Second Coming Of Christ 1918:

The Second Coming of Christ Clarence Larkin, 2010-01-01 The Reverend Clarence Larkin was one of the most widely influential thinkers on end times prophecies of the early twentieth century and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity This 1918 work outlines exactly what the Bible predicts for the end of mankind's reign on Earth and the return of the Christian savior with a special emphasis on who is to be saved and why Numerous charts and illustrations depict the Judgment Seat of Christ The Stages of the Second Coming the Failure of Man and more American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters

American Apocalypse Matthew Avery Sutton, 2014-12-15 In the first comprehensive history of American evangelicalism to appear in a generation Matthew Sutton shows how charismatic Protestant preachers anticipating the end of the world paradoxically transformed it Narrating the story from the perspective of the faithful he shows how apocalyptic thinking influences the American mainstream today

Living for Jesus and Japan Shibuya Hiroshi, Chiba Shin, 2013-11 Uchimura Kanzo 1861 1930 was an independent original and thought provoking pioneer of Christianity in modern Japan His theological values were organically linked with his aspiration for living and practicing such evangelical ideas as prophetic existence neighborly love social justice pacifism patriotism and internationalism in the sphere of public life Uchimura's commitment to the interaction between religious thought and social life is apparent in his well known epitaph I for Japan Japan for the World the World for Christ and All for God In this interdisciplinary multi angled approach to Uchimura Kanzo the contributors shed light on the inner logic meanings and modes of interaction between the religious and social thought observable in Kanzo Contributors Andrew E Barshay Kei Chiba Shin Chiba Kyougae Lee Hiroshi Miura Tsunao Ohyama Hiroshi Shibuya Takashi Shogimen Yasuhiro Takahashi Kunichika Yagyu

The Coming of the Lord James Henry Snowden, 1919 The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue

from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today
