Joanna Martin

Lord William Russell And His Wife 1815 1846:

Lord William Russell and His Wife Georgiana Blakiston, 1973 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) **No More Napoleons** Andrew Lambert, 2025-06-24 How for just over a century Britain ensured it would not face another Napoleon Bonaparte manipulating European powers while building a global maritime empire At the conclusion of the Napoleonic Wars a fragile peace emerged in Europe The continent's borders were redrawn and the French Empire once a significant threat to British security was for now cut down to size But after decades of ceaseless conflict Britain's economy was beset by a crippling debt How could this small insular seapower state secure order across the Channel Andrew Lambert argues for a dynamic new understanding of the nineteenth century showing how British policymakers shaped a stable European system that it could balance from offshore Through judicious deployment of naval power against continental forces and the defence strategy of statesmen such as the Duke of Wellington Britain ensured that no single European state could rise to pose a threat rebuilt its economy and established naval and trade dominance across the globe This is the remarkable story of how Britain kept a whole continent in check until the final collapse of this delicately balanced order at the outset of World War One **Wellington: Waterloo and the Fortunes of Peace 1814-1852** Rory Muir, 2015-06-09 The preeminent Wellington biographer presents a fascinating reassessment of the Duke's most famous victory and his political career after Waterloo The Duke of Wellington's momentous victory over Napoleon at the Battle of Waterloo was the culminating point of a brilliant military career Yet Wellington's achievements were far from over He commanded the allied army of occupation in France to the end of 1818 returned home to a seat in Lord Liverpool's cabinet and became prime minister in 1828 He later served as a senior minister in Robert Peel's government and remained Commander in Chief of the Army for a decade until his death in 1852 In this richly detailed work the second and concluding volume of Rory Muir's definitive biography the author offers a substantial reassessment of Wellington's significance as a politician and a nuanced view of the private man behind the legendary hero Muir presents new insights into Wellington's determination to keep peace at home and abroad achieved by maintaining good relations with the Continental powers resisting radical agitation and granting political equality to the Catholics in Ireland Countering one dimensional image of Wellington as a national hero Muir paints a nuanced portrait of a man whose austere public demeanor belied his entertaining gossipy generous and unpretentious private self **Wives and Daughters** Joanna Martin, 2004-07-16 Told through the stories journals and personal letters of the women of the powerful Fox family *Wives and Daughters* is a window into the daily lives and experiences of women of eighteenth century aristocratic society and the country houses that symbolized the power and taste of eighteenth century Britain Combining personality with historical setting and detail Joanna Martin traces the lives of fifteen individual women in their four country houses through several generations in society and at home Taking an intimate and personal look at courtship marriage childbirth education houses and gardens reading hobbies travel and health

this book is an engrossing account of woman s lives in this fascinating time **Love and Marriage in the Age of Jane Austen** Rory Muir,2024-01-01 What happened when Jane Austen s heroines and heroes were finally wed Marriage is at the centre of Jane Austen s novels The pursuit of husbands and wives advantageous matches and of course love itself motivate her characters and continue to fascinate readers today But what were love and marriage like in reality for ladies and gentlemen in Regency England Rory Muir uncovers the excitements and disappointments of courtship and the pains and pleasures of marriage drawing on fascinating first hand accounts as well as novels of the period From the glamour of the ballroom to the pressures of careers children managing money and difficult in laws love and marriage came in many guises some wed happily some dared to elope and other relationships ended with acrimony adultery domestic abuse or divorce Muir illuminates the position of both men and women in marriage as well as those spinsters and bachelors who chose not to marry at all This is a richly textured account of how love and marriage felt for people at the time revealing their unspoken assumptions fears pleasures and delights **The Countess** Tim Clarke,2016-07-15 Leader of society lover of the Prince Regent and contemporary of Georgiana Duchess of Devonshire Frances Villiers had a reputation as a scandalous woman

