Lord Of The Dance The Mani Rimdu Festival In Tibet And Nepal

Sarah LeVine, David N. Gellner

Lord Of The Dance The Mani Rimdu Festival In Tibet And Nepal:

Lord of the Dance Richard J. Kohn, 2001-05-31 Richard Kohn's book transports the reader to the high Himalayas for an in depth look at the inner workings of the three week long Mani Rimdu festival. This event encapsulates the breadth and depth of the Himalayan Buddhist experience from the profound practices of Great Perfection meditation to the worship of the gods of the neighboring mountains. The festival uses archaic material as well as prayers written by contemporary lamas and it entails the preparation of numerous works of ritual art such as mandalas constructed of colored sand and sculptures of barley flour and colored butter called tormas. Two days of public performance, a day of spiritual empowerment and a day of masked dance complete the festival. A description of Mani Rimdu from beginning to end. Lord of the Dance goes on to consider the structure of Tibetan ritual and its place within the history of South and Central Asian religions. In addition, the author discusses ritual as an art form and analyses the transformation of a textual tradition into performance art. Through the small window of the Himalayan festival, the book overlooks the vast horizon of the Buddhist experience. **Lord of the**

Dance Richard J. Kohn, 2001-06-14 A first hand description of the Mani Rimdu festival of Tibet and Nepal, an event which encapsulates the Himalayan Buddhist experience. **Kun-mkhyen Pad-ma dKar-po's Amitayus Tradition of Vajrayana Buddhist Transformative Care** Bhikshuni Lozang Trinlae, 2017 The book opens fresh ground in Buddhist studies and practical theology by applying phenomenological research methods to empirically discern transformative aspects of contemplative experience using reports elicited directly from contemporary practitioners. The work portrays the experiences of performing Kun mkhyen Pad ma dKar po's 16th c ritual in a practice tradition attributed to the 12th c female Indian teacher Siddharaj i. Preliminary spiritual care and contemplative factor models are presented along with a detailed theoretical process analysis of positive spiritual development as a method of spiritual care through the contemplative action of the liturgy. Bhikshuni Lozang Trinlae is a fully ordained Buddhist monastic, contemplative, practical theologian and chaplain. Founder of Mahaprajapati Vihar hermitage in Solukhumbu, Nepal, her scholarly work is in the areas of contemplative studies and hermeneutics of lived religion and it explores the epistemological and transformative characteristics of religious experience. Series: Pastoral Care and Spiritual Healing, Spirituality & Interkulturell, Vol 6. Subject: Buddhist Studies, Pastoral Care.

Revisiting Rituals in a Changing Tibetan World Katia Buffetrille, 2012-08-03 Through ten contributions written by specialists, this book examines the changes rituals have undergone in Tibet, Nepal and Mongolia in the wake of political and socio-cultural upheavals. **Encyclopedia of Asian American Folklore and Folklife** Jonathan H. X. Lee, Kathleen

Nadeau, 2010-12-21 This comprehensive compilation of entries documents the origins, transmissions and transformations of Asian American folklore and folklife. Equally instructive and intriguing, the Encyclopedia of Asian American Folklore and Folklife provides an illuminating overview of Asian American folklore as a way of life. Surveying the histories, peoples and cultures of numerous Asian American ethnic and cultural groups, the work covers everything from ancient Asian folklore

folktales and folk practices that have been transmitted and transformed in America to new expressions of Asian American folklore and folktales unique to the Asian American historical and contemporary experiences The encyclopedia's three comprehensive volumes cover an extraordinarily wide range of Asian American cultural and ethnic groups as well as mixed race and mixed heritage Asian Americans Each group section is introduced by a historical overview essay followed by short entries on topics such as ghosts and spirits clothes and jewelry arts and crafts home decorations family and community religious practices rituals holidays music foodways literature traditional healing and medicine and much much more Topics and theories are examined from crosscultural and interdisciplinary perspectives to add to the value of the work

Re-imagining South Asian Religions, 2012-12-03 Re-imagining South Asian Religions is a collection of essays offering new ways of understanding aspects of Hindu Tibetan Buddhist Sikh Jain Theosophical and Indian Christian experiences Moving away from canonical texts established authorities and received historiography the essays in this volume draw from a range of methodological perspectives including philosophy history hermeneutics migration and diaspora studies ethnography performance studies lived religion approaches and aesthetics Reflecting a balance of theory and substantive content the papers in this volume call into question key critical terms challenge established frames of reference and offer innovative and alternative interpretations of South Asian ways of knowing and being

Monastic and Lay Traditions in North-Eastern Tibet, 2013-08-22 In recent years the Sino Tibetan frontier regions have attracted increasing scholarly interest The region of Rebkong in Qinghai province is of particular significance because of its unique location on the Sino Tibetan borderland its multi ethnic population and its complex religious history which incorporates both large Geluk monasteries and significant Nyingma and Bonpo lay tantric communities Covering the nineteenth century to the present this volume brings together ten papers that explore the relationship between religion and culture in Rebkong Using insights from anthropology history and religious studies the contributors offer new research and fresh interpretations of this important region on China's periphery discussing issues of ethnicity and identity the role of public institutions and the role of religion and rituals

