Solsbury Hill Susan M. Wyler,2014-04-01 Susan Wyler s contemporary take on a classic love story is utterly beguiling Solsbury Hill is a gorgeously well written tale of a fraught love affair that takes you from New York to the wild gothic setting of the Yorkshire moors Fiona Neill author of Slummy Mummy and What the Nanny Saw The windswept moors of England a grand rustic estate and a love story of one woman caught between two men who love her powerfully all inspired by Emily Bronte s beloved classic Wuthering Heights Solsbury Hill brings the legend of Catherine and Heathcliff and that of their mysterious creator herself into a contemporary love story that unlocks the past When a surprise call from a dying aunt brings twenty something New Yorker Eleanor Abbott to the Yorkshire moors and the family estate she is about to inherit she finds a world beyond anything she might have expected Having left behind an American fiance here Eleanor meets Meadowscarp MacLeod a young man who challenges and changes her Here too she encounters the presence of Bronte herself and discovers a family legacy they may share With winds powerful enough to carve stone and bend trees the moors are another world where time and space work differently Remnants of the past are just around a craggy windswept corner For Eleanor this means ancestors and a devastating romantic history that bears on her own life on the history of the novel Wuthering Heights and on the destinies of all who live in its shadow **Colonial Project, National Game** Andrew D.

Morris,2010-11-24 In this engrossing cultural history of baseball in Taiwan Andrew D Morris traces the game s social ethnic political and cultural significance since its introduction on the island more than one hundred years ago Introduced by the Japanese colonial government at the turn of the century baseball was expected to civilize and modernize Taiwan s Han Chinese and Austronesian Aborigine populations After World War II the game was tolerated as a remnant of Japanese culture and then strategically employed by the ruling Chinese Nationalist Party KMT Even as it was also enthroned by Taiwanese politicians cultural producers and citizens as their national game In considering baseball s cultural and historical implications Morris deftly addresses a number of societal themes crucial to understanding modern Taiwan the question of Chinese reunification and East Asia as a whole **The Conquest of India by the Church** Sendal Barnes Munger,1845 **It's All**

Bringing Up Baby Peter Swaab, 2019-07-25 *Bringing Up Baby* directed by Howard Hawks in 1938 is one of the greatest screwball comedies and a treasure from the Golden Age of Hollywood Cary Grant plays a naive and repressed palaeosaurologist who becomes entangled with and ensnared by a wilful heiress Katharine Hepburn Chaos ensues as romance blossoms and not one but two leopards are set loose in verdant Connecticut All of Hawks's signature skills are to the fore there is the wonderful ensemble cast the characteristically refined but unselfconscious visual style an endless succession of pratfalls innuendo and jokes written by Dudley Nichols and Hagar Wilde and underneath the chaos and good cheer a serious dream of escaping life's troubles by dint of nothing more or less than nerve and luck There are no human babies in *Bringing Up Baby* but there are those leopards and the relentless terrier George and as Peter Swaab explores in his witty and original study Hawks's film wonders profoundly why we want animals in our lives and why we sometimes need to behave as animals ourselves Many screwball films have been seen as comedies of remarriage but Peter Swaab argues that this one is not much interested in marriage and is instead more captivated by instinct irresponsibility and the wild abnormalities of romance The film is in its way an American dream of independence and believes the real way to get on in life for film makers as well as scientists isn't by deference and respectability but by having sexy fun with the right people A thoroughly American fiction of the 1930s *Bringing Up Baby* is also a timelessly classical comic narrative exploring conflicts between civilisation and nature rationality and insanity middle class inhibitions and aristocratic blitheness And it is the epitome of film comedy an anthology of comic types and devices and one of the most seductively funny films ever made

Georgian Harlots & Whores Mike Rendell, 2022-04-21 This book will look at the phenomenon of celebrity hookers in the eighteenth century all of them the subject of extraordinary press scrutiny and comment They were the fashion icons of the age and what they wore was copied and put on sale in the high street within days Many of them were passed around within the same small circle of aristocratic lovers They were the object of constant gossip and whether they were flaunting their fame by taking a box at the opera for the entire season or by parading through Hyde Park in a phaeton pulled by matching cream ponies or returning from Paris wearing the very latest fashions they enjoyed a celebrity status nowadays bestowed on TV reality stars and footballers wives

Fighting Corruption In Asia: Causes, Effects And Remedies Frank-jurgen Richter, John Kidd, 2003-04-03 Fundamental changes within economies are needed to create arm's length relations between governments corporations and banks We are taking risks when investing in the future and risk taking demands openness and truthfulness from the agents we employ If investors and accountants can concur on the degree of disclosure that is morally right we may come to some global agreement on what constitutes corruption but to do this we have to bring together those who advocate profit making with those who see this as usury and we have to care for the future in novel ways unknown in the past so as to allow firms to be locally inefficient apparently while preserving the environment This book looks widely at the prevailing situation in Asia and considers how little some governments are doing to guide their

institutions towards probity and transparency While fundamental changes are needed around the globe it is in the developing nations that there is scope for radical change in the near future as their institutions are re created to meet the modern world Once developed and functioning their managers will have the opportunity to facilitate and re direct the institutions in the developed world which happen to be more conservative than their own