The Foxite Whigs and Visual Culture, 1780-1810 Callum D. Smith,2025-08-22 This book offers a comprehensive exploration of the intricate relationship between radicalism and sociability in late Georgian parliamentary and extra parliamentary politics focusing on the Foxite Whig faction Re evaluating the significance and tactical use of sociability and radicalism in late eighteenth and early nineteenth century British politics the book charts not only the rise and fall of a leading and neglected British political faction but through its interdisciplinary and thematic focus it seeks to intervene in the field and situate sociability as a key driver and facilitator of late Georgian politics By utilising original research into contemporary newspapers letters diaries legal records parliamentary accounts and especially political caricature the author offers a new methodological approach in the study of sociability and radicalism and presents original categorisations of contemporary sociability The book examines how sociability was strategically employed by the Foxite Whigs and argues for the existence of two primary forms of sociability insular and porous Insular sociability manifested itself through dining drinking to excess or gambling in a private setting with members of the same aristocratic or political order Porous sociability however was the extra parliamentary mechanism by which Fox and his faction tactically opened their insular Whig World to forge connections with the lower orders French revolutionary leaders popular radicals and Irish rebels The author provides a detailed analysis of Foxite sociability within the context of distinct radical themes including plebeian radicalism French Revolutionary radicalism and Irish radicalism Beyond its innovative methodological approach to sociability studies the book foregrounds visual culture as a lens through which to study and enter the wordless experience of the eighteenth century and to view the themes of sociability and radicalism from within In doing so the it reveals the inconsequential or informal dynamics of the Foxites political and extra parliamentary career from their origin in c 1780 to their decline in the early

nineteenth century Aristocratic Women and Political Society in Victorian Britain K. D. Reynolds, 1998 This is a study of gender and power in Victorian Britain It examines the contribution made by women to the public culture of the British aristocracy in the nineteenth century It challenges the view that power and authority were predominantly masculine attributes and shows that a partnership of authority between men and women was integral to aristocratic life The book is thus an important addition to the debate on separate spheres Dr Reynolds explores the roles of aristocratic women in estate management patronage of churches and schools and in caring for the poor and other dependants She shows how women were at the heart of the local communities and institutions on which aristocratic power was based The book goes on to discuss the realm of national politics analysing women's participation in the electoral process in Westminster based political life and at Queen Victoria's court Based on a wide range of previously unused archival sources *Aristocratic Women and Political Society* presents a lively portrait of women's experiences and a corrective to the view of the upper class Victorian woman as a passive social butterfly *England Against the Papacy 1858-1861* C. T. McIntire, 1983-06-09 A detailed study of the political relations between England and the papacy from 1858 to 1861 the decisive years for the unification of Italy

The Anglo-Florentines Diana Webb, Tony Webb, 2019-12-26 This book looks at the variety of Britons who became residents of Florence between the end of the Napoleonic wars and the absorption of Tuscany into the kingdom of Italy Many of them were leisured and some aristocratic a few were writers or artists the British clergy and physicians who ministered to them were gentlemen Many others were shopkeepers merchants and even engineers Some achieved a more profound knowledge of the country and its language than others but all were affected to some degree by the momentous events which led to Italian unification *Lords of Parliament* R. Davis, 1995-03-01 This book provides a series of case studies illuminating the role and character of the House of Lords over two centuries from 1714 to 1914 The figures treated in the essays are Edmund Gibson Bishop of Lincoln and later London the first Earl Cowper the Sixth Earl of Denbigh Lord Thurlow the second Earl Grey the Duke of Wellington the Duke of Bedford and Earls Spencer and Fitzwilliam Lord Derby and Lord Selborne and Bonar Law These figures are all selected for the ways in which their careers shed light in one way or another on key moments and key issues in British political history with particular reference to the evolution of the House of Lords Overall the nine studies show that the role of the House of Lords was much more complicated and much less reactionary than conventional wisdom has allowed

Murder by the Book Claire Harman, 2020-02-04 Early on the morning of May 6 1840 the elderly Lord William Russell was found in his London house with his throat so deeply cut that his head was nearly severed The crime soon had everyone including Queen Victoria feverishly speculating about motives and methods But when the prime suspect claimed to have been inspired by a sensational crime novel it sent shock waves through literary London and drew both Dickens and Thackeray into the fray Could a novel really lead someone to kill In *Murder by the Book* Claire Harman blends a riveting true crime whodunit with a fascinating account of the rise of the popular novel and the early battle for its

