

LORENZA DE'MEDICI

LORENZA'S ITALIAN SEASONS

A still life painting of Italian food. In the center, a dark, reflective plate holds several pieces of golden-brown, flaky pasta or bread. To the right of the plate, there is a small cluster of bright red cherry tomatoes and some fresh green herbs, possibly basil. The background is a soft, out-of-focus landscape with warm, golden light, suggesting a sunset or sunrise. The overall style is that of a classical oil painting.

The unique emotion, flavor and passion that existed have yet to be attained in any other country. Opera houses in Italy are the birthplace of this great art form. They represent its beauty and richness. More than just concrete, stone, glass and wood, they are alive, each with a character and history of its own. This work recreates the social, political, architectural and performance histories of each house by including eyewitness accounts from Italian newspapers, journals and books of the time. It covers more than 50 Italian opera houses and festivals organized by their city of origin and geographic region. Each chapter is a journey back in time, beginning with the first theaters and performances in the city and concluding with an architectural description of the principal theater and a practical information guide for visitors including hotel recommendations. The operatic activities of the main theater including inaugurations, important performances and world premieres are also covered. A photospread along with brief descriptions of opera-related sites including the birthplaces, dwellings and museums of Italy's greatest composers give an even more complete portrait of the art. *Italian Vegetable Garden* Rosalind Creasy, 2019-06-25 Rosalind Creasy, the ingenue of edible landscaping, does it again with *The Edible Italian Vegetable Garden*, an invitation to grow and prepare some of the exceptional varieties of produce for which Italian cooking is so justly famous.