Tibetan Shamanism Larry Peters, 2016-09-27 Reflecting sixteen years of intensive fieldwork this book is a rich chronicle of the daily lives belief systems and healing rituals of four highly revered Tibetan shamans forced into exile by the Chinese invasion during the 1950s Larry Peters lived and studied closely with the shamans in Nepal learning their belief system observing and participating in their rituals and introducing many dozens of students to their worldview Including photographs of the shamans in ecstatic ritual and trance this book is one of the most extensive ethnographic works ever done on Tibetan shamanism captures the end of Tibetan shamanism while opening a window onto the culture and traditions that survived centuries of attack in Tibet only to die out in Nepal The violent treatment of shamans by the Buddhist lama has a long history in Tibet and neighboring Mongolia At one point shamans were burned at the stake However in the mountainous Himalayan terrain especially in the difficult to reach areas geographically distant from the Buddhist monastic urban centers shamans

were respected and their work revered Peters's authoritative and meticulous research into the belief systems of these last surviving representatives of the shamanic traditions of the remote Himalayas preserves in vivid detail the techniques of ecstasy described as pathways to the shamanic spiritual world *Proceedings of the Tenth Seminar of the IATS, 2003.*

Volume 11: Tibetan Modernities, 2008-05-31 This is the first major publication in the West to study modernity and its impact on contemporary Tibet Based on field work by researchers from the fields of anthropology sociology environmental science literature art and linguistics it presents essays on education economics childbirth environment caste pop music media and painting in Tibetan communities today The findings emerge from studies carried out in Ladakh Golok Lhasa Xining Shigatse and other areas of the Tibetan world It will provide important and sometimes surprising results for students of Tibet China Himalayan studies as well as an important contribution to our understandings of modernity and development in the modern world

Limi, the Land In-Between Astrid Hovden, 2025-02-27 This book examines the art of governing a Himalayan frontier community through local institutions and customary law in the context of extensive socio economic and political change Limi the Land In Between discusses the roles of the village assembly and the Buddhist monastery in local governance and details the monastery's functions as a ritual provider tax collector and its contribution to environmental management and conflict resolution Adopting a longitudinal perspective the author explores how the villagers adapt to shifting Nepali administrative reforms and navigate the dilemmas arising with increasing outmigration as well as other transformations within the broader regional and global context

Travels in the Netherworld Bryan J. Cuevas, 2008-04-02 In *Travels in the Netherworld* Bryan J Cuevas examines a fascinating but little known genre of Tibetan narrative literature about the d lok ordinary men and women who claim to have died traveled through hell and then returned from the afterlife These narratives enjoy audiences ranging from the most sophisticated monastic scholars to pious townsfolk villagers and nomads Their accounts emphasize the universal Buddhist principles of impermanence and worldly suffering the fluctuations of karma and the feasibility of obtaining a favorable rebirth through virtue and merit Providing a clear detailed analysis of four vivid return from death tales including the stories of a Tibetan housewife a lama a young noble woman and a Buddhist monk Cuevas argues that these narratives express ideas about death and the afterlife that held wide currency among all classes of faithful Buddhists in Tibet Relying on a diversity of traditional Tibetan sources Buddhist canonical scriptures scholastic textbooks ritual and meditation manuals and medical treatises in addition to the d lok works themselves Cuevas surveys a broad range of popular Tibetan Buddhist ideas about death and dying He explores beliefs about the vulnerability of the soul and its journey beyond death karmic retribution and the terrors of hell the nature of demons and demonic possession ghosts and reanimated corpses Cuevas argues that these extraordinary accounts exhibit flexibility between social and religious categories that are conventionally polarized and concludes that contrary to the accepted wisdom such rigid divisions as elite and folk monastic and lay religion are not sufficiently representative of traditional Tibetan Buddhism on the ground This

study offers innovative perspectives on popular religion in Tibet and fills a gap in an important field of Tibetan literature

