Lost Message Of Jesus:

The Lost Message of Jesus Steve Chalke, Alan Mann, 2004 The real Jesus is deeply challenging something which cannot be said for the stain glass window figure of Christian imagery The Lost Message of Jesus is written to stir thoughtful debate to pose fresh questions perhaps even to shed a little new light and help create a deeper understanding of Jesus and his message

Jesus Mark F. Traupman, 2006-09 *The Lost Religion of Jesus* Keith Akers, 2000-11-01 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics rather than a new theology distinguished him and his followers from other Jews It was the earliest followers of Jesus the Jewish Christians who understood Jesus better than any of the gentile Christian groups which are the spiritual ancestors of modern Protestant Catholic and Orthodox churches In this detailed and accessible study Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth

The Lost Teachings of Jesus Mark L. Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries

Restoring Lost Truths Donald Werner, 2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God

Pierced for Our Transgressions Steve Jeffery, Michael Ovey, Andrew Sach, 2007-10-23 The belief that Jesus died for us suffering the wrath of his own Father in our place has been the wellspring of hope for countless Christians through the ages However with an increasing number of theologians church leaders and even popular Christian books and magazines questioning this doctrine which naysayers have described as a form of cosmic child abuse a fresh articulation and affirmation of penal substitution is needed And Jeffery Ovey and Sach have responded here with clear exposition and analysis They make the case not only that the doctrine is clearly taught in Scripture

but that it has an impeccable pedigree and a central place in Christian theology and that its neglect has serious consequences The authors also systematically analyze over twenty specific objections that have been brought against penal substitution and charitably but firmly offer a defining declaration of the doctrine of the cross for any concerned reader

"To Recover What Has Been Lost": Essays on Eschatology, Intertextuality, and Reception History in Honor of Dale C.

Allison Jr. Tucker Ferda, Daniel Frayer-Griggs, Nathan C. Johnson, 2020-11-30 Over the course of his career Dale Allison has enriched our understanding of Jewish and Christian hopes about the end of history advanced nuanced readings of ancient texts in light of their scriptural and cultural conversation partners and deepened our knowledge of the history of biblical interpretation throughout the ages In all of these ways he has sought in the words of T S Eliot to recover what has been lost In *To Recover What Has Been Lost: Essays on Eschatology, Intertextuality, and Reception History in Honor of Dale C. Allison Jr.* leading biblical scholars and historians offer ground breaking studies on Jewish and Christian eschatology, intertextuality, and reception history three areas particularly evident in Allison's scholarship These essays reconstruct the past, advance fresh readings, and reclaim overlooked exegetical insights In so doing they too recover what has been lost

The Lost Gospel of Judas Iscariot Bart D. Ehrman, 2008 The biblical scholar recounts the events surrounding the discovery and handling of the Gospel of Judas and provides an overview of its content in which Judas is portrayed as a faithful disciple

The Big Book of Christian Apologetics Norman L. Geisler, 2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses

The Atonement Debate Zondervan, 2009-05-26 Recent days have seen a debate among evangelicals over how the death of Christ is to be interpreted When a popular British evangelical leader appeared to denounce the idea that God was punishing Christ in our place on the cross as a twisted version of events, morally dubious and a huge barrier to faith that should be rejected in favour of preaching only that God is love, major controversy was stirred Many thought the idea of penal substitution was at the heart of the evangelical understanding of the cross, if not the only legitimate interpretation of the death of Christ Yet for some time less popular evangelical theologians had been calling this traditional interpretation of the atonement into question So is the traditional evangelical view of penal substitution the biblical explanation of Christ's death, or one of many Is it the non-negotiable heart of evangelical theology, or a time-bound explanation that has outlived its usefulness What does the cross say about the character of God, the nature of the law, and sin, the meaning of grace, and our approach to missions The public debate which resulted was often heated In order to act as

reconcilers the Evangelical Alliance and the London School of Theology called for a symposium in which advocates of the different positions could engage with each other The symposium which was attended by some 200 participants was held when the July 7th bombings took place in London and drew together many of Britain s finest evangelical theologians This book contains the collection of papers given at the symposium supplemented by a few others for the sake of rounding out the agenda and grouped in convenient sections

Salvation Accomplished by the Son Robert A. Peterson,2024-06-17 In this unique and insightful work Robert Peterson insists that we look afresh at all that the Bible teaches about who our Savior is and what he has accomplished with the conviction that a careful examination of this teaching will lead us to adoration and worship Peterson explains the saving work of Christ both his deeds and the biblical pictures illustrating them and thereby points to the magnitude of what Jesus did to save sinners Offered here is a substantive significant and enduring treatise on a key Christian doctrine the work of Christ

The Lost Teachings of Jesus, Book 1 Mark L. Prophet,Elizabeth Clare Prophet,2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries

