

## WHAT IS REIKI ATTUNEMENT?

The Reiki attunement is a powerful, highly spiritual experience. The process allows a master healer to open the crown, heart, and palm chakras to create a special connection between the student and Reiki source.

The process of energy transfer can be transferred from person to person and a single attunement is all it takes to begin healing with Reiki. Once you have the energy passed to you from a master, it cannot and never will leave you.

Since there are multiple levels of Reiki, you'll need another attunement each time you move up. While you only need one attunement for each level, more than one attunement can however provide additional benefit.

our bodies and this energy life force can be used by Reiki practitioners and by self after you have learnt how to utilize Reiki to heal yourself as well as others Cosmic Ray Attunements Chris Comish,2022-11-09 There are Cosmic Versions of the Planetary Rays The Cosmic Rays are sourced from the Godhead at the Creator level and then filtered through each level cosmic multi universal universal galactic solar and then down to Earth There is not much information on the Cosmic Rays since humanity has only been accessing the rays since the late 1990s The Cosmic Rays are not yet grounded into Mother Earth as most of humanity is not yet ready for them Attuning yourself to the Cosmic Rays is extremely important to accelerate your personal ascension process and that of the entire planet Each attunement to the Cosmic Rays grounds the energies into your being as well as the Earth When enough of humanity has grounded the Cosmic Rays they will begin permanently anchoring into the center of Mother Earth accelerating the beginning of the Golden Age Please read Planetary Ray Attunements by Chris Comish before you take the Cosmic Ray Attunements Reviews Chris is an amazing person with a strong will and unlimited talent He can do anything that he puts his mind to Neal Parks founder Parks Paranormal Research and Investigation host of the show Paranormally Speaking I have no reservations in highly recommending this groundbreaking work from a spiritual pioneer who has made it his life s mission to bring the Light to all mankind Mary Keating Reiki master owner and founder of Ai Kansha cat sanctuary Chris is an amazing man and a greatly gifted healer He is an author of many books on the subject of healing and has changed the lives of many people including my life George Plachy Reiki master and teacher Chris Comish is an exceptional trans channel of Reiki energies and a true blessing in the spiritual energetic healing modalities world I m honored to know him and have been a recipient of his healing work Blane Hoffman Reiki master tattoo artist owner operator Barking Dog Tattooz **Axiatonal Lines Connection Attunement**

**Planetary Ray Attunements** Chris Comish,2022-11-09 The twelve rays are the twelve Planetary Rays that exist on this

planet Earth is a stepped down version of the original Cosmic Rays at the Creator levels. This does not mean they are not powerful; on the contrary, they are perfectly powerful for all of us here on Earth. Each human being is created from many of these rays which give us our attributes. Each of us is stronger in some rays and weaker in others. That is why it is important to call on the rays to balance oneself. If you want personal power, call on the red ray. If you want cleansing, call on the eighth ray. If you are doing scientific work, call on the fifth ray. If you want devotion, call on the sixth ray. If you want transmutation, call on the seventh ray. If you want pure Christ consciousness, call on the twelfth ray. If you want to attract your body of light, call on the ninth ray. Each of the Ascended Masters is a Chohan or Master of a particular ray. This book provides you the tools to call upon the Planetary Rays for healing.
