Being Happy (Even When You Don't Get What You Want) Gina Lake, 2014-02-28 We expect that getting what we want will finally make us happy but what we find is that it mostly just leads to wanting more or wanting something different Our desires toss us to and fro until we tire of this and begin to question the value of following our desires Being Happy Even When You Don't Get What You Want will help you understand desire and its purpose in your life It will also help you discriminate between your Heart's desires and the ego's and to relate to the ego's desires in a way that reduces suffering and increases joy By pointing out the myths about desire that keep us tied to our ego's desires and the suffering they cause Being Happy Even When You Don't Get What You Want will help you be happy regardless of your desires and whether you are attaining them So it is also about spiritual freedom or liberation which comes from following the Heart our deepest desires instead of the ego's desires It is about becoming a lover of life rather than a desirer A review from Neale Donald Walsch author of Conversations with God Conversations with God says that happiness is not getting what you want it is wanting what you get Others have made the same observation and in fact this thought seems to be as old as time Still it is good to hear it again to visit it once more to

largely misrepresent reality If we are not aware of what we believe and not aware that we have a choice about what we believe then our life will be shaped by those mistaken and limiting beliefs and we will be a passive recipient of the results of those beliefs rather than a conscious co creator of our life Beliefs Emotions and the Creation of Reality explores the exciting arena of creation how beliefs determine our internal reality and consequently our external reality how beliefs that stem from the ego and our conditioning distort our perception of ourselves others and reality and specific ways to move beyond these distorted perceptions to a clearer perception of reality and therefore greater happiness and fulfillment This book was dictated to Gina Lake by Jesus It is one in a trilogy of books by Jesus which includes Love and Surrender and Choice and Will The books in the trilogy can be read in any order They are also available in a single volume called The Jesus Trilogy

What Jesus Wants You to Know Today: About Himself, Christianity, God, the World, and Being Human Gina Lake, 2019-05-20 Have you ever wondered what Jesus would teach today or what he would share about his life two thousand years ago What would he say about how to solve the world's problems or about Christianity What would he say about God being human suffering and the meaning and purpose of life The answers to these questions and others are here in these pages Jesus exists and has always existed to serve humanity and one way he is doing this today is through this channel Gina Lake and others In What Jesus Wants You to Know Today Jesus answers many questions about his life and teachings and shares his perspective on the world He brings his message of love once again to the world and corrects the record by detailing the ways that Christianity has distorted his teachings He wants you to know that you too have the potential to be a Christ to be enlightened as he was and he explains how this is possible Knowing the truth is the beginning of changing the world Too many were and still are living according to false beliefs instead of the truth I came to earth to try to change that to be a voice in a vast desert of misunderstandings and I continue to be a voice for truth to the extent that I can from this dimension I never really left you I have never ceased being in service to humanity and your beautiful planet Jesus
