Shattered Covenants Iv:

Broken Covenants Hubert L. Tomlin, 2021-10-07 *Broken Covenants* seeks to highlight the love of God for man and the things the Lord had been doing to bring man back into fellowship with Him since mankind fell from grace because of sin. Sin has corrupted the entire world and it started when Adam and Eve were deceived by Satan in the garden of Eden. Satan had since that time gained control over the earth from Adam whom God had given this charge. Everything being corrupted by sin, including man, faces the curse of death. Satan, having taken control of the earth, had access to heaven where he was a continuous accuser of man before God. God is determined to destroy this corrupted earth and Satan with it to get rid of sin altogether, but He is also determined to restore man and save man from His wrath and the destruction to come. God sent a flood to destroy sinful man from the earth, but as man multiplied again in the earth, so did sin. The Lord then chose a people of Israel to be His chosen people. He blessed and prospered them to make the rest of the world be jealous of the God of Israel, that they would forsake their gods and seek after the God of Israel. Israel, however, turned to the gods of these nations instead, that God had to reject His people. God then sent His own Son, Who never sinned, and therefore death had no control over Him. Having conquered sin and death, Jesus has taken back control of the earth, and the devil is cast out of heaven and has no more access to heaven. Man is therefore restored, but he had to trust in Jesus and what He has done to be redeemed back to God. This is the way of salvation, and God now has accomplished that which was His desire since Adam.

Covenant Broken and Reconciliation Raymond Arazu, 1994 **Broken Covenants**, 1993 Hosea David Allan Hubbard, 2015-06-17 Hosea's bold imagery, a recounting of his own marriage to a prostitute, sets the stage for his message of God's enduring love, righteous judgment, and persistent offer of reconciliation. David Allan Hubbard explores the historical, cultural, literary, and theological dimensions of Hosea's life and message. *The Death of the Messiah and the Birth of the New Covenant* Michael J. Gorman, 2014-06-27 In this groundbreaking book, Michael Gorman asks why there is no theory or model of the atonement called the new covenant model, since this understanding of the atonement is likely the earliest in the Christian tradition, going back to Jesus himself. Gorman argues that most models of the atonement overemphasize the penultimate purposes of Jesus' death and the mechanics of the atonement rather than its ultimate purpose to create a transformed, Spirit-filled people of God. The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus' death as that which brings about the new covenant and thus the new community promised by the prophets, which is also the covenant of peace. Gorman therefore proposes a new model of the atonement that is really not new at all: the new covenant model. He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive, integrated, participatory, communal, and missional model than any of the major models in the tradition. Life in this new covenant, Gorman argues, is a life of communal and individual participation in Jesus' faithful, loving, peacemaking death. Written for both academics and church leaders, this book will challenge all who read it to re-think and re-articulate the

The Story of Original Sin John Toews, 2013-01-15 This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5:12 The book suggests that it is time to move past Augustine's theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world