soul among the most famous writers of the day **Inheritance** Robert Sackville-West, 2010-05-03 A fascinating memoir of an extraordinary family told through the vast four hundred year old house Knole Changing Pedagogies for Children in Eighteenth-century England Mich le Cohen, 2023 Published in association with BSECS British Society for Eighteenth Century Studies **British Military Spectacle** Scott Hughes Myerly, 1996 In the theater of war how important is costume And in peacetime what purpose does military spectacle serve This book takes us behind the scenes of the British military at the height of its brilliance to show us how dress and discipline helped to mold the military man and attempted to seduce the hearts and minds of a nation while serving to intimidate civil rioters in peacetime Often ridiculed for their constrictive splendor British army uniforms of the early nineteenth century nonetheless played a powerful role in the troops performance on campaign in battle and as dramatic entertainment in peacetime Plumbing a wide variety of military sources most tellingly the memoirs and letters of soldiers and civilians Scott Hughes Myerly reveals how these ornate sartorial creations combining symbols of solidarity and inspiration vivid color and physical restraint enhanced the managerial effects of rigid discipline drill and torturous punishments but also helped foster regimental esprit de corps Encouraging recruitment enforcing discipline within the military and boosting morale were essential but not the only functions of martial dress Myerly also explores the role of the resplendent uniform and its associated gaudy trappings and customs during civil peace and disorder whether employed as public relations through spectacular free entertainment or imitated by rioters and rebels opposing the status quo Dress drills parades inspections pomp and order as this richly illustrated book conducts us through the details of the creation design functions and meaning of these aspects of the martial image it exposes the underpinnings of a mentality and vision that extends far beyond the military subculture into the civic and social order that we call modernity The Politics of Patriotism Jonathan Parry, 2006-11-30 Between the 1830s and 1880s European problems had a profound impact on British politics Jonathan Parry examines the effect on the British Liberal movement of the most significant of these such as the 1848 Revolutions the unification of Italy the Franco Prussian War and the Eastern Question arguing that these European problems made patriotism a major political question governments were judged by their success in promoting British interests abroad but also by the purity potency and Englishness of the political values they represented This volume makes a major contribution towards understanding three important aspects of nineteenth century British history British attitudes to Europe contemporary notions of national identity and the nature and dynamic of British Liberalism Setting foreign and domestic policy discussions in a patriotic framework Parry offers an analysis of the ideas that influenced the Liberal political coalition and the turning points affecting its vigour and unity as a political movement **Class, Servitude, and the Criminal Justice System in Early Victorian London** Allyson N. May, 2024-09-18 This volume draws on the recently discovered and extraordinarily rich scrapbook compiled by prosecuting solicitor Francis Hobler about the 1840 murder of Lord William Russell to consider public engagement with the issues raised from discovery of the murder itself through the ensuing legal

processes The murder of Russell by his valet François Benjamin Courvoisier was a cause célèbre in its own day by virtue of the fact that the victim was a member of one of England's most prominent political families For criminal justice historians the significance of this case lies instead in its timing In 1840 England had neither an official detective force to investigate the murder nor a public prosecutor to undertake the prosecution Those accused of felony had only recently in 1836 won the right to full legal representation and the conduct of Courvoisier's defence was controversial Reaction to Courvoisier's execution was also noteworthy testifying to a new public unease with capital punishment The subject of master and servant relations in early Victorian England is another key component of the book previous studies have not considered the murderer's motivation This book will be of interest to students and scholars of criminal justice and law Victorian England and microhistory *Wellington* Jane Wellesley, 2010-12-30 A highly personal anecdotal family memoir of the Wellington legacy

Jane Wellesley is a member of one of Britain's most illustrious families Her father the 8th Duke of Wellington was born in 1815 a hundred years after the first Duke's momentous victory over Napoleon at Waterloo but only a little over sixty years after the death of his celebrated ancestor When the Iron Duke died Queen Victoria wept with the nation mourning the loss of the greatest man England has known A million and a half people swarmed London's streets to watch his cortege pass on its way to St Paul's Few facts can now be added about the public man but Jane's family memoir animates the First Duke as husband and father as brother and several degrees of grandfather Her journey through this richly compelling family history begins and ends with the first Duke visiting the battlefield of Waterloo with her father to set her fascinating tale in motion Through her parents she reaches back to earlier generations weaving together characters and places establishing connections and exploring in greater depth than usual the Wellington women who are often reduced to footnotes in conventional histories She unearths memories visits places from her parents' past and discovers much about the lives of her grandparents and the generations before them Most of us view the First Duke of Wellington as an iconic figure whose name has been claimed by pubs squares streets and of course rubber boots In this highly personal account the public man gives way to the private and Wellington's legacy is seen through the eyes of those who have followed in his footsteps Jane Wellesley triumphantly succeeds in wresting the Duke from his lonely column to reclaim him for his family and so for the reader **The Peerage, Baronetage, and Knighthood of Great Britain and Ireland for ...** Robert Phipps Dod, 1863

George IV, Regent and King, 1811-1830 Christopher Hibbert, 1975 The personality of the eloquent and unpredictable British monarch is the central focus of a detailed and well researched biography

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Lord William Russell And His Wife 1815 1846**
