Lost Scriptures Bart D. Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman's Lost Christianities this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul's female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era

The Lost Books of the Bible and The Forgotten Books of Eden Rutherford Hayes Platt,1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style

The Lost Books of the Bible Frank Crane,2011-05 YOU will find between these covers all the ecclesiastical writings of early Christian authorities that are known to exist and yet were omitted from the authorized New Testament They are published here as a matter of record Whether they are canonical or not at least these writings are of very great antiquity Origins are noted in paragraphs at the front of each book This will enable the reader to form his own conclusions as to the genuineness of the writings These writings are a vivid picture of the minds of men in the post Apostolic period of the Church Discount the statements from the historical viewpoint as you will there remains in these gospels and epistles an earnestness of purpose and zeal to express a message similar to that of our authorized Bible An interesting question naturally arises as to why these writings were cast out in the selection of the material that has come down to us in the authorized version The compilation of the Bible was not an act of any definite occurrence It was a matter complicated and abstruse It was an evolution at the hands of Churchmen of various beliefs and purposes In the formulation of early church doctrines there was dissension personal jealousy intolerance persecution bigotry That out of this welter should have arisen the Bible with its fine inspiration would seem to present a plausible basis for belief in its Divine origin But who can deny that under such vicious and human circumstances much writing of as pure purpose and as profound sincerity as other that is included in the authorized Bible must have been omitted The story of the first council of Nice when Arius was commanded by the Bishop of Alexandria to quit his beliefs or be declared a heretic and his writings were ordered destroyed is eloquent of many things that happened Good men were engaged on both sides of the ecclesiastical controversies

The Bible's Top 50 Ideas Rabbi Dov Peretz Elkins, Abigail Treu, 2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible's Top 50 Ideas Presents the Bible's essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day

The Lost Books of the Bible and The Forgotten Books of Eden Rutherford H Platt, Jr, 2021-07-06 The Lost Books of the Bible is a collection of 17th and 18th century English translations of Apocryphal biblical texts by William Wake and Jeremiah Jones which was first gathered together by William Hone and published collectively in 1820 Supposedly these texts were excised from the official biblical canon over the first few centuries of Christianity Included in this collection are various accounts of Jesus his birth and infant life and epistles of various disciples and other biblical figures The Lost Books of Bible is an essential work for students of biblical history which provides depth and historical context for many of the events regarding Jesus life depicted in the New Testament Also included in this volume is The Forgotten Books of Eden which includes additional Apocryphal texts regarding Adam and Eve as well as biblical works attributed to Enoch Solomon and others If and for what reason these texts were stricken from the official canon by the fathers of the church is not known however contemporary source material does reliably date many of these texts to at least the 2nd century AD if not earlier thus giving them a provenance that can at the very least assert these documents as important in the development of the biblical canon This edition is printed on premium acid free paper and follows the 1926 editions edited by Rutherford H Platt Jr
