Introduction to the 5th Way Addison C. Arthur, 2007-04 **Shamanism** Mariko Namba Walter, Eva Jane Neumann Fridman, 2004-12-15 A guide to worldwide shamanism and shamanistic practices emphasizing historical and current cultural adaptations This two volume reference is the first international survey of shamanistic beliefs from prehistory to the present day In nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices What is it like to be a shaman Entries describe region by region the traits such as sicknesses and dreams that mark a person as a

shaman as well as the training undertaken by initiates They detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls Unlike most Western books on shamanism which focus narrowly on the individual s experience of healing and trance Shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia **The Shaman's Curse** Meredith Mansfield,2020-05-21 The two kinds of magic have always been totally separate Until now Vatar risked his life to try to save his friend and failed Now he has an implacable enemy in the shaman who blames Vatar for the death of his only son He s forced to flee his home at least until the shaman s thirst for revenge cools Taking shelter with his mother s people in one of the coastal cities Vatar learns more than he bargained for He agreed to learn to work iron and steel but he never suspected to find a magical heritage as well And that s a problem A huge problem Because unlike their own Spirit magic his people regard the city magic as the work of Evil Spirits If the shaman ever found out about this it could be the weapon he needs to destroy Vatar And yet finding a way to accept the other side of his heritage may be the only way Vatar can ultimately defeat his enemy and win more than his freedom Sword and Sorcery Revenge Coming of Age Superstition
