Lord Rochesters Monkey:

Lord Rochester's Monkey Graham Greene, 1974 John Wilmot Second Earl of Rochester 1647 1680 was the most notorious of the Restoration rakes He was also a fine lyrical and satirical poet whose work in Graham Greene's opinion has been underestimated because it was overshadowed by his life of lechery and drunkenness wild pranks and practical jokes and death bed repentance At Court King Charles II suffered but respected Rochester's biting satires joined in some of his erotic escapades forgave his embarrassing japes and rewarded him with distinctions The heiress Elizabeth Mallet succumbed to his charm eloped with him and remained constant though not always happy throughout thirteen years of marriage Elizabeth Barry his favorite mistress owed to him her success on the stage and gained his sincere devotion Yet the last thirteen years of Rochester's short life were clouded by the fumes of drink and were marked by outrageous buffoonery an abortive duel and literary quarrels that threatened to wreck his undoubted gifts of friendship These notorious episodes no less than the religious scruples that culminated in his deathbed call to Dr Burnet in 1680 characterize the mental and psychological conflict which was the source of Rochester's finest poetry His friend Etherege depicted him in the stage character of Dorimant I know he is a Devil but he has something of the Angel yet undefaced in him Dust jacket *Lord Rochester's Monkey* Graham Greene, 1976 **LORD ROCHESTER'S MONKEY; BEING THE LIFE OF JOHN WILMOT.** Graham Greene, 1974

Graham Greene in the 1930s Andrew Purssell, 2025-08-12 Graham Greene in the 1930s presents a major new reading of Greene's literary works and critical writings from the 1930s a period of increasing academic interest and importance Greene's works from this period encompass a wide range of forms genres and media capturing the richness and variety of British literary culture between the wars they also reveal its urgent preoccupations and challenges such as the era defining concern with the relationship between politics and art and a corresponding fascination with modernity and mass culture as well as the shifting status of literature itself during the first true media age Graham Greene in the 1930s investigates this major twentieth century author's less considered early works in their original literary historical contexts and in the context of new critical approaches to the decade's literature and culture from the reconsideration within modernist studies of the kinds of interwar writing with its characteristic movement between genres and experimentation typified by early Greene to the current focus on the long 1930s which has seen the decade repositioned at the heart of twentieth century British literary history This book establishes the compelling intersections between early Greene and the literature of the 1930s It puts Greene at the centre of an era of profound and continuous transition and of a remarkable period in twentieth century literary history **Graham Greene** A. F. Cassis, 1981 Covers fifty years of criticism of Graham Greene a leading man of letters on the English literary scene That Second Bottle Nicholas Fisher, 2000-12-15 This book focuses on the historical and current place of religion in the Irish education system from the perspective of children's rights and citizenship It offers a critical

analysis of the political cultural and social forces that have shaped the system looking at how the denominational model has been adapted to increased religious and cultural diversity in Irish society and showing that recent changes have failed to address persistent discrimination and the absence of respect for freedom of conscience It relates current debates on the denominational system and the role of the State in education to competing narratives of national identity that reflect nationalist communitarian or republican political outlooks This book will be essential reading for students and researchers in the fields of education policy and Church State relations in Ireland and will also engage non academic audiences with an interest or involvement in Irish education **Blazing Star** Alexander Larman,2014-07-03 He was THE WICKEDEST MAN

officer Greene sought out the inner narratives of war and politics across the world he witnessed the Second World War the Vietnam War the Mau Mau Rebellion the rise of Fidel Castro and the guerrilla wars of Central America His classic novels including *The Heart of the Matter* and *The Quiet American* are only pieces of a career that reads like a primer on the twentieth century itself *The Unquiet Englishman* braids the narratives of Greene's extraordinary life It portrays a man who was traumatized as an adolescent and later suffered a mental illness that brought him to the point of suicide on several occasions it tells the story of a restless traveler and unfailing advocate for human rights exploring troubled places around the world a man who struggled to believe in God and yet found himself described as a great Catholic writer it reveals a private life in which love almost always ended in ruin alongside a larger story of politicians battlefields and spies Above all *The Unquiet Englishman* shows us a brilliant novelist mastering his craft A work of wit insight and compassion this new biography of Graham Greene the first undertaken in a generation responds to the many thousands of pages of letters that have recently come to light and to new memoirs by those who knew him best It deals sensitively with questions of private life sex and mental illness and sheds new light on one of the foremost modern writers

