Reinventing Juvenile Justice:

Reinventing Juvenile Justice Barry Krisberg, James F. Austin, 1993-04-28 Recipient of the 1993 American Society of Criminology's August Vollmer Award for distinguished contribution to the profession of criminology Youth violence continues to rise at an alarming rate in a civilization that is being characterized as the most violent in history Global economic transformations weakened family school and church structures and an inefficient juvenile justice system only add to the doomsday projections for troubled youngsters who see little in the way of preventive advocacy *Reinventing Juvenile Justice* presents an honest albeit painful view of the current status of justice for young offenders Could it be that the celebrated children's court has outlived its usefulness This central question is raised by the authors in exploring whether the juvenile court can or should survive in the years ahead With no core constituency in the political arena the pressure to handle more children in adult courts and correctional facilities will only increase and the challenge of needed reform will go unmet Among some of the other issues discussed are juvenile justice laws and court procedures influences on probation petition and detention decisions and the influence of gender and race on taking youth into custody Students and caring professionals will find the invaluable material in this book of tremendous assistance in addressing a generation of young people on whom our world's future depends This book is informative not least about developments in the U S A and is easy to read Youth and Policy The authors have substantial reputations in the field and are well qualified to make recommendations This book compares favorably with books offering different assessments and solutions Choice The book has great market potential as a juvenile justice text and supplemental text It is very readable and well organized It will also have a broad appeal in the practitioner community Youth correction workers probation officers juvenile and family court judges prosecutors public defenders child advocates and youth service workers will find this to be a useful book Ira M Schwartz Professor and Director The Center for the Study of Youth Policy University of Michigan Ann Arbor **Juvenile Justice**, 1993 **Juvenile Justice** Preston Elrod, R. Scott Ryder, 2005 Thoroughly updated and revised the Second Edition of *Juvenile Justice A Social Historical and Legal Perspective* offers readers a comprehensive volume on how the juvenile justice system works This book is designed to help readers understand the complexities of the present juvenile justice system by presenting a thorough examination of the social historical and legal context within which delinquency and juvenile justice occurs In addition to gaining valuable knowledge on the juvenile justice process readers will learn how the different parts of the process are interrelated how decisions made in one case influence future cases and the laws that direct juvenile justice policy **Juvenile Justice: A Social, Historical, and Legal Perspective** Preston Elrod, R. Scott Ryder, 2020-02-20 *Juvenile Justice A Social Historical and Legal Perspective* Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United

States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative learning resources to gauge understanding and help students study more effectively

Special Issue: Reinventing Juvenile Justice National Council on Crime and Delinquency,1993

Handbook of Youth and Justice Susan O. White,2013-11-11 When approached by Plenum to put together a volume of social science research on the topic of youth and justice I found the interdisciplinary challenge of such a project intriguing Having spent 2 years as Director of the Law and Social Science Program at the National Science Foundation I was well aware of the rich diversity of research that could fit within that topic I also knew that excellent research on youth and justice was coming from different communities of researchers who often were isolated from each other in their respective disciplines as psychologists sociologists criminologists or policy analysts I saw this project as an opportunity to break down some of this isolation by introducing these researchers and their work to each other and to the broader community of social scientists interested in law and justice There was another gap or set of gaps to be bridged as well The juvenile justice system and the criminal justice system differ in significant ways and the civil justice system which is a major venue for issues of youth and justice is yet another separate world Few researchers are likely to know the whole picture For example a focus on juvenile justice often ignores the extent to which civil justice proceedings shape the lives of young people through divorce custody adoption family preservation policies and other actions and vice versa

Reforming Juvenile Justice Dan Macallair,1998

Crime Philip Bean,2003 **Introduction to Criminal Justice** Lawrence F. Travis,2001 **Juvenile Justice** Robert W. Drowns,Kären M. Hess,2000 This book offers a highly accessible comprehensive look at the juvenile justice system With pedagogy fully integrated throughout the text readers will easily make the connections between theory and practice The text explores the various programs and processes that exist in the juvenile justice system including prevention efforts through school and community based programs and provides an understanding of the history current state and future of juvenile justice

Criminal Justice in America Randall G. Shelden,William Bud Brown,2003 Finally an alternative critical approach to introductory criminal justice Criminal Justice in America A Critical View paves the way for discussions on controversial issues of racial and economic inequities found in our criminal justice system This text helps students understand the perspective of the typical subjects of the criminal justice system the poor the minorities women and the young all of whom comprise the majority of both victims and victimizers In the words of one reviewer Nowhere have I read an introductory text that simply tells it like it is A text of this kind is long overdue Another reviewer describes Criminal Justice in America A Critical View as a well written introductory criminal justice text that clearly delineates itself from the other leading texts Most important the critical perspective taken by the authors is an excellent depiction of crime and justice

in America Juvenile Justice in America Randall G. Shelden, 2008 **Juvenile Justice** G. Larry Mays, L. Thomas Winfree (Jr.), 2006 The evolution and development of the American juvenile justice system are distilled into an engaging survey in this extensively revised edition In clear authoritative language the text explores the social legal historical and political ramifications of administering justice to American youth The authors draw upon their extensive backgrounds in the field to provide a cogent framework for organizing their discussion one that skillfully blends theory research and practical applications Throughout the text boxed features address international perspectives on contemporary juvenile justice issues as well as discussions of the theoretical explanations of crime and delinquency The authors incorporate numerous data sources to provide a balanced presentation of juvenile justice statistics their multiple interpretations and the trends they indicate Moreover they include well researched material that often is overlooked in other texts including up to date discussions of parole aftercare and nondelinquent children A comprehensive chapter on juvenile gangs illustrates how theory informs research and research in turn informs policy and practice The latest prevention and intervention strategies and programs are covered in a chapter that explores these goals from both philosophical and practical perspectives