The Taming of the Demons Jacob Paul Dalton, 2011-06-28 The Taming of the Demons examines mythic and ritual themes of violence demon taming and blood sacrifice in Tibetan Buddhism Taking as its starting point Tibet's so called age of fragmentation 842 to 986 C E the book draws on previously unstudied manuscripts discovered in the library cave near Dunhuang on the old Silk Road These ancient documents it argues demonstrate how this purportedly inactive period in Tibetan history was in fact crucial to the Tibetan assimilation of Buddhism and particularly to the spread of violent themes from tantric Buddhism into Tibet at the local and the popular levels Having shed light on this dark age of Tibetan history the second half of the book turns to how from the late tenth century onward the period came to play a vital symbolic role in Tibet as a violent historical other against which the Tibetan Buddhist tradition defined itself **Tibetan Ritual** Jose Ignacio Cabezon, 2009-12-08 This is the first scholarly collection to focus on this important subject Unique in its historical geographical and disciplinary breadth this book brings together eleven essays by an international cast of scholars working on ritual texts institutions and practices in the greater Tibetan cultural world Tibet Nepal Bhutan and Mongolia **The Tibetans** Matthew T. Kapstein, 2013-06-05 This book provides a clear and comprehensive introduction to Tibet its culture and history A clear and comprehensive overview of Tibet its culture and history Responds to current interest in Tibet due to continuing publicity about Chinese rule and growing interest in Tibetan Buddhism Explains recent events within the context of Tibetan history Situates Tibet in relation to other Asian civilizations through the ages Draws on the most recent scholarly and archaeological research Introduces Tibetan culture particularly social institutions religious and political traditions the arts and medical lore An epilogue considers the fragile position of Tibetan civilization in the modern world **Rebuilding Buddhism** Sarah LeVine, David N. Gellner, 2007-09-30 Rebuilding Buddhism describes in evocative detail the experiences and achievements of Nepalis who have adopted Theravada Buddhism This form of Buddhism was introduced into Nepal from Burma and Sri Lanka in the 1930s and its adherents have struggled for recognition and acceptance ever since With its focus on the austere figure of the monk and the biography of the historical Buddha and more recently with its emphasis on individualizing meditation and on gender equality Theravada Buddhism contrasts sharply with the highly ritualized Tantric Buddhism traditionally practiced in the Kathmandu Valley Based on extensive fieldwork interviews and historical reconstruction the book provides a rich portrait of the different ways of being a Nepali Buddhist over the past seventy years At the same time it explores the impact of the Theravada movement and what its gradual success has meant for Buddhism for society and for men and women in Nepal **The Gathering of Intentions** Jacob P. Dalton, 2016-03-29 The Gathering of Intentions reads a single Tibetan Buddhist ritual system through the movements of Tibetan history revealing the social and material dimensions of an ostensibly timeless tradition By subjecting tantric practice to historical analysis the book offers new insight into the origins of Tibetan Buddhism the formation of its canons the emergence of new lineages and ceremonies

and modern efforts to revitalize the religion by returning to its mythic origins The ritual system explored in this volume is based on the Gathering of Intentions Sutra the fundamental root tantra of the Anuyoga class of teachings belonging to the Nyingma Ancient school of Tibetan Buddhism Proceeding chronologically from the ninth century to the present each chapter features a Tibetan author negotiating a perceived gap between the original root text the Gathering of Intentions and the lived religious or political concerns of his day These ongoing tensions underscore the significance of Tibet's elaborate esoteric ritual systems which have persisted for centuries evolving in response to historical conditions Rather than overlook practice in favor of philosophical concerns this volume prioritizes Tibetan Buddhism's ritual systems for a richer portrait of the tradition

The Wiley Blackwell Companion to East and Inner Asian Buddhism Mario Poceski, 2014-02-14 The Wiley Blackwell Companion to East and Inner Asian Buddhism combines outstanding contributions covering Buddhism as it developed and is practiced in this region These newly commissioned essays provide fresh scholarly perspectives on a wide range of concepts texts and practices Offers a comprehensive and balanced survey of Buddhism within East and Central Asia from the time of the Buddha through to the present day Provides fresh perspectives on a wide range of concepts texts traditions doctrines practices and institutions on topics spanning gender roles tantric rituals and the spread of Zen into Europe Brings together cutting edge research by an interdisciplinary and international contributor team including historians literature scholars and historians as well as those from religious studies Presents a panoramic view of the extraordinary richness and variety of local Buddhist expressions and practices within Chinese Korean Japanese and Tibetan cultures

Echoes of Enlightenment Suzanne M. Bessenger, 2016-06-29 Echoes of Enlightenment The Life and Legacy of S nam Peldren explores the issues of gender and sainthood raised by the discovery of a previously unpublished liberation story of the fourteenth century Tibetan female Buddhist practitioner S nam Peldren

The ^ADalai Lama and the Nechung Oracle Christopher Bell, 2021-03-05 Tibetan Buddhism and the Dalai Lama enjoy global popularity and relevance yet the longstanding practice of oracles within the tradition is still little known and understood The Nechung Oracle for example is believed to become possessed by an important god named Peihar who speaks through the human medium to confer with the Dalai Lama on matters of state The Dalai Lama and the Nechung Oracle is the first monograph to explore the mythologies and rituals of this god the Buddhist monastery that houses him and his close friendship with incarnations of the Dalai Lama over the centuries

Challenging Paradigms, 2013-06-15 Buddhism is often portrayed as a universalising religion that transcends the local and directs attention toward a transcendent dharma Yet wherever Buddhism spreads it also sparks local identity discourses that directly or indirectly root the dharma in native soil and history and in doing so frame the local in Buddhist discourse Occasionally notably in Japanese Shinto and Tibetan B n this localising variety of framing of discourse here tentatively termed nativism leads to the establishment of independent traditions that break free from Buddhism yet in other contexts localising trends remain firmly embedded within Buddhism In Challenging Paradigms Buddhism and Nativism

Teeuwen and Blezer offer a comparative study of localising responses to Buddhism in different Buddhist environments in Japan Korea Tibet India and Bali

Thank you very much for downloading **Lord Of The Dance The Mani Rimdu Festival In Tibet And Nepal**.