Rochester and the pursuit of pleasure Larry D Carver, 2024-06-18 *Rochester and the pursuit of pleasure* provides a reading of Rochester's poems dramatic works and letters in a biographical context In doing so it sheds light on a central vexed issue in Rochester criticism the relationship of the poet to his speaker It also reveals that Rochester's work clusters about a central theme the pursuit of pleasure a pursuit motivated by a courtship of purity that grew out of Rochester's Christian and God fearing upbringing This rhetoric of courtship in turn reveals the unity of Rochester's work as the courtier and his various personae try to persuade his audiences secular and divine of his worth

Graham Greene and the Politics of Popular Fiction and Film B. Thomson, 2009-08-26 One of the most popular respected and controversial writers of the twentieth century Greene's work has still attracted relatively little scholarly comment Thomson charts the intricate dance between his novels and screenplays his many audiences and an intellectual establishment reluctant to identify the work of a popular writer as literature

Postmodern Fiction and the Break-Up of Britain Hywel Dix, 2011-11-03 A monograph analysing the symbolic role played by contemporary fiction in the break up of political and cultural consensus in British public life

Dangerous Edges of Graham Greene Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last century's most celebrated authors The first volume to be authorized by the Graham Greene Birthplace Trust *Dangerous Edges of Graham Greene* brings together writers journalists and scholars to investigate as well as to assess Greene's prolific oeuvre and intense personal interests Here the reader may explore everything from Greene's Vienna at the time of the filming of *The Third Man* to his sometimes fraught relationship with Evelyn Waugh from Greene's unconventional fictional treatment of women to his believing skepticism While Greene often informed friends that a ruling passion gives to a shelf of novels the unity of a system critics of his literary art have found it extraordinarily difficult to

define the content of this ruling passion Perhaps this is because Greene s own character seems so paradoxical ironic even Moreover in believing that sin contains within itself the seeds of saintliness he consistently loiters on what Robert Browning calls the dangerous edge of things In exploring this dangerous edge this book covers the full breadth of Greene s life and literary career Passion For Living R E Pritchard,2012-04-26 John Wilmot Earl of Rochester 1647 1680 has long been notorious as one of the most entertaining extravagant and scandalous members of Charles II s court He was also the most brilliant witty and insightful satirist and lyric poet of his time limited only by his early death caused by venereal disease and alcoholism Passion for Living provides a full discussion of his life and writings set in the context of his Times the licentious court of Charles II and his mistresses the Dutch wars and the so called Popish Plot together with close readings and analyses of his love lyrics bawdy songs and shrewd satires related to the life of his contemporaries such as Thomas Hobbes Samuel Butler and John Dryden This informative and readable study will be of interest to both the general reader and the student

John Wilmot, Earl of Rochester Germaine Greer,2000 Written by a renowned scholar and broadcaster this account of Wilmot s work strives to place it in its socio political context and describe the way the poet and his work were co opted after his premature death to serve contrasting political agendas Literary Milieux David Womersley,Richard Anthony McCabe,2008 The essays range from Shakespeare and early modern literature to Wordsworth They evince scrupulous care over the handling of evidence an interdisciplinary impulse yoked always to a prizing of the literary particularly the poetic a willingness to embrace an ambitious argument where it can be supported a humaneness of temper particularly in polemic Latent within them all is a wrestling with the central problem of text and context BOOK JACKET **Libertines and Harlots** Norman Milne,2014-08-25 One of the clubs explored in this book is The Calf s Head Club who celebrated the death of Charles I every year on the 30th January A book of this nature would also be incomplete without the Earl of Rochester the Duke of Wharton Sir Francis Dashwood and Charles II who loved nothing more than a leg of mutton and a whore In the 18th century the notorious members of the Hell Fire Clubs the Knights of St Francis and the Demoniac Club all fornicated around Scotland England and Ireland However out of all the clubs in the 18th century that were in and out of vogue the Beggar s Benison in the kingdom of Fife had to be the strangest Their initiation ritual was rather bizarre and for most people unthinkable to say the least Norman was born in Edinburgh on the 21st July 1961 At sixteen Norman went into the sheet metal working industry He has also worked as a registered silversmith with Edinburgh Assay Office been bouncer a tour guide and has lectured on Scottish history In 2001 he decided to accomplish something more arduous He studied part time at the Open University for two years then at Edinburgh Napier University full time for four years Norman s academic achievements are a certificate in social science an LLB Bachelor of Laws and an MSc in Business Management Both degrees inspired Norman to write his first book Scottish Culture and Traditions which was published in 2010 ISBN 978 1 899820 79 5 His other interests are the restoration of classic motorbikes cooking history and trying to play the violin He is currently a 5th Dan in Shotokan Karate
