lay out a philosophy for mission trips that does just that Connects what happens on the field with students lives at home To do so she ll draw upon Scripture as well as stories from the 15 years she s spent leading mission trips herself both domestically and internationally Regardless of how few or how many mission trips a youth worker has led Jen s words will leave them feeling inspired and equipped to create a comprehensive missions strategy that has the chance to leave a lasting impact on teens congregations and the world The Short-term Mission Handbook Berry Publishing Services,1992
