Keegan Callanan

Rational Legitimacy A Theory Of Political Support:

Rational Legitimacy Ronald Rogowski, 2015-03-08 This book confronts one of the central questions of political science how people choose to accept or not to accept particular governments In contrast to the prevailing view that citizens decisions about the legitimacy of their governments are strongly conditioned by political culture and socialization and are hence largely non rational Ronald Rogowski argues that such decisions may indeed be the product of rational choice The book proceeds both from recent work in the theory of voting and constitutional choice and from the older tradition of contract theory to postulate that decisions about legitimacy are really choices among alternative regimes The author suggests that members of a society choose among these alternative regimes on the basis of a knowledge of ethnic and occupational divisions in their society From these postulates a general theory is derived which finds expression in numerous testable hypotheses Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Political Support in Canada Richard A. Preston, E. Donald Briggs, 1983 All governments require popular support and in democracies this support must be maintained by noncoercive means This book analyzes the question of political support in Canada a country in which the maintenance of the integrity of the political community has been and continues to be in the words of the editors the single most salient aspect of the country s political life The nature of popular support is first considered in broad theoretical terms then from the standpoint of those agents most responsible for maintaining support in Canadian democracy then as influenced by particular issues and policies and finally as it affects and is affected by the separatist movement in Quebec

Political Science and Political Theory Jessica Kuper, 2019-11-21 First published in 1987 The key issues concepts and figures relevant to the study of political science and theory today are covered in this volume and useful suggestions for further reading are included In political science topics range from the analysis of voting to decision making philosophical issues from anarchism through human rights to utopianism and the biographies deal with major thinkers such as Arendt Burke Hobbes Marx and Rousseau

Political Legitimation in Communist States T. H. Rigby, Ferenc Feher, 1982-06-18 *Contemporary Political Theory* J. C. Johari, 1987

Encyclopedia of Government and Politics M. E. Hawkesworth, Maurice Kogan, 2004 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far

beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers **Handbook of**

Public Administration W. Bartley Hildreth, Gerald Miller, Evert L Lindquist, 2021-04-26 Public administration as a field of study finds itself in the middle of a fluid environment The very reach and complexity of public administration has been easy to take for granted easy to attack and difficult to explain particularly in the soundbite and Twitter snipe media environment Not only has the context for the discipline changed but the institutions of public administration have adapted and innovated to deliver services to the public and serve those in power while becoming increasingly complex themselves Has public administration evolved And what new lines of research are critical for effective policy and delivery of programs and public services while preserving foundational principles such as the rule of law and expert institutions This Handbook of Public Administration sheds light for new researchers doctoral students scholars and practitioners interested in probing modern public administration s role in solving major challenges facing nations and the world This fourth edition recognizes that the scholarship of public administration must reflect the diverse influence of an international orientation embracing public administration issues and practices in governance systems around the world and illustrating just how practice can vary across jurisdictions Every section identifies foundational principles and issues shows variation in practice across selected jurisdictions and identifies promising avenues for research Each chapter revisits enduring themes and tensions showing how they persist along with new challenges and opportunities presented by digital technology and contemporary political realities The Handbook of Public Administration Fourth Edition provides a compelling introduction to and depiction of the contemporary realities of public administration and it will inspire new avenues of inquiry for the next generation of public administration researchers **Culture, Structure, Or Choice** Paul V. Warwick, 1990-10 truly an intellectual tour de force Even the reader who doesn t agree with all of Warwick s conclusions can t fail to recognize what a tremendous contribution this book makes to the study of culture and political economic change American Political Science Review **Policymaking**

Under Adversity Yehezkel Dror, 2017-09-29 This groundbreaking study systematically treats recent policymaking trends starting with a reconsideration of salient theoretical issues of policymaking and its study and culminating with a survey of current policy related predicaments in various countries Dror proposes that the task for social science research is to uncover underlying causes of policymaking inadequacies Standard research methods Dror states have been unable to uncover the realities of important decisions made inside governments In order to gain an understanding of pressing predicaments he believes that policymakers need to examine the foundations of contemporary practices of present assumptions and that they need a multiplicity of approaches to policymaking After prescribing a set of requirements that policymaking must satisfy in

order to adequately respond to challenges Dror posits several improvements needed in education and in policy decision making The book concludes with an extensive bibliography including numerous important German works not found in other English language studies This book supplements the earlier basic theory and models propounded in Dror s Public Policymaking Reexamined by dealing with current trends As a guide to public policy literature and related works it will be invaluable to students and practitioners

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Problems of Democratization in China Thomas G. Lum, 2015-01-28 While evaluating competing theories of why countries become democratic this study argues why China has not democratized Also discusses are the Communist Party s methods of social control and examines four groups Party and government cadres intellectuals workers and peasants

Indirect Rule David A. Lake, 2024-02-15 Indirect Rule examines how states indirectly exercise authority over others and how this mode of rule affects domestic and international politics Indirect rule has long characterized interstate relationships and US foreign relations A key mechanism of international hierarchy indirect rule involves an allied group within a client state adopting policies preferred by a dominant state in exchange for the dominant state s support Drawing on the history of US involvement in the Caribbean and Central America Western Europe and the Arab Middle East David A Lake shows that indirect rule is more likely to occur when the specific assets at risk are large and governance costs are low Lake s conceptualization of indirect rule sharpens our understanding of how the United States came to occupy the pinnacle of world power Yet the consequences of indirect rule he documents including anti Americanism reveal its shortcomings As US efforts at democracy promotion and other forms of intervention abroad face declining support at home Indirect Rule compels us to consider whether this method of rule ultimately advances US interests

