O Man, Where Art Thou? (Genesis 3:9) Rev. Kingsley C. Ogbuji SSJ, 2025-09-24 Many years ago I worked as a mental health counselor and a priest in Orleans Parish Jail In my experience with jail ministry as a priest and counselor I witnessed firsthand the near total destruction of men particularly black men Over 90 percent of the black men I encountered struggled with mental health and substance use issues Many felt hopeless and helpless One day as I was reading the book of Genesis and reflecting on my experiences I came across Genesis 3 9 where God asked a profound question Adam where art thou This simple yet profound question prompted deep thoughts and reflection Through divine inspiration God revealed to me that the Black man is the most endangered species on earth Drugs and alcohol are not the problem of the Black man but a poisoned mind that has kept him down for generations The Black man has incredible potential but the enemy has vowed to keep him a perpetual enslaved person however he can be restored God revealed to me some secrets in the book of Genesis that can help the Black man flourish again Although this reflection is written for black men dealing with mental health and substance use issues it may also be helpful for anyone in need of divine healing and restoration

Middle Space Youth Work Loyd Harp, 2022-04-22 A new model of youth work and outreach is emerging across the UK and elsewhere in which churches and faith communities are no longer content to invite outsiders across the great threshold that is the front door of the church On the other hand detached youth work has made great strides into taking the church out into the streets Between these two polarities is nestled a third way Middle Space models carve out space in the middle ground for dialogue relationships safe spaces exchange of ideas not to mention inclusive activities The concept of Middle Space is simple It's not our space nor is it their space but a shared space somewhere in the middle However Middle Space is about much more than simply utilising so called third spaces Rather it's a whole new approach to youth work in which the physical space becomes a metaphor for the youth work itself While the concept is simple it is a profoundly new way of doing youth ministry This book will be the first of its kind in describing and reflecting upon emerging Middle Space models and also giving some tips and insights for best practices moving forward
