Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same *Reincarnation in Christianity* Geddes MacGregor, 1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems [May a Christian Believe in Reincarnation?](#) Abbot George (Swami Nirmalananda Giri), 2016-02-05 A growing number of people are open to the subject of past lives and the belief in rebirth reincarnation metempsychosis or transmigration is becoming commonplace But it often thought that belief in reincarnation and Christianity are incompatible But is this really true May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant's article on various scientific moral and historical aspects of reincarnation from a Christian perspective *Can Reincarnation and "Near Death Experiences" be Christian?* Patricia Hofer, 2017-07-14 If you are a Christian who is satisfied by the conventional views of heaven and hell don't read this book However if you feel there are more possibilities for the afterlife than streets of gold and fiery infernos Can Reincarnation and Near Death Experiences be Christian just might include the answers you've been seeking What if the Bible contains the possibility of an intermediate and temporary place a tarrying place for continuing life the Bible shows that some human spirits have returned from that intermediate place throughout human history the living soul of Genesis the one inspired by God's immortal breath

of life is the spirit of consciousness that survives the body as some recent neuroscience research indicates the Bible and Christian believing already contain the possibility for a reprieve for a purifying process a place where we meet and recognize other individuals the forgiveness of seventy times seven required by God is offered by God Wouldn't that open the door to more opportunities many stages of progress After seven books chronicling her Christian walk with the living Savior Patricia Hofer thought she was done writing But the Lord apparently had a different plan These what ifs are the focus of Hofer's eighth book and of her original and compelling research

Reincarnation or Invading Somebody Else's Body Bishop James T. Johnson, 2017-03-01 In this book the author is simply displaying that reincarnation shows real people have really overlooked God as a really diverse God God is not someone who just throws people in hell because they lived a sinful lifestyle That's what Christians have been taught Reincarnation is the principle of God and that anything can happen From my experiences with dealing with reincarnation many people who have died have really had another chance to come back and live another life so that they can get their lives back together with the almighty God who has many many names I can tell you about my own experience in dying and being able to come back again in another body to live once more so I can make things right with the one true God that has many names So what I'm saying once again is that reincarnation is very real In this wonderful book you will learn so many life changing things