The Message Jesus Preached Shane James,2015-10-27 THINGS WERE DIFFERENT IN THE CHURCH JESUS STARTED We sing songs to Jesus We pray to Jesus But do we really know and understand what Jesus preached Before you say Yes and move on consider these shocking facts Most messages preached today have nothing to do with Jesus core message Christian universities that train pastors missionaries and priests dont have courses that teach what Jesus taught and its been this way for hundreds of years The majority of believers in Christ have little or no understanding of what Jesus said or what He meant when He said it God is realigning His church with the message Jesus preached and Hes doing it to prepare us for Jesus return Get ready for a journey through the Bible that will help you Challenge your Christian experience and knowledge of Jesus teachings Learn the true heart of Christs teachings as recorded in Gods Word Discover the Kingdom life Jesus provided for exemplified and taught Shed any belief barriers that have inhibited your spiritual life to this point Embrace and renew a walk with God that is alive growing fresh and purposeful

The Future for God's People in a Conflict-Ravaged World Michael Kenneth Wilson,2023-12-27 A tragic world ravaged by conflict A world in which powerful political states act ruthlessly with millions upon millions of lives devastated Across the globe from continent to continent in state after state political power is wielded in

ways that are inhumane and dehumanizing Vast numbers of people are the victims of violent religious persecution For many living a godly life brings with it the prospect of considerable suffering and hardship That s the reality painted in the book of Daniel The Future for the Wise in a Conflict Ravaged World provides us with the perspectives we need to face the future as we live in such a world and remain true to the God who rules over it **The Nonviolent Atonement, Second Edition** J. Denny Weaver,2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ s passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver s Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver s original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology *Experiencing God - Day By Day* Jeremy R McCandless,2012-03-16 What has happened that the modern man and woman no longer seem to have intellectual space for the idea of God Why is it that often they would wish to ridicule those who believe in God and dismiss all that arises out of that conviction The purpose of this of this book is to allow us take a step back and look at the foundations of the Christian faith In doing so we might see and experience God in the everyday and how one might communicate these ideas to the man and woman in the street **Atonement Theories** Ben Pugh,2015-02-26 With the subject of the atonement of Christ attracting such a lot of polemical work at this time it is easy to conclude that the current debate is generating more heat than light Atonement Theories presents the beginning student pastor or researcher with an accessible and fair treatment of every school of thought on this subject Atonement Theories significantly updates previous histories of the

doctrine providing analysis of some fascinating and highly significant recent developments. It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture. It aims to empower the reader to quickly gain a working knowledge of current debates and the history behind them.

Apprentice Participant's Guide Steve Chalke, 2009-08-30 The quest for meaning and purpose dwells within all of us. Jesus insisted that its fulfillment lay in a relationship with him. But what does that look like really? *Apprentice* encourages us to ask our most probing questions, embrace our doubts, and learn why we are driven to belong. Designed for use with the *Apprentice* five-session DVD study, use this participant's guide as you follow bestselling author Steve Chalke in guiding us into a deep experience of learning and relationship with Jesus. Embarking on a relational journey that engages us on every level, we learn to walk with Jesus in an organic, whole-life learning experience, exploring areas foundational to the meaning and depth we crave. In five sessions, the author covers the following topics: *Journeying* Life is like a journey best walked one step at a time; *Longing* Satisfaction comes from longing for the things God longs for; *Believing* Our knowledge is always limited; in the end, we have to put our trust in something; *Questioning* Without room for doubt, faith could not exist; *Belonging* Living in community requires trust and love. It is dangerous and risky but ultimately worth the risk. Truth of Our Faith James Killian, 2011-02-28 Killian allows the reader to follow his research to examine the arguments he provides for themselves. In a day and age where the anti-Christianity in youth has become a fad, this book is able to clear away some of the doubt and animosity people feel towards Christianity due to the falsehoods and lack of information presented. Ashley M. Anderson. James Killian simply states the falsehoods others ignore due to their inability to see the truth without one's faith wavering. Using historical facts, he weeds through the Bible and separates fact from fiction. C. D. Harvill. Editor. Music. Art. Trendi10.com. Nightlife. Gulfcoastbands.com. God is Good Martin G. Kuhrt, 2020-07-30 Is the God of the Bible the most unpleasant character in all fiction, as Richard Dawkins claims in *The God Delusion*? He is backed up by former preacher and now virulent atheist Dan Barker, who has cited Scripture seeking to justify every one of Dawkins's infamous character slurs about the God of the Old Testament. Dawkins says the biblical God is jealous and proud of it, a petty, unjust, unforgiving control freak, a vindictive, bloodthirsty ethnic cleanser, a misogynistic, homophobic, racist, infanticidal, genocidal, filicidal, pestilential, megalomaniacal, sadomasochistic, capriciously malevolent bully. Barker has added eight accusations of his own. Dawkins was too kind, he says. The God of the Bible is also a pyromaniac, an angry, merciless, curse-hurling, vaccicidal, aborticidal, cannibalistic slavemonger. Furthermore, Barker thoroughly implicates Jesus in the alleged crimes of his Father. *God is Good* seeks to answer every one of these twenty-seven accusations. Written for theological students, pastors, preachers, thoughtful laypeople who wince at some of what they read in the Bible, and those atheists who are honestly searching for truth, this book ducks none of the difficult questions and problematic passages.
