Reach Becky Robinson, 2022-04-19 Cut through the noise and create the biggest possible audience for your work This book offers a proven method for expanding your reach online so you can make a meaningful difference for others Anyone who makes the bold decision to put their ideas out into the world wants to reach as many people as possible Unfortunately too many think it s a question of numbers the more people you can get in front of the better But true reach is about expanding your audience while making a meaningful and enduring difference that has a lasting impact Reach provides a clear and structured approach to creating a successful online presence that will create the biggest possible impact for any message Becky Robinson shares a framework to cultivate followers that requires four commitments value consistency endurance and generosity When you make these four commitments you ll deliver memorable content on a regular basis while keeping the long term view in mind and being committed to helping and sharing with others Robinson offers guidance on having realistic expectations and meaningful goals encouraging readers to reflect on what they want to accomplish and with whom they want to connect Readers will also learn how to overcome discouragements create and repurpose content and focus on the everyday activities that will spread ideas This is a long term process one that doesn t normally offer immediate results or guarantee the desired outcome But as Robinson reminds us creating from a place of generosity can lead to benefits greater than you can imagine
