Sharing a Thought with Lagniappe Rose C.

Miller,2011-04-15 We see many devotional books written today with hopes of getting God s children to be a devout servant The church has many spiritual anemic members living day after day on a poor diet of the Holy Scriptures The idea to write a devotional book came to me under the power of the Holy Spirit The devotional thoughts with lagniappe came as I gave myself fully to my Lord Under His leadership I moved forward in obedience to share my love for the lost and never once had difficulty writing with Parkinson s Very few people knew how to spell lagniappe while most everyone knew what it meant and enjoyed the practice of giving or receiving the small extra gift These devotional thoughts are written in a simple way so to appeal and be understood by all age groups There is nothing complicated about the love of God Share the lagniappe with a hug smile tender touch kindness small gifts and love
