Commandments — Humanity's Last Call Adriano Leonel , 2025-06-30 The 12 Commandments Humanity s Last Call Attention Silence everything around you Something eternal is about to happen This book is not a suggestion It is a divine call A cry from God amidst the noise of a generation that has stopped listening You may think you clicked here by chance but know this no step is random when heaven decides to intervene The 12 Commandments Humanity s Last Call is more than a book it is a mirror of your soul a direct confrontation with what you have become and with who you should be There is no room here for half truths for lukewarm gospel for fa ade religiosity Each word was forged with pain prayer tears and truth This book was written with a torn soul with the conviction that there are lives at stake there are eternities being decided right now as you read these lines Within these pages you will find A brutal portrait of today s world immersed in sin indifference and mockery of God A return to forgotten commandments now revealed in a living impactful way in flesh spirit and blood Reflections that will make you cry repent tremble fall to your knees and perhaps for the first time understand how much God loves you and how much you have been running away from Him An urgent call to repentance baptism confession and a change of life This book was not written to please you It was written to save you It doesn t matter if you are a pastor a new convert an atheist or someone who has already forgotten what it means to fear God If you are still breathing there is still time But time is running out Mercy is still available but the clock is ticking Read this book Read it with an open heart with a naked soul as if it were the last message you will receive before eternity Because it might be *Last Call* Ken
