Shaw The Neglected Plays:

- Shaw Alfred Turco,1987 **Bernard Shaw's Marriages and Misalliances** Robert A. Gaines,2017-10-25 This book combines the insights of thirteen Shavian scholars as they examine the themes of marriage relationships and partnerships throughout all of Bernard Shaw's major works. It also connects Shaw's own experiences of love and marriage to the themes that emerge in his works showing how his personal relationships in and out of matrimonial bonds change the ways his characters enter and exit marriages and misalliances. While providing a wealth of new analysis, this collection of essays also leaves lingering questions for the reader to spark continuing dialogue in both individual and academic settings.
- Fictions of Power in English Literature** Lee Horsley,2016-07-01 As a result of its imperial role, Britain was closely involved with such romantic and disruptive myths of power such as the imperial adventure hero and the self-deified charismatic leader. Lee Horsley explores fictional representations of political power during this period, surveying a wide range of texts from the adventure story, romance, thriller, and science fiction to the novels of Conrad, Huxley, Orwell, and Greene.
- Women and Comedy** Susan Carlson,2025-10-01 The first comprehensive study of its kind, this book explores the contradictory connections between women and dramatic comedy. *Women and Comedy* shows how a genre that has been used historically to restrict women's behavior is being reconfigured to express women's triumphs. It thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed. Challenging a critical consensus that has seen comedy as a haven for female power, Carlson argues that traditional comedy is deeply sexist, welcoming strong women characters only because it can contain their power. Through an analysis of a range of comedies by Shakespeare, Congreve, Maugham, Shaw, and Ayckbourn, the author shows that even in these plays self-consciously about liberated females, women gain only a limited freedom, a freedom that the endings of the plays work to negate. This negotiation is seen to result in part from the comic structure itself, which privileges a merely temporary inversion and an ultimate return to the status quo. Carlson then examines the transitional work of three writers: Aphra Behn, Henry James, and Ann Jellicoe, whose heroines follow an unorthodox trajectory through their comic worlds. While the work of these writers clearly remains within the mainstream comic tradition, the author notes in them a subtle departure, most notably in their description of the heroine as subject rather than object, which prefigures the full-scale transformations of women in comedy by contemporary women writers. The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change. In making her case for the difference of contemporary comedy by women, Carlson examines the reformulations of structure and character and considers issues of community, self, and sexuality in a broad range of plays by individual playwrights and by the new women's theater collectives. *Women and Comedy* is an important work for students of British drama and will appeal to theater practitioners, critics, feminist scholars, and all those interested in the performing arts.
- Constructions of 'the Jew' in English Literature and Society* Bryan Cheyette,1995-10-26 Combining cultural theory

discourse analysis and new historicism with readings of the works of major contemporary authors this study concludes that the Jew is characterized unstereotypically as the embodiment of uncertainty within English literature and society

Rereading Shepard Leonard Wilcox, 1993-02-15 *Rereading Shepard* draws together 13 original theoretical perspectives on one of America's most important contemporary playwrights Representing a range of critical approaches including semiotics deconstruction and feminism the essays address recent debates emerging in Shepard criticism These include the status of Shepard's texts within the modernist tradition on the one hand and a developing post modernism on the other and the feminist debate over Shepard's drama does it reinforce a masculinist world or does it provide some oppositional stance toward patriarchal master narratives

Conversations with Stanley Kauffmann Stanley Kauffmann, 2003 This collection of interviews with Stanley Kauffmann b 1916 provides a virtual history of the journalistic practice of criticism in twentieth century America His creative life spans seven decades and since 1958 he has been a film and drama critic for the New Republic the New York Times and Saturday Review He also has been an actor stage manager playwright novelist and editor Along with Dwight Macdonald Andrew Sarris and John Simon he is one of the potent influential critics included in the New York school of twentieth century American criticism The Los Angeles Times called him the Dean Swift of our country's criticism Susan Sontag proclaimed him one of our national treasures In this collection of interviews conducted by Charlie Rose Dick Cavett and others he speaks both of the role of theater and film criticism in American culture and of the crisis he perceives within it With wit and erudition Kauffmann discusses many subjects film directors who emerged during his long tenure at the New Republic e g Martin Scorsese and Federico Fellini actors who performed on both stage and screen novels and their film adaptations and the fractious relationship between Hollywood and the independent film movement The precision and concise phrasing of Kauffmann's writing chime also in his brilliant conversations as he speaks of sex taste realism the rise of film festival culture and government subsidy of the arts The volume ends with a conversation from 1998 in celebration of Kauffmann's forty year tenure at the New Republic where he continues to publish film reviews every week The collection reveals this critic's sense of cultural mission by showing how Kauffmann applies to drama and film the same high standards he applies to fiction poetry music and theater *Conversations with Stanley Kauffmann* reveals that this love of the arts is expressed in his finely honed gift for cogent witty wise commentary Bert Cardullo a professor of theater and drama at the University of Michigan has written and edited several books on film and theater and has been published in the Hudson Review the New Republic Literature Film Quarterly South Atlantic Quarterly and other publications

Harrington, 2021-11-21 Over the years American especially New York audiences have evolved a consistent set of expectations for the Irish play Traditionally the term implied a specific subject matter invariably rural and Catholic and embodied a reductive notion of Irish drama and society This view continues to influence the types of Irish drama produced in the United States today By examining seven different opening nights in New York theaters over the course of the last century John Harrington considers the reception of Irish drama on the American stage and explores the complex interplay between drama and audience expectations All of these productions provoked some form of public disagreement when they were first staged in New York ranging from the confrontation between Shaw and the Society for the Suppression of Vice to the intellectual outcry provoked by billing *Waiting for Godot* as the laugh sensation of two continents The inaugural volume in the series *Irish Literature History and Culture* *The Irish Play on the New York Stage* explores the New York premieres of *The Shaughraun* 1874 Mrs Warren's Profession 1905 *The Playboy of the Western World* 1911 *Exiles* 1925 *Within the Gates* 1934 *Waiting for Godot* 1956 and *Philadelphia Here I Come* 1966 *The New Age* Arthur Moore, 1926 **Ma(r)king the Text** Joe Bray, Miriam Handley, Anne C. Henry, 2018-12-20 First published in 2000 this volume is a unique collection of essays which draws our attention to the importance of those textual elements traditionally

ignored in literary criticism These include punctuation footnotes epigraphs typography cover design white space and marginalia features which significantly affect the meaning of a literary text The first section of the book opens with a proposal for a new theory of punctuation The essays which follow are devoted to detailed interpretations of particular marks in the work of individual writers including Spenser Richardson and George Eliot The consequences of this approach to the literary text are examined in the second section of the book which begins with a debate on editorial practice and responsibility and features insights from editors Attention is drawn in particular to the special issues thrown up by dramatic texts translations and electronic editions The relationship of marks to the main text is far from subordinate and we cannot appreciate the full interpretative potential of a text without considering this The essays here compel us to assess the interaction of textual and literary meaning To mark a text is to make it
