Some Truths We Never Share... Hendrik H Venter,2025-08-05 Based on a remarkably true story a searing romantic thriller wovenwith espionage emotional depth and real world stakes Blending the raw intensity of covert operations with the tender vulnerability of forbidden love it s a story tested by sacrifice war silence distance and duty Some Truths We Never

Share is for readers who believe love doesn't always follow the rules but it never truly dies. It follows a CIA operative whose undercover mission collides with fate when he falls for the woman entangled in his target's world. As duty tears them apart and war nearly ends him, the story unfolds across continents from the shadows of cartel surveillance in Australia to the chaos of the Ukrainian front lines. What begins as a calculated mission unravels into something dangerously personal. But in a world of secrets and surveillance, how do you protect the one thing you were never supposed to feel? Love. Milkyway Media, 2024-01-25. Get the Summary of Tony Dungy's *Quiet Strength* in 20 minutes. Please note: This is a summary, not the original book. *Quiet Strength* chronicles Tony Dungy's journey from his dismissal as head coach of the Tampa Bay Buccaneers to his reflective moments on his upbringing, family values, and faith. Raised in Jackson, Michigan, by college-educated parents, Dungy was instilled with the importance of education, character, and success in God's eyes. His father's participation in the Tuskegee Experiment and his mother's innovative teaching methods deeply influenced his values and coaching philosophy. **Rewired** James Patrick Kelly, John Kessel, 2007-10-01. *Cyberpunk is dead*. The revolution has been co-opted by half-assed heroes, overclocked CGI, and tricked-out shades. Once radical cyberpunk is now nothing more than a brand. Time to stop flipping the channel. These sixteen extreme stories reveal a government ninja routed by a bicycle repairman, the inventor of digitized paper hijacked by his college crush, a dead boy trapped in a warped storybook paradise, and the queen of England attacked with the deadliest of forbidden technology: a working modem. You'll meet Manfred Macx, renegade meme broker, Red Sonja, virtual reality sex goddess, and Felix, humble sys admin and post-apocalyptic hero. Editors James Patrick Kelly and John Kessel. *Feeling Very Strange: The Slipstream Anthology* have united cyberpunk visionaries William Gibson, Bruce Sterling, and Pat Cadigan with the new post-cyberpunk vanguard, including Cory Doctorow, Charles

Stross and Jonathan Lethem Including a canon establishing introduction and excerpts from a hotly contested online debate Rewired is the first anthology to define and capture the crackling excitement of the post cyberpunks From the grittiness of Mirrorshades to the Singularity and beyond it s time to revive the revolution

Rich Kid, Poor Kid Onesimus Malatji, 2023 In *Rich Kid Poor Kid* readers are taken on a journey through the lives of two young individuals one from a wealthy background and the other from a struggling economic environment The novel is structured in a way that offers a deep dive into their parallel yet distinct worlds highlighting the stark contrasts and unexpected similarities in their experiences The first part of the book introduces the characters setting the stage for an exploration of how their economic backgrounds impact their psychological development relationships and views on technology As the story unfolds the narrative delves into the digital divide scrutinizing how technology can be a tool for empowerment or a source of inequality Midway through the novel the focus shifts to the allure of wealth and the mirage of social media success It probes into the psychological dynamics surrounding money and the often misleading portrayal of affluence online juxtaposing these against the real life challenges and opportunities in the tech driven world The latter sections of the book are dedicated to overcoming adversity through innovation Here the characters find ways to leverage technology regardless of their socioeconomic status highlighting how ingenuity can thrive under constraints and how technology can serve as a catalyst for social change and personal growth As the narrative nears its conclusion it offers a forward looking perspective on emerging technologies ethical considerations and the pivotal role of youth in shaping a responsible digital future The story culminates with practical lessons on transforming

challenges into opportunities emphasizing the importance of education mentorship and proactive engagement with technology for societal betterment Overall Rich Kid Poor Kid is a thought provoking novel that blends storytelling with insightful commentary on modern challenges aiming to inspire and educate readers about navigating life in an increasingly tech centric world **Jamie's Machine** Douglas Watson,2012-09 When Jamie Sheridan experiences grief and loss he will

stop at nothing to speak to his beloved again slipping into madness as he storms the very barriers between realities in order to heal his pain Jamie s Machine is a dark gritty novel of poverty despair bullying and shattered hopes This novel contains explicit language and adult themes *Sharing Cities* Duncan McLaren,Julian Agyeman,2015-12-04 How cities can build on the sharing economy and smart technology to deliver a sharing paradigm that supports justice solidarity and sustainability The future of humanity is urban and the nature of urban space enables and necessitates sharing of resources goods and services experiences Yet traditional forms of sharing have been undermined in modern cities by social fragmentation and commercialization of the public realm In *Sharing Cities* Duncan McLaren and Julian Agyeman argue that the intersection of cities highly networked physical space with new digital technologies and new mediated forms of sharing offers cities the opportunity to connect smart technology to justice solidarity and sustainability McLaren and Agyeman explore the opportunities and risks for sustainability solidarity and justice in the changing nature of sharing McLaren and Agyeman propose a new sharing paradigm which goes beyond the faddish sharing economy seen in such ventures as Uber and TaskRabbit to envision models of sharing that are not always commercial but also communal encouraging trust and collaboration Detailed case studies of San Francisco Seoul Copenhagen Medell n Amsterdam and Bengaluru formerly Bangalore contextualize the authors discussions of collaborative consumption and production the shared public realm both physical and virtual the design of sharing to enhance equity and justice and the prospects for scaling up the sharing paradigm though city governance They show how sharing could shift values and norms enable civic engagement and political activism and rebuild a shared urban commons Their case for sharing and solidarity offers a powerful alternative for urban futures to conventional race to the bottom narratives of competition enclosure and division **Impossible Faith** Jamie

James,2011-08 This is the incredible story of a man of God whose life touched many and whose death inspired even more Jamie James adored her husband Shibu Mathai and so did everyone else who met him He was a true believer following the Lord s will without hesitation in every area of his life Never one to get mad or upset he was always making people laugh with his jokes and pranks The messages he shared about the Word of God inspired all who listened He was the perfect husband always placing Jamie s needs above his own just as he did for everyone he encountered His joy was to serve On August 13 2005 he served by saving three children from drowning but then his own life was taken His death rocked Jamie s world How could a man so young and with so much passion for the Lord s work be taken away so soon in life What about their dreams of taking the gospel into the world and ministering to the poor and lost What about their future together What about the one

billion souls Shibu wanted to claim for the Lord Why would God allow such a thing to happen Through the eyes of Jamie and others who knew Shibu readers will witness how a life and death can bring together a community and strengthen the faith of many Discover Impossible Faith Adoring Outlander Valerie Estelle Frankel,2016-02-17 What is behind Outlander fever the hit television drama s popularity Is it author Diana Gabaldon s teasing posts on social media Is it the real history reimagined The highly emotional melodrama Or is it the take charge heroine and the sweet hero in a kilt One of the show s biggest draws is its multigenre appeal Gabaldon whose Outlander novels form the basis of the series has called it science fiction fantasy romance historical fiction and military fiction depending on her audience This collection of new essays explores the series as a romance a ghost story an epic journey a cozy mystery a comedy of manners a gothic thriller and a feminist answer to Game of Thrones and considers the source of its broad appeal **The Best of the Best** Gardner Dozois,2005-02 Features the finest science fiction writings from the past two decades of the annual The Year s Best Science Fiction including writings from such authors as Greg Bear Pat Cadigan Robert Silverberg and Ursula K Le Guin
