Smith,2004 Elaine May author of *Homeward Bound American Families in the Cold War Era* *Lorraine Hansberry* Charles J. Shields,2025-08-22 The moving story of the life of the woman behind *A Raisin in the Sun* the most widely anthologized read and performed play of the American stage by the New York Times bestselling author of *Mockingbird* A Portrait of Harper Lee Written when she was just

twenty eight Lorraine Hansberry's landmark *A Raisin in the Sun* is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway and the first Black and youngest American playwright to win a New York Critics Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War and her dependence on her white husband, her best friend, critic and promoter. Many of the identity issues about class, sexuality and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life, a very American life through self-reinvention, uses previously unpublished interviews with close friends in politics and theater, privately held correspondence and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

To Be Young, Gifted and Black Lorraine Hansberry, 1996-01-03. Assembled from plays, essays, letters, drawings and photographs, this memoir records the passionate engagement and spectacular accomplishment of the playwright of *A Raisin in the Sun*. It follows Lorraine Hansberry from her childhood in Chicago where her family encountered vicious resistance when it moved into a white neighborhood, through her arrival in New York where the triumph of *A Raisin in the Sun* made her famous virtually overnight, to her death at the tragically early age of thirty-four. Above all, Hansberry's autobiography rings with the voice of its creator, a Black woman who could be angry, loving, bitter, touchingly funny and defiantly proud.

Conversations with Lorraine Hansberry Mollie Godfrey, 2020-12-28. Honorable Mention Recipient of the Modern Language Association Prize for Collaborative Bibliographical or Archival Scholarship. Spanning from the debut of *A Raisin in the Sun* on Broadway in 1959 to her early death from cancer in January 1965, Lorraine Hansberry's short stint in the public eye changed the landscape of American theater. With *A Raisin in the Sun*, Hansberry (1930-1965) became both the first African American woman to have a play produced on Broadway and the first to win the prestigious New York Drama Critics Circle Award. Resonating deeply with the aims of the civil rights movement, *Raisin* also ushered in a new era of Black representation on the stage and screen, displacing the cartoonish stereotypes that were the remnants of blackface minstrelsy in favor of complex, three-dimensional portrayals of Black characters and Black life. Hansberry's public discourse in the aftermath of *Raisin*'s success also disrupted mainstream critical tendencies to diminish the work of Black artists, helping pave the way for future work by Black playwrights. *Conversations with Lorraine Hansberry* is the first volume to collect all of her substantive interviews in one place, including many radio and television interviews that have never before appeared in print. The twenty-one pieces collected here, ranging from just before the Broadway premiere of *A Raisin in the Sun* to less than six months before Hansberry's death, offer an incredible window into Hansberry's aesthetic and political thought. In these conversations, Hansberry explores many of the questions most often put to Black writers of the mid-twentieth century, including everything from her thinking about the

relationship between art and protest universality and particularity and realism and naturalism to her sense of the relationship between Black intellectuals and the Black masses integration and Black Nationalism and African American and Pan African liberation Taken together these interviews reveal the insight intensity and eloquence that made Hansberry such a transformative figure in American letters A Raisin in the Sun Lorraine Hansberry,2004-11-29 Never before in the entire history of the American theater has so much of the truth of Black people s lives been seen on the stage observed James Baldwin shortly before A Raisin in the Sun opened on Broadway in 1959 This edition presents the fully restored uncut version of Hansberry s landmark work with an introduction by Robert Nemiroff Lorraine Hansberry s award winning drama about the hopes and aspirations of a struggling working class family living on the South Side of Chicago connected profoundly with the psyche of Black America and changed American theater forever The play s title comes from a line in Langston Hughes s poem Harlem which warns that a dream deferred might dry up like a raisin in the sun The events of every passing year add resonance to A Raisin in the Sun said The New York Times It is as if history is conspiring to make the play a classic *A Raisin in the Sun* Lorraine Hansberry,Jim Cocola,2002 Get your A in gear They re today s most popular study guides with everything you need to succeed in school Written by Harvard students for students since its inception SparkNotes TM has developed a loyal community of dedicated users and become a major education brand Consumer demand has been so strong that the guides have expanded to over 150 titles SparkNotes TM motto is Smarter Better Faster because They feature the most current ideas and themes written by experts They re easier to understand because the same people who use them have also written them The clear writing style and edited content enables students to read through the material quickly saving valuable time And with everything covered context plot overview character lists themes motifs and symbols summary and analysis key facts study questions and essay topics and reviews and resources you don t have to go anywhere else
