Jessica Elbert Decker, Dylan Winchok

Short Stories And Short Fictions 1880 1980:

Short Stories and Short Fictions, 1880-1980 C. Hanson, 1984-12-06 **Short Stories and Short Fictions, 1880-1980**
Clare Hanson, 1985-01-01 *Short Stories and Short Fictions, 1880-1980* C. Hanson, 1985-01-01 **The Short Story and Photography, 1880's-1980's** Jane Marjorie Rabb, 1998 For over a hundred years stories about photographs and photography have reflected the profound uncertainties and inconclusive endings of the modern world For many writers photography supposedly the most realistic of the arts turns out to be the most ambiguous As Jane Rabb observes in her introduction a number of the stories in this collection involve mysteries perhaps because photography has a capacity for both documentary reality and moral and psychological ambiguity Many nineteenth century writers represented here including Thomas Hardy and Sir Arthur Conan Doyle helped make short fiction as respectable as the novel Some of them were even serious photographers themselves The twentieth century is arguably a golden age for both the short story and photography This collection includes examples from a worldly group of writer Eug ne Ionesco Julio Cort zar Michel Tournier and Italo Calvino as well as the Chinese writer Bing Xin and John Updike Cynthia Ozick and Raymond Carver In this wide range of stories varying from sentimental to obsessive to sinister to tragic and even fatal the reader will find provocative examples of the confluence of the short story and photography both once considered the bastard stepchildren of literature and art

Gender and Short Fiction Jorge Sacido-Romero, Laura Lojo-Rodríguez, 2018-10-09 In their new monograph *Gender and Short Fiction Women s Tales in Contemporary Britain* Jorge Sacido Romero and Laura M Lojo Rodriguez explain why artistically ambitious women writers continue turning to the short story a genre that has not yet attained the degree of literary prestige and social recognition the novel has had in the modern period In this timely volume the editors endorse the view that the genre still retains its potential as a vehicle for the expression of female experience alternative to and or critical with dominant patriarchal ideology present at the very onset of the development of the modern British short story at the turn of the nineteenth century **The Mark on the Wall and Other Short Fiction** Virginia Woolf, 2001 I shall never forget the day I wrote *The Mark on the Wall* all in a flash as if flying after being kept stone breaking for months *The Unwritten Novel* was the great discovery however That again in one second showed me how I could embody all my deposit of experience in a shapethat fitted it I saw branching out of the tunnel I made when I discovered that method of approach *Jacob s Room* *Mrs Dalloway* etc How I trembled with excitement The thrill Woolf got from these stories is readily apparent to the reader She wrote them in defiance of convention with a heady feeling of liberation and with a clear sense that she was breaking new ground Indeed if she had not made her bold and experimental forays into the short story in theperiod leading up to the publication of *Jacob s Room* 1922 it seems certain that her arrival as a great modernist novelist would have been delayed Quirky unrestrained disturbing and surprising many of these stories particularly the early ones are essential to an understanding of Woolf sdevelopment as a writer She thought some of her short fiction might be unprintable but happily she

was mistaken **Modernist Short Fiction and Things** Aimée Gasston, 2021-08-10 This book reappraises the philosophical value of short fiction by Virginia Woolf Katherine Mansfield and Elizabeth Bowen examining the stories through the lens of specific everyday objects Looking at Woolf and armchairs Mansfield and snack food and Bowen and fashion accessories it probes the aesthetic resonance between these stories form and contents and also considers the modes of thinking they might promote Conceiving of their short fiction as intrinsically radical and experimental even within a wider context of modernist innovation this book shows how these important women writers brought quotidian objects to riotous life in such a way that tasked readers with reevaluating their everyday existence Overall Modernist Short Fiction and Things argues that short fiction epitomises modernist aesthetics functioning as a resonant source for investigation and complementing and expanding our understanding of modernist epistemology The British and Irish Short Story Handbook David Malcolm, 2012-01-12 The British and Irish Short Story Handbook guides readers through the development of the short story and the unique critical issues involved in discussions of short fiction It includes a wide ranging analysis of non canonical and non realist writers as well as the major authors and their works providing a comprehensive and much needed appraisal of this area Guides readers through the development of the short story and critical issues involved in discussions of short fiction Offers a detailed discussion of the range of genres in the British and Irish short story Includes extensive analysis of non canonical writers such as Hubert Crackanthorpe Ella D Arcy T F Powys A E Coppard Julian Maclaren Ross Mollie Panter Downes Denton Welch and Sylvia Townsend Warner Provide a wide ranging discussion of non realist and experimental short stories Includes a large section on the British short story in the Second World War Kew Gardens and Other Short Fiction Virginia Woolf, 2022-03-31 The ponderous woman looked through the pattern of falling words at the flowers standing cool firm and upright in the earth with a curious expression So heavy the woman came to a standstill opposite the oval shaped flowerbed and ceased even to pretend to listen to what the other woman was saying Virginia Woolf s short fiction has long been acknowledged as the place where she tried out some of her more experimental techniques before adopting and adapting them for use in her novel length works While this is certainly true it is also the case that these short pieces are now increasingly being recognized as important works of art in their own right rather than simply flights of experimental fancy awaiting their full actualization in the novel form This new edition edited by Bryony Randall emphasises the startling variety in Woolf s experimentation during the most productive period of short fiction writing in Woolf s life the late 1910s through to the end of the 1920s It draws readers attention to the deep political engagements evident across the range of her work and on the recent burgeoning of work in modernist print culture to set out the importance of the material context of these works initial publication and reception **Short Story Theories** , 2015-06-29 Short Story Theories A Twenty First Century Perspective problematizes different aspects of the renewal and development of the short story The aim of this collection is to explore the most recent theoretical issues raised by the short story as a genre and to offer theoretical and practical