Exploring Revolution Timothy P. Wickham-Crowley, 2019-07-26 This series of essays on insurgency and revolution focuses on events in Latin America since 1956 The contributors discuss revolutionary theory the nature of social movements and models of social action Topics raised include terror guerilla regimes mobilizing peasants and the vulnerability of regimes to revolution

Popular Support for an Undemocratic Regime Richard Rose, William Mishler, Neil Munro, 2011-06-02 To survive all forms

of government require popular support whether voluntary or involuntary Following the collapse of the Soviet system Russia's rulers took steps toward democracy yet under Vladimir Putin Russia has become increasingly undemocratic This book uses a unique source of evidence eighteen surveys of Russian public opinion from the first month of the new regime in 1992 up to 2009 to track the changing views of Russians Clearly presented and sophisticated figures and tables show how political support has increased because of a sense of resignation that is even stronger than the unstable benefits of exporting oil and gas Whilst comparative analyses of surveys on other continents show that Russia's elite is not alone in being able to mobilize popular support for an undemocratic regime Russia provides an outstanding caution that popular support can grow when governors reject democracy and create an undemocratic regime

The Politics of the Postcommunist World Stephen White, Daniel Nelson, 2017-11-01 This title was first published in 2001 This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s The aim is to render accessible to teachers researchers and students an extensive range of essays as a basis for understanding established terrain and new ground

Citizen Support for Democratic and Autocratic Regimes Marlene Mauk, 2020-04-30 Citizen Support for Democratic and Autocratic Regimes takes a political culture perspective on the struggle between democracy and autocracy by examining how these regimes fare in the eyes of their citizens Taking a globally comparative approach it studies both the levels as well as the individual and system level sources of political support in democracies and autocracies worldwide The book develops an explanatory model of regime support which includes both individual and system level determinants and specifies not only the general causal mechanisms and pathways through which these determinants affect regime support but also spells out how these effects might vary between the two types of regimes It empirically tests its propositions using multi level structural equation modeling and a comprehensive dataset that combines recent public opinion data from six cross national survey projects with aggregate data from various sources for more than 100 democracies and autocracies It finds that both the levels and individual level sources of regime support are the same in democracies and autocracies but that the way in which system level context factors affect regime support differs between the two types of regimes The results enhance our understanding of what determines citizen support for fundamentally different regimes help assessing the present and future stability of democracies and autocracies and provide clear policy implications to those interested in strengthening support for democracy and or fostering democratic change in autocracies Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Susan Scarrow Chair of the Department of Political Science University of Houston and Jonathan Slapin Professor Department of Political Science University of Zurich

Religious Persecution and Political Order in the United States David T.

Smith,2015-11-12 Religious freedom is a foundational value of the United States but not all religious minorities have been shielded from religious persecution in America This book examines why the state has acted to protect some religious minorities while allowing others to be persecuted or actively persecuting them It details the persecution experiences of Mormons Jehovah s Witnesses Catholics Jews the Nation of Islam and orthodox Muslims in America developing a theory for why the state intervened to protect some but not others The book argues that the state will persecute religious minorities if state actors consider them a threat to political order but they will protect religious minorities if they believe persecution is a greater threat to political order From the beginning of the republic to after 9 11 religious freedom in America has depended on the state s perception of political threats The Three Yugoslavias Sabrina P. Ramet,2006-06-06 Based on extensive archival research and fieldwork and the culmination of more than two decades of study The Three Yugoslavias is a major contribution to an understanding of Yugoslavia and its successor states **Montesquieu's Liberalism and the Problem of Universal Politics** Keegan Callanan,2018-08-23 Montesquieu s liberalism and critique of universalism in politics often thought to stand in tension comprise a coherent philosophical and political project **Economic Decline and Political Change** Harold D. Clarke,Marianne C. Stewart,Gary Zuk,2010-11-23 In the 1970 s an age of affluence ended abruptly in Canada Great Britain and the United States Skyrocketing inflation persistent unemployment and sluggish growth became new oppressive realities for government and citizens alike This book examines the changes that occurred in economic policymaking on the governmental level and the public s response to such changes This timely collection of essays sheds light on the political economy of three of the world s oldest democracies in an era of economic distress and uncertainty

Rational Legitimacy A Theory Of Political Support Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rational Legitimacy A Theory Of Political Support has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rational Legitimacy A Theory Of Political Support has opened up a world of possibilities. Downloading Rational Legitimacy A Theory Of Political Support provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rational Legitimacy A Theory Of Political Support has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rational Legitimacy A Theory Of Political Support. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rational Legitimacy A Theory Of Political Support. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical

downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rational Legitimacy A Theory Of Political Support, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rational Legitimacy A Theory Of Political Support has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rational Legitimacy A Theory Of Political Support Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rational Legitimacy A Theory Of Political Support is one of the best book in our library for free trial. We provide copy of Rational Legitimacy A Theory Of Political Support in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rational Legitimacy A Theory Of Political Support. Where to download Rational Legitimacy A Theory Of Political Support online for free? Are you looking for Rational Legitimacy A Theory Of Political Support PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rational Legitimacy A Theory Of Political Support. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save

time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rational Legitimacy A Theory Of Political Support are for sale to free while some are payable. If you are not sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
