T. B. McGowan,2024-04-10 At the inaugural General Assembly of the World Reformed Fellowship WRF in 2000 I proposed that the WRF could serve the church by writing a new confession of faith for the twenty first century The first reason was that the members of the WRF were drawn from many nations and from many denominations and were using a whole range of confessional statements At the same time there was general agreement that we were all Reformed in theology The second reason was the need for a confessional statement to address the issues the church is facing today The third reason was that all of our confessions were written in Western Europe whereas the leadership in the global church has now moved to the southern hemisphere S cholars from Africa Asia Australasia and South America joined with theologians from Europe and North America to engage in the task The Statement was presented to the WRF General Assembly in April 2010 An invitation was then issued to all members of the WRF to suggest any changes or additions to the text The Statement presented here

was approved by the WRF Bord of Directors in 2011 It is not intended to replace other confessional statements but may be of use to individuals and churches as they reflect on the nature of Reformed Theology and its application to the theological and moral issues which confront the church in the twenty first century

Drama y esperanza - I (Lectura existencial del Antiguo Testamento) Elorza Ugarte, José Luis,2016-11-14 El Antiguo Testamento es rechazado por la mayoría de los cristianos Sus páginas se les hacen ininteligibles o inaceptables básicamente por dos razones porque parecen mitos leyendas cuentos sin valor alguno y porque hieren nuestra sensibilidad humana y cristiana violencia machismo imagen de un Dios omnipotente y castigador Quisieramos una biblia más espiritual sin pecadores ni historias sucias menos manchada por el lodo de este mundo Pero ser a palabra de Dios El Antiguo Testamento es ante todo una escuela de aprendizaje de esperanza para los humanos que caminamos entre barro Con su lectura existencial del Pentateuco y los libros históricos acompañada de una lectura crítica José Luis Elorza pretende mostrar la enorme riqueza humana y espiritual de los relatos bíblicos