perspectives on the form Centering as it does on specific authors and on the wider implications of short story poetics this collection presents a new series of essays that both reinterpret canonical writers of the genre and advance new critical insights on the most recent trends and contemporary authors Theorizations about genre reflect on different aspects of the short story from a multiplicity of perspectives and take the form of historical and aesthetic considerations gender centered accounts and examinations that attend to reader response theory cognitive patterns sociolinguistics discourse analysis postcolonial studies postmodern techniques and contemporary uses of minimalist forms Looking ahead this collection traces the evolution of the short story from Chaucer through the Romantic writings of Poe to the postmodern developments and into the twenty first century This volume will prove of interest to scholars and graduate students working in the fields of the short story and of literature in general In addition the readability and analytical transparency of these essays make them accessible to a more general readership interested in fiction British Women Writers and the Short Story, 1850-1930 K.

Krueger, 2014-03-30 This book addresses a critically neglected genre used by women writers from Gaskell to Woolf to complicate Victorian and modernist notions of gender and social space Their innovative short stories ask Britons to reconsider where women could live how they could be identified and whether they could be contained **A Companion to**

the British and Irish Short Story David Malcolm, Cheryl Alexander Malcolm, 2009-01-30 A Companion to the British and Irish Short Story provides a comprehensive treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women s writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain

The Bloomsbury Handbook to Katherine Mansfield Todd Martin, 2020-12-10 Through her formally innovative and psychologically insightful short stories Katherine Mansfield is increasingly recognised as one of the central figures in early 20th century modernism Bringing together leading and emerging scholars and covering her complete body of work this is the most comprehensive volume to Mansfield scholarship available today The Bloomsbury Handbook to Katherine Mansfield covers the full range of contemporary scholarly themes and approaches to the author s work including New biographical insights including into the early New Zealand years Responses to the historical crises the Great War empire and orientalism Mansfield s fiction poetry criticism and private writing Mansfield and modernist culture from Bloomsbury to the little magazines Mansfield and her contemporaries Woolf Lawrence and von Arnim Mansfield and the arts visual culture cinema and music The book also includes a substantial annotated bibliography of key works of Mansfield scholarship from the last 30 years Borderlands and Liminal Subjects Jessica Elbert Decker, Dylan Winchock, 2017-11-15 Borders are essentially imaginary structures but their effects are very real This volume explores both geopolitical and conceptual borders through an interdisciplinary lens bridging the disciplines of philosophy and literature With contributions from scholars around the world

this collection closely examines the concepts of race nationality gender and sexuality in order to reveal the paradoxical ambiguities inherent in these seemingly solid binary oppositions while critiquing structures of power that produce and police these borders As a political paradigm liminality may be embraced by marginal subjects and communities further blurring the boundaries between oppressive distinctions and categories Reader's Guide to Literature in English Mark

Hawkins-Dady,2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **May Sinclair** Rebecca Bowler,2016-12-05 May Sinclair was a bestselling author of her day whose

versatile literary output including criticism philosophy poetry psychoanalysis and experimental fiction now frequently falls between the established categories of literary modernism In terms of her contribution to dominant modernist paradigms she was until recently best remembered for recasting the psychological novel as stream of consciousness narrative in a 1918 review of Dorothy Richardson's Pilgrimage This book brings together the most recent research on Sinclair and re contextualises her work both within and against dominant Modernist narratives It explores Sinclair's negotiations between the public and private the cerebral and the corporeal and the spiritual and the profane in both her fiction and non fiction

A Companion to Virginia Woolf Jessica Berman,2019-04-15 A Companion to Virginia Woolf is a thorough examination of her life work and multiple contexts in 33 essays written by leading scholars in the field Contains insightful and provocative new scholarship and sketches out new directions for future research Approaches Woolf's writing from a variety of perspectives and disciplines including modernism post colonialism queer theory animal studies digital humanities and the law Explores the multiple trajectories Woolf's work travels around the world from the Bloomsbury Group and the Hogarth Press to India and Latin America Situates Woolf studies at the vanguard of contemporary literature scholarship and the new modernist studies Thomas Hardy's Short Stories Juliette Berning Schaefer,Siobhan Craft Brownson,2016-11-18 Thomas

Hardy penned nearly fifty short stories but in spite of this impressive number his contributions to the genre have been relatively understudied Bringing together an international group of scholars this is the first edited collection devoted solely to Hardy's works of short fiction The contributors take up topics related to their publication in periodicals gender and community relationships and narrative techniques Taken together the essays show that Hardy's short stories are important not only for what they tell us about Hardy as a writer who straddles the divide between the traditionalist and the modernist but also for how they reflect and inform the period in which he wrote **Kipling's Art of Fiction 1884-1901** David

Sergeant,2013-10 David Sergeant grew up in west Cornwall and studied English at Oxford where he is now a Junior Research Fellow He is a published poet and has also written on Robert Burns and Ted Hughes **Reference Guide to Short Fiction**

Thomas Riggs,1999 Reference Guide to Short Fiction provides study and commentary on the most instrumental writers of

short fiction through the 20th century International in scope this single scholarly volume includes 779 entries on 377 authors and 402 short stories
