and a Romantic icon whose presence takes centre stage in recent screen adaptations of their most celebrated novels The broad interdisciplinary lens employed in this book concentrates on the conflicted rewritings of Byron's poetry his heroic protagonists and the cult of Byronism in nineteenth century novels from *Pride and Prejudice* to *Middlemarch* and extends outwards to the reappearance of Byronic heroes on film and in television series over the last two decades

Literature, theology and feminism Heather Walton, 2019-01-04 This book offers an authoritative overview of the broad and complex terrain of feminist theorising concerning the relationship between literature and theology as it has developed over the past several decades It provides the first comprehensive evaluation of the significance of women's literature in the development of feminist theology and offers a critique of the variety of reading practices currently employed by religious feminists As well as illuminating current reading strategies the work argues that it is now appropriate for feminists to develop new ways of reading the divine in women's writing Drawing upon the pioneering work of Helene Cixous Julia Kristeva and Luce Irigaray the work sets out a new framework for feminist religious reading that is both creative and challenging and which will be of interest both to scholars and students in this area Through its artful and compelling feminist reconsiderations the book makes a refreshing and significant contribution to the general field known as literature and theology

Romantics and the Era of Early Flight John Gilroy, 2022-12-08 This book explores the significance of flight to Romantic literature Although the Romantic movement and the age of ballooning coincided there has been a curious and long time tendency to forget that flight was not impossible during this period This study details the importance of this new technology to Romantic authors primarily English Romantic poets It combines accounts of the exploits and experiences of early balloonists with references to Romantic texts using ballooning lore to illuminate a range of Romantic writings The balloonists are seen as not just supplying these writers with a new code of metaphors but as colleagues engaged in similarly imaginative enterprises The book uncovers an aerial imagination shared by a large number of writers in the Romantic period that has its origins in the balloon adventures of the 1780s and following two decades It will appeal to scholars and students of Romantic cultural history as well as those interested in Romantic poetry and the history of early aeronautics

Literature and the Growth of British Nationalism Francesco Crocco, 2014-01-23 This book explores how British Romantic poetry the writing reading and critical reception of it reinforced British nationalism in the 19th century ripening the political processes of nationhood that began with the first Act of Union in 1707 Using archival research on literary collections criticism and reviews this study documents the rise of bardic criticism in the 18th century a style of literary criticism that reinvented the vernacular poet as a national bard and established a national role for poetry Within this context this book offers a new reading of major works by Romantic poets from Wordsworth and Coleridge to Felicia Hemans and Anna Letitia Barbauld illuminating the ways they corroborated

the public image of poets as bona fide national bards and advanced British nationalism even when they intentionally set out to oppose or reform the politics of state Romantic Theatricality Judith Pascoe,1997 Pascoe adduces the theatrical posturing of the Della Cruscan poets the staginess of the Marie Antoinette depicted in women s poetry and the histrionic maneuverings of participants in the 1794 treason trials Such public events as the trials also linked the newly powerful role of female theatrical spectator to that of political spectator New forms of self representation and dramatization arose as a result of that synthesis Classic, Romantic, and Modern Jacques Barzun,1961 Drawing from the works of influential figures in art and literature the author traces the development of romanticism from classicism and the emergence of the modern ego
