Relaxation For Christians:

Relaxation for Christians H. Newton Malony, Jean Hattem, 1992 Committed Christians striving to live up to their own high standards and struggling to do God's work often neglect their own physical and mental well being But the author reminds those who equate relaxation with idleness that taking time to relax may be an act of faith in God and His power to keep things rolling for a few minutes without your help RELAXATION FOR CHRISTIANS features easy effective exercises for reducing physical stress and equally effective mental exercises designed to slow your racing mind All work together to reduce your vulnerability to mental and physical distress and give you new energy to press on toward your goals Most important the lessons of this little book will help you make your body a fit temple for the Holy Spirit Read it and share it with everyone you love

Christian Meditation Hans Urs von Balthasar, 1989-01-01 When it comes to meditation the decisive question according to Hans Urs von Balthasar is whether God has spoken or whether the Absolute remains the Silence beyond all words Christianity claims God has spoken and spoken fully in his Son the Word made flesh While God remains mysterious he is not utterly unknown or unknowable Von Balthasar insists through Christian meditation we enter with mind and heart into God's self disclosure In Jesus God reveals his own inner depths to us At the same time because Jesus is God made man he also reveals our inner depths to ourselves Christian Meditation is at once a book about what meditation is in light of God's revelation and a book that assists believers to meditate In a treatment that is both fresh and profound von Balthasar describes the central elements of all Christian meditation provides a guide for meditation and then points the way to the union that prayer achieves in the footsteps of Mary within the Church and in and for the world Christian meditation is entirely trinitarian and at the same time entirely human In order to find God no one need reject being human personally or socially but in order to find God all must see the world and themselves in the Holy Spirit as they are in God's sight Hans Urs von Balthasar *Meditation for Christians* Bradley Dean Stephan, 2001

DeWitt, 2010-12

Christians Have you ever been told that meditation is not Christian or that it has no biblical basis Do you long for a deeper and more personal relationship with God Today's Christians have too often misunderstood meditation and its place in their faith tradition Many of us have heard that meditation belongs only to Buddhism or other Eastern spiritual practices In this short volume William E DeWitt outlines the scriptural basis for meditation and how it allows us to find the Holy Spirit within

ourselves We spend most of our time in our busy minds but meditation leads us from our minds to our hearts where Christ lives Unlike basic meditation which is often centered on the self Christian meditation helps us make Christ the center of our lives It is not a technique DeWitt emphasizes but a spiritual discipline A lifelong Christian DeWitt discovered later in life that regular meditation adds a rich dimension to his faith enhancing his understanding of the Bible and deepening his relationship not only with God but with those around him In simple straightforward language he demystifies meditation practice the greatest experience of God's grace he has ever known besides salvation itself If you are seeking a more peaceful heart and greater spiritual fulfillment learn more about what DeWitt calls this gift from God *Christian Meditation for Beginners*
