Emerging Research on Networked Multimedia Communication Systems Kanellopoulos, Dimitris, 2015-08-14 Fidelity and Translation Paul A. Soukup, Robert Hodgson, 1999-08 Essays that suggest ways to critically evaluate assess and use new media to communicate the message of Scripture Considers the oral visual and performative nature of the narrative as well as contemporary communication philosophy **Focality and Extension in Kinship** Warren Shapiro, 2018-04-20 When we think of kinship we usually think of ties between people based upon blood or marriage But we also have other ways nowadays called performative of establishing kinship or hinting at kinship many Christians have in addition to parents godparents members of a trade union may refer to each other as brother or sister Similar performative ties are even more common among the so called tribal peoples that anthropologists have studied and especially in recent years they have received considerable attention from scholars in this field However these scholars tend to argue that performative kinship in the Tribal World is semantically on a par with kinship established through procreation and marriage Harold Scheffler long time Professor of Anthropology at Yale University has argued by contrast that procreative ties are everywhere semantically central i e focal that they provide bases from which other kinship ties are extended Most of the essays in this volume illustrate the validity of Scheffler s position though two contest it and one exemplifies the soundness of a similarly universalistic stance in gender behaviour This book will be of interest to everyone concerned with current controversy in kinship and gender studies as well as those who would know what anthropologists have to say about human nature The study of kinship once ruled the discipline of anthropology and Hal Scheffler was one of its magisterial figures This volumes reminds us why Scheffler s powerful analyses of kinship systems often conflicted with the views of his more relativist contemporaries He cut through the fog of theory to emphasise the human essentials namely the importance of the social bonds rooted in motherhood and fatherhood Anthropology in its decades long retreat from the serious study of kinship has lost a great deal This volume points the way to a restoration Peter Wood National Association of Scholars The collected works for keyboard: Music Johann Kaspar Kerll, 1995 Multimedia Networking and Coding Farrugia, Reuben A., Debono, Carl J., 2012-12-31 Advances in multimedia communication systems have enhanced the need for improved video coding standards Due to the inherent nature of video content large bandwidths and reliable communication links are required to ensure a satisfactory level of quality experience inspiring industry and research communities to concentrate their efforts in this emerging research area Multimedia Networking and Coding covers widespread knowledge and research as well as innovative applications in multimedia communication systems This book highlights recent techniques that can evolve into future multimedia communication systems also showing experimental results from systems and applications Marina Bay Sins Neil Humphreys, 2022-03-04 Detective Inspector Stanley Low belligerent bipolar and brilliant A Chinese Singaporean educated in London with a foot in both cities His mission to eradicate violent crime wherever he finds it Low is having a bad

day His bipolar disorder is ruining another session with his psychiatrist and when a murdered prostitute and a dead expatriate are discovered at Singapore's most prestigious hotel in the glamorous Marina Sins Bay he is plunged back into the sordid underworld he was desperate to leave behind Low goes undercover returning to a world that the city refuses to acknowledge a world of gambling addiction crime syndicates international money launderers immoral celebrities and corrupt politicians all living in Asia's cleanest metropolis Marina Sins Bay may be the sparkling embodiment of the island's devotion to economic prosperity yet a corrupt underworld lies within the Monaco of Asia As Inspector Low gets closer to the unpalatable truth he will demand answers to questions that society has chosen to ignore for too long      **The Earliest**
