Is Anyone There?** Roger Philip Abbott,2014-11-10 According to the Bible the God of Christianity has a reputation for answering prayer However many Christians have been sometimes severely tempted to think they have been sold short as they have found themselves in some crisis and have cried out to God in all sincerity and found that he has been out From years of pastoral experience in addressing crises and after having to face crises in his own experience Roger Abbott attempts to help Christians who are struggling with what seem to be very real instances of God not answering their heartfelt prayers There are many books about prayer but there are not many that attempt to face the huge struggles with prayer that pray ers can face This book while refusing to shirk those struggles and the debilitating emotional impact they can have also attempts to navigate those emotional struggles with the use of a practical theology Some Christians think other Christians pray Hello Is Anyone There combines a passion for thoughtful theology and a passion for prayer out of a passion for a relationship with God in Christ

Dominus Steven Saylor, 2025-10-16 Following his international bestsellers Roma and Empire Steven Saylor's Dominus continues his saga of the greatest most storied empire in history from the eternal city at the very center of it all A D 165 The empire of Rome has reached its pinnacle Universal peace the Pax Roma reigns from Britannia to Egypt from Gaul to Greece Marcus Aurelius as much a philosopher as he is an emperor oversees a golden age in the city of Rome The ancient Pinarius family and their workshop of artisans embellish the richest and greatest city on earth with gilded statues and towering marble monuments Art and reason flourish But history does not stand still The years to come bring wars plagues fires and famines The best emperors in history are succeeded by some of the worst Barbarians descend in endless waves eventually appearing before the gates of Rome itself The military seizes power and sells the throne to the highest bidder Chaos engulfs the empire Through it all the Pinarius family endures thanks in no small part to the protective powers of the fascinum a talisman older than Rome itself a mystical heirloom handed down through countless generations But an even greater upheaval is yet to come On the fringes of society troublesome cultists disseminate dangerous and seditious ideas They insist that everyone in the world should worship only one god their god They call themselves Christians Some emperors deal with the Christians with toleration others with bloody persecution Then one emperor does the unthinkable He becomes a Christian himself His name is Constantine and the revolution he sets in motion will change the world forever Spanning 160 years and seven generations teeming with some of

ancient Rome's most vivid figures Saylor's epic brings to vivid life some of the most tumultuous and consequential chapters of human history events which reverberate still The Nehemiah Factor (Revised and Expanded) Dr. Frank S.

revolutionary change *Lost Illumination* K.C. Dunford, 2016-02-25 When an eerie voice interrupts Christian's ordinary life the familiar scene of the Fall Valley Boarding School crumbles into uncertainty Soon this boy's worries are shifted from the troubles of his past to the terrifying disturbances that haunt him at every turn In a matter of days the menacing voices and shadowy shapes become the least of his troubles Christian decides that he must face his foes or live forever in fear In doing so a mysterious force drags him into a strange and unfamiliar land where the unnatural terrors are somehow perfectly catered to torment him It isn't long before Christian is discovered by the inhabitants of this new realm A peculiar but seemingly trustworthy fellow leads him to safety and introduces him to an ancient kingdom that has been lost for ages Christian may think himself a victim of circumstance but he soon discovers that he has been chosen to determine the fate of an ancient people The task may seem impossible but if Christian does not succeed hundreds of lives may be lost and billions cursed forever The terrors are relentless the secrets are endless and the expectations that are thrown upon this thirteen year old boy are almost overwhelming The past may have stolen his hope for the future but Christian must decide if he has the courage to abandon his doubts and seize the path to a truly unfathomable destiny *Catalog of Copyright Entries* Library of Congress.
