Shell Never Want More Than This:

More Than This David Kirby, 2019-08-13 More Than This like David Kirby's previous acclaimed collections is shot through with the roadhouse fervor of early rock n roll Yet these rollicking poems also contain an oceanic feeling more akin to the great symphonies of Europe than the two minute singles of Little Richard and other rock pioneers as Kirby seeks to startle to please to unwind the knots that we get ourselves into and make it possible to begin anew Little goes unnoticed in these poems death is present along with love friendship food religious ardor and philosophical skepticism nights on the town and quiet evenings at home With More Than This his twelfth collection Kirby takes readers back in time and out in space offering quiet wisdom and a sense of the endless possibilities that art and life give us all [The Poems of W.B. Yeats](#) Peter McDonald, 2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats's poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats's poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet This first volume collects Yeats's poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse The pastoral romance of classically inflected early work like The Island of Statues is succeeded in these years by the Irish mythic material that finds its largest canvas in the mini epic The Wanderings of Oisín In Yeats's work through the 1880s an adolescent poet's youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism This edition allows readers to see Yeats's emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo Irish poetry of the nineteenth century The commentary provides an extensive view of Yeats's developing personal cultural and historical worlds as the poems gain in maturity and depth From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as The Lake Isle of Innisfree Yeats's poetry is displayed here in unprecedented fullness and detail , [Eldritch Codicium](#) Bryce Neuberger, 2025-05-07 The Eldritch Codicium is not just a book it's a game of survival Discovered among the ravings of a forgotten madman this cursed tome claims to be the definitive repository of forbidden knowledge on ancient unspeakable horrors But with every page you turn the cost grows Each time you open the Codicium to a random page an Eldritch entity becomes aware of your presence and begins to hunt you To survive you must
