Duncum, 2019-01-14 This book follows the journey of ten churches who underwent church

consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of

those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church. Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy. This is a significant book for denominational leaders, theological lecturers, pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities.

The Purpose Driven Church Rick Warren, 2007-09-04. The issue is church health, not church growth. If your church is healthy, growth will occur naturally. So how do we make healthy churches driven by purpose? In order for any church to thrive, it must be built around the five New Testament purposes given to the church by Jesus Christ. In this classic of Christian church stability, pastor and bestselling author of *The Purpose Driven Life*, Rick Warren unpacks this proven five-part strategy that will enable your church to grow: Warmer through fellowship, Deeper through discipleship, Stronger through worship, Broader through ministry, Larger through evangelism. Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Warren will show you how to concentrate on building people and let God build the church. In other words, healthy, consistent growth is the result of balancing the five biblical purposes of the church. And *The Purpose Driven Church* will show you how to do that. *The Purpose Driven Church* has brought focus and direction to more pastors and church leaders than you can count. What a gift! John Ortberg, bestselling author.

THE CHURCH COMMUNITY IN CONTEMPORARY CULTURE Kieran Beville, 2016-02-12. Once upon a time, Postmodernism was a buzz word. It pronounced Modernism dead or at least in the throes of death. It was a wave that swept over Christendom, promising to wash away sterile, dogmatic and outmoded forms of church. But whatever happened to postmodernism? It was regarded as the start of a major historical transition to something new and promising and hailed as a major paradigm shift. Is it a philosophy that has passed its sell-by date? No. The radical fringe has become the dominant view and has been integrated into all aspects of life, including the Christian church. With the emergence of multicultural societies comes interaction with different belief systems and religions. Values like tolerance and a dislike of dogmatism have become key operating concepts which reflect a change in worldview. This change is affecting every area of life, including the way we believe and what we believe. The effects are far-reaching. Postmodernism presents new challenges and opportunities for Christians. In this book, Kieran Beville presents Postmodernism as a quest for significance, meaning and belonging, and outlines evangelistic strategies for reaching Postmodern people with the abiding good news of the gospel.
