Arrangement of the Scripture Prophecies which Relate to the Restoration of the Jews ... with Illustrations and Remarks, Etc James BICHENO,1800 Protestant Missionaries in the Levant Samir Khalaf,2012-09-10

Through focusing on the unintended by products of New England Puritanism as a cultural transplant in the Levant this book explores the socio historical forces which account for the failure of early envoys attempts to convert the native population Early failure in conversion led to later success in reinventing themselves as agents of secular and liberal education welfare and popular culture Through making special efforts not to debase local culture the missionaries work resulted in large sections of society becoming protestantized without being evangelized An invaluable resource for postgraduates and those undertaking postdoctoral research this book explores a seminal but overlooked interlude in the encounters between American Protestantism and the Levant Using data from previously unexplored personal narrative accounts Khalaf dates the emergence of the puritanical imagination sparked by sentiments of American exceptionalism voluntarism and soft power to at least a century before commonly assumed **Hebrew Union College Monthly** ,1916 Select Notes on the International Sunday School Lessons ... ,1891 Select Notes Francis Nathan Peloubet,1891 *Genesis* Stephen K. Ray,2023-08-10 Everything in the Bible and in the Catholic Church starts with the Book of Genesis The Greek word genesis means beginning and this inspired text reveals to us not only our origins but our purpose our meaning and God s plan for mankind Yet Genesis can be daunting especially given the scientific discoveries of the last few centuries Stephen K Ray author of *Crossing the Tiber* breaks down this sacred and profoundly influential book wrestling with the complex intersection of history and theology Thoroughly Catholic in his approach Ray is unafraid to draw from sources of all kinds from Jewish and Protestant commentaries from archaeology from geography and even from modern literature *Genesis A Bible Study Guide and Commentary* uncovers the excitement and drama of this ancient narrative so often ignored or misunderstood In Ray s reading the Book of Genesis is a shout of joy We can know where we came from We can know who we are We can know our destiny And we are not alone in the universe *The Union Prayerbook for Jewish Worship* Jews,1937 Lessons and Legacies IV ,1991 Essays that illustrate new areas of concern within Holocaust study and that explore neglected issues such as gender and place *The Fighting Rabbis* Albert I. Slomovitz,2001-03 *The Fighting Rabbis* details the compelling history of Jewish military chaplains from their first service during the Civil War to the first female Jewish chaplain and the rabbinic role in Korea Vietnam and Desert Storm Rabbi Slomovitz himself a Navy chaplain opens a window onto the fieldwork religious services counseling and dramatic battlefield experiences of Jewish military chaplains throughout our nation s history **Leisure Resurrected** Jeffrey Paul Crittenden,2023-04-10 As the church emerges from the impact of COVID how will it reimagine its mission With all the disruption COVID caused comes an opportunity for congregations How will the local church organize itself engage with the neighborhood and world and offer pastoral care to a planet dealing with the significant issues heightened during COVID Returning to old patterns of behavior is a wasted chance A theological

opportunity for the church lies in rediscovering the classical aim of leisure The early church during the first two centuries offers us an understanding of leisure quite unique from the dominant expressions of leisure such as Greek *scholē* Roman *otium* and the Jewish Sabbath By exploring early Christian practices we can find insights about leisure for mission today These practices include setting aside a single day of the week to worship sharing in a common meal open to all and following the meal incorporating into nonwork time care and engagement in the health and vitality of the community in the name of Jesus Christ The followers of Jesus were consistent if extraordinary in meeting weekly on the Lord's Day to worship eat together and go out into the neighborhood to live out their faith
