

Shakespeare's A Midsummer Night's Dream Lesson Ideas

#1 Character Web

An interesting but potentially confusing thing in *A Midsummer Night's Dream* is the tangled web of relationships that goes on throughout the play. For this reason, it makes for an excellent example of a character web.

Children plan first on a whiteboard or rough piece of paper where characters are placed as this can have different effects on how the lines of the web fit with each other.

What to include:

- all the main characters
- what main actions occur in the play
- what their relationships are
- arrows where the direction is important

Here's an example of a simple character web for *A Midsummer Night's Dream*.

This shows clearly that Puck is in the centre of the tangled web.
