People speak in these pages of the constant and complex stresses nearly all of them confront on the job but nearly universally they throw themselves without reservation into coping with them Instead of resisting work we seem to adapt to it Some of us love our jobs some of us don't but almost all of us are not quite sure what we would do without one With all the hallmarks of another classic on this subject *Gig* is a fabulous read filled with indelible voices from coast to coast After hearing them you'll never again feel quite the same about how we work
