Dick places Young's affair in the proper context of the time and the choices available to women in 1935 especially a noted Catholic like Young whose career would have been in ruins if the public knew of her tryst With the birth of a daughter who would have been branded a love child Loretta Young reached the crossroads of disclosure and deception choosing the latter path That choice resulted in an illustrious career for her and a tortured childhood for her daughter *Orry Kelly, Miss Weston's Protégé* Robert Parkinson, 2017-10-16 Orry Kelly Miss Weston's Protégé tells the incredible story of one of Hollywood's greatest designers Using never before seen materials photographs and letters Robert Parkinson has compiled years of research into one of the most detailed accounts of Orry Kelly's history Born in Kiama in December 1897 Orry Kelly moved to Sydney as a young man to seek a theatrical career and to study painting Though unsuccessful on the stage he could not be dissuaded from his dream of stage fame Eleanor Weston a well known Kiama businesswoman encouraged Kelly to move to the US where he found his calling designing scenes and costume for film television and the stage Over the course of his career Orry Kelly worked for all of the major studios including Warner Brothers Paramount and Fox dressing many of the well known female stars in some 312 films Though always widely renowned in Hollywood Kelly did not gain his fame in Australia until after his death in 1964 As biographies of movie stars began to appear in the 1980s his fashion styling and costume design came to be highly regarded and worthy of study across several universities and colleges Television: A Biography David Thomson, 2017-03-28 The invention or the quaint piece of furniture wandered into our lives in the 1940s as a primitive plaything a clever if awkward addition to the household It was expensive unreliable and a bit of an invalid Television A Biography In just a few years what used to be an immobile piece of living room furniture which one had to sit in front of at appointed times in order to watch sponsored programming on a finite number of channels morphed into a glowing cloud of screens with access to a near endless supply of content available when and how viewers want it With this phenomenon now a common cultural theme a writer of David Thomson's stature delivering a critical history or biography of the six decade television era will be a significant event which could not be more timely With *Television* the critic and film