BOOK JACKET *Juvenile Justice Sourcebook* Albert R. Roberts, 2004-07-22 Several million reported and unreported delinquent acts take place each year In fact according to the U S Department of Justice and the U S Bureau of Justice Statistics juvenile delinquency acting out and oppositional behavior illegal drugs guns and youth violence are pervasive throughout American society *Juvenile Justice Sourcebook* is the first comprehensive volume devoted exclusively to the biopsychosocial assessment police and juvenile court processing and institutional and community based treatment and rehabilitation of juvenile offenders The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues dilemmas and controversies while providing futuristic visions for the juvenile justice field Each chapter authored by preeminent expert practitioners and researchers explores topics ranging from innovative counseling and multisystemic programs to restorative justice to rehabilitation programs such as aggression replacement training wilderness programs family treatment substance abuse treatment restitution and aftercare This volume grounded in history and exhaustive research presents the latest evidence based policies programs and innovative treatment alternatives Examining the entire juvenile justice system including juvenile law policies practices and research the *Juvenile Justice Sourcebook* will be invaluable to all juvenile justice practitioners policy analysts researchers and students This book has ten special features 1 It provides a comprehensive discussion of the critical issues controversies public policies and intervention strategies and programs of the juvenile justice system 2 It features up to date and poignant case studies to illustrate and profile juvenile drug dealers murderers burglars mentally ill offenders auto thieves violent gang members runaways and youths growing up in violent homes 3 It presents the latest information on prevalence trends and juvenile justice processing and decision making from arrest to intake prosecution adjudication and case disposition 4 It features the latest research evidence that

indicates that putting juvenile offenders into adult jails and secure juvenile institutions leads many juveniles into committing more serious and violent crimes upon release 5 It presents the latest longitudinal research evidence on the 10 model programs most likely to reduce recidivism 6 It provides the latest descriptive information on the types functions and legal responsibilities of the various juvenile justice agencies and institutions 7 It contains a complete discussion on the landmark U S Supreme Court cases on the legal rights of juveniles including death penalty cases of the past and predictions for the year 2020 8 It provides an extensive discussion of the strengths and limitations of institutions residential treatment centers group homes probation family counseling structured wilderness programs vocational training programs and conflict resolution programs in schools skill based programs in juvenile detention group therapy with mentally ill and substance abusing juveniles and restitution electronic monitoring and victim offender mediation programs in probation settings 9 It includes a detailed glossary of key terms and definitions 10 It contains 15 photographs

Introduction to Criminal Justice Robert M. Bohm, Keith N. Haley, 2002 This text presents a broad overview of the criminal justice system in the United States Introduction to Criminal Justice has been updated to include a new chapter on the issues and ethics of policing in the United States expanded features that foster Web research and critical thinking activities A hallmark of Glencoe postsecondary texts Introduction to Criminal Justice now features critical thinking exercises in different venues and formats to facilitate a more flexible learning approach Students will develop their understanding of criminal justice by acquiring a basic knowledge of the law and legal theories Building on this foundation the special features then provide essential exposure to practical issues and develop personal and critical thinking skills to prepare students to deal with situations and dilemmas they could encounter in their Criminal Justice careers

Juvenile Justice Preston Elrod, R. Scott Ryder, 1999 Criminal Justice Law Enforcement **The International Journal of Children's Rights**, 1995 **The Juvenile Justice Century** John C. Watkins, 1998 This book describes the historical roots of American juvenile courts and the development of court philosophy and appellate case law over the past century tracing developments in the courts legislatures and juvenile institutions After discussing events surrounding the court's formation Watkins details specific court operations through case decisions and statutory enactments as well as academic and social commentary regarding the court throughout the twentieth century Special attention is given to the 1960s era and the U S Supreme Court decisions of that decade that have shaped the contemporary juvenile justice system The recriminalization of the juvenile court from the mid 1970s is reviewed along with socio cultural factors that have spurred such a change in court philosophy The book also discusses the issue of capital punishment for juveniles and the pro and con arguments for death eligibility for minors under age eighteen The concluding chapter discusses the future of the so called post modern juvenile court and suggests ways in which the institution may be saved from itself Beginning with a thorough discussion of sociolegal foundations of the juvenile court system Watkins examines key issues and develops a comprehensive understanding of *parens patriae* and treatment orientation An important book with an excellent bibliography

CHOICE Magazine **Handbook of Applied Developmental Science: Enhancing the life choices of youth and families : contributions of programs, policies, and service systems** ,2003 Youth Crime and Juvenile Justice: Children's rights and state responsibilities Barry Goldson,John Muncie,2009 This three volume set of original readings is designed to reveal how and why children and young people have been repeatedly the subject of adult concern censure and intervention It conceptualises notions of childhood youth and adolescence whilst also tracing the complex history of adult intervention and juvenile justice This collection is particularly timely not only because of persistent concerns over out of control youth but also because of an apparent hardening of adult reactions in many jurisdictions Youth justice
