The Winning Touch: My Autobiography Stevie Chalmers,Graham McColl,2012-09-13 One of Celtic s greatest ever strikers Stevie Chalmers epitomised the exciting attacking football with which Celtic took Europe by storm during the 1960s It was Stevie who scored the golden goal in the 1967 European Cup final that clinched the great trophy for Celtic and that saw him and his team mates immortalised as the Lisbon Lions Stevie was the Glasgow club s leading scorer in that amazing 1966 67 season when they became the first British club to reign as champions of Europe and in which they scooped up every trophy at home He was also the club s most prolific striker during the 1960s becoming leading goalscorer for Celtic four times during that decade It was appropriate then that it should be Stevie Chalmers who should nip in ahead of everyone five minutes from time in Lisbon to finish off with finesse the challenge of Internazionale of Milan the richest and most successful club in the world It was the most magical moment in Celtic s history and Stevie describes here in fascinating detail just how he came to

be in the right place at the right time to write himself into history Here for the first time Stevie relates key inside details of Celtic s path to glory his own enormous personal battle to overcome a near fatal illness to become a footballer and his sometimes uneasy relationship with Jock Stein the Celtic manager It all underlines the momentousness of his being there to accomplish that match winning feat on Celtic s greatest ever day **Hearts Touched by Fire** Harold Holzer,2011-04-05 In July 1883 just a few days after the twentieth anniversary of the Battle of Gettysburg a group of editors at The Century Magazine engaged in a lively argument Which Civil War battle was the bloodiest battle of them all One claimed it was Chickamauga another Cold Harbor The argument inspired a brainstorm Why not let the magazine s 125 000 readers in on the conversation by offering a series of papers on some of the great battles of the war to be written by officers in command on both sides The articles would be written by generals Union and Confederate alike who had commanded the engagements two decades earlier or if he were not living by the person most entitled to speak for him or in his place The pieces would present both sides of each major battle and would be fair and free of politics In commemoration of the 150th anniversary of the Civil War the most enduring entries from the classic four volume series Battles and Leaders of the Civil War have now been edited and merged into one definitive volume Here are the best of the immortal first person accounts of the Civil War originally published in the pages of The Century Magazine more than a hundred years ago Hearts Touched by Fire offers stunning accounts of the war s great battles written by the men who planned fought and witnessed them from leaders such as General Ulysses S Grant General George McClellan and Confederate captain Clement Sullivane to men of lesser rank This collection also features new year by year introductions by esteemed historians including James M McPherson Craig L Symonds and James I Robertson Jr who cast wise modern eyes on the cataclysm that changed America and would go down as the bloodiest conflict in our nation s history No one interested in our country s past will want to be without this collection of the most popular and influential first person Civil War memoirs ever published *Cassell's Complete Book of Sports and Pastimes* Cassell & Company,1892 Cassell's book of sports and pastimes Cassell, ltd,1892 **Cassell's Book of Sports and Pastimes** ,1882 **The Selected Works of Eric Partridge** Eric Partridge,2021-07-14 This set reissues important selected works by Eric Partridge covering the period from 1933 to 1968 Together the books look at many and diverse aspects of language focusing in particular on English Included in the collection are a variety of insightful dictionaries and reference works that showcase some of Partridge s best work The books are creative as well as practical and will provide enjoyable reading for both scholars and the more general reader who has an interest in language and linguistics **The Japan Daily Mail** ,1905 **Eton College Chronicle** Eton College,1907 **American Illustrated Magazine** ,1950 The Hopkins Touch David L.
