Dharma Paul Carus,1918 **Sanâtana Dharma** ,1903 *Sanâtana Dharma* ,1916 **The Dharma, Or the Religion of Enlightenment** Paul Carus,2017-01-25 This is a new edition of one of the little manuals of Buddhism which Dr Carus has published at intervals for several years and of which his Gospel of Buddha is probably the best known The Dharma which means The Law is not a continuous narrative but a selection of characteristic excerpts such as the Noble Eightfold Path the Four Noble Truths and similar passages many of which Dr Carus has turned into verse We confess though perhaps ours is a minority view that we prefer the most literal prose translation in all such works But it seems that Dr Carus has been somewhat oppressed with the baldness and dryness of the Pali Buddhist books It has always seemed to us that most of these books should be compared not with the books of the New Testament but with the brain spun treatises of the medieval Schoolmen they all show that they have passed through the minds of dried up ecclesiastics and we must seek for the source of the religious enthusiasm which made Buddhism a great missionary religion elsewhere than in these almost algebraic treatises We are inclined to take exception to Dr Carus description of the Vedanta and especially the Upanishads as Brahmanism Real Brahmanism consisted of the Vedic sacrificial system lined by ancestorworship The Upanishads as they themselves tell us convey the teaching not of the Brahmins but of the Rajputs and sharply attack the Brahmanical system So does the Bhagavad Gita which declares itself to be the doctrine of the Rajput sages Buddhism is the third Rajput revelation and only to be understood in connection with its two predecessors After all it seems to us that Edwin Arnold s Light of Asia remains far the truest Western presentation of the religion of Siddhartha the Compassionate C J The Theosophical Quarterly Volume 5 *MahaDharma: the religion of human liberation from the darkness of ignorance!* Maharshi MahaManas (Sumeru Ray) ,2022-11-29 Manav Dharma that is Basic natural Religion of human beings or Humanism That religion is practiced spontaneously without any effort for mind development and human development The surest way to a better life MahaDharma is the embodiment of this abstract natural human religion Manav Dharma MahaDharma has emerged to bring people back to their normal religion for real human development and peace Summary Because you have a conscious mind you are human But your conscious mind is not yet developed enough To become a well developed human being you need to develop this mind And that is your primary religion You were born as a human being so the first and foremost goal of your life is to become a full fledged human being With the goal of life to know yourself and this worldly system always try to be alert Be diligent to make yourself a real and all round developed human being Whether you belong to a conventional religion by birth or intention your first identity is that you are a human being As a human being your main and fundamental religion is natural human religion ManavDharma And this normal human religion is the MahaDharma The main thing is to develop the human mind with overall well being We are here on an educational journey Gaining high to higher consciousness is the underlying purpose of human life Here the more we become conscious through knowledge experience the more we will benefit From a spiritual point of view nothing will go with us when we leave here except the consciousness First of all we have to understand
