Religion And Leisure In America A Study In Four Dimensions:

Religion and Leisure in America Robert Lee, 1964 Presents the problem of leisure from the social psychological historical and theological perspectives , The Palgrave Handbook of Leisure Theory Karl Spracklen, Brett Lashua, Erin Sharpe, Spencer Swain, 2017-04-18 This is the first handbook devoted entirely to leisure theory charting the history and philosophy of leisure theories in religion and culture and rational theories of leisure in the Western philosophical tradition as well as a range of socio cultural theories from thinkers such as Adorno Bauman Weber and Marx Drawing on contributions from experts in leisure studies from around the world the four sections cover traditional theories of leisure rational theories of leisure structural theories of leisure and post structural theories of leisure The Palgrave Handbook of Leisure Theory is essential reading for students and scholars working in leisure studies social theory as well as those working on the problem of leisure in the wider humanities and social sciences **Whatever Happened to the Leisure Society?** A. J.

Veal, 2018-10-10 The idea of a leisure society was in its heyday in the 1960s and 1970s when it was predicted that the pattern of falling working hours which had been experienced in Western societies in the first half of the twentieth century would continue indefinitely The leisure society has clearly not been realised On the contrary contemporary industrial societies seem to be characterised by a shortage of time experienced as time squeeze and stress The leisure society idea can be seen as the modern version of the age old dream of a life of ease and plenty This analytically and empirically rich book traces the idea in history through biblical classical Greek medieval and nineteenth century utopian writings and into twentieth century concerns with dystopia and the impact of rapid technological change The leisure society concept turns out to have been an elusive and short lived phenomenon For a variety of reasons the trend towards shorter working hours ran out of steam in the last quarter of the twentieth century However while leisure scholars have deserted the topic a diverse range of activists including environmentalists economists and feminists continue to make the case for reducing working hours **Whatever Happened to the Leisure Society** concludes that the on going struggle for time should be supported for the sake of human health and well being and for the sake of the planet This is a valuable resource for students and academics in the fields of leisure studies cultural studies history economics sociology and political science **Leisure and Spirituality (Engaging Culture)** Paul Heintzman, 2015-03-10 This addition to the award winning Engaging Culture series explores the link between leisure and spirituality offering a Christian perspective on leisure concepts and issues in contemporary society Paul Heintzman a respected scholar and experienced recreation practitioner interacts with biblical historical and contemporary leisure studies sources to provide a comprehensive understanding of leisure He also explains the importance of leisure for spiritual growth and development This work will appeal to professors and students as well as practitioners in the recreation and leisure services field youth and college pastors and camp ministries **Race, Ethnicity, and Leisure** Monika

Stodolska, Kimberly J. Shinew, Myron F. Floyd, Gordon Walker, 2013-09-04 Race and ethnicity have a significant impact on

leisure behavior and activity choices Yet until now no book has thoroughly explored that impact though this topic is critical for leisure professionals to understand as they shape services and programs to meet the needs of the diverse populations they serve Race Ethnicity and Leisure Perspectives on Research Theory and Practice brings together 28 world renowned researchers who provide a comprehensive review and unified perspective on leisure in relation to five minority populations in the United States and Canada African Americans Latino Americans Asian North Americans Indigenous peoples and religious minority groups This text offers a compendium of knowledge as it synthesizes leisure research on race and ethnicity and discusses how changing demographics will affect leisure behaviors and activities in the 21st century explains the leisure behaviors and participation patterns of racial and ethnic minority groups in the United States and Canada explores issues including natural resource recreation physical activity and health tourism and sport as they relate to recreation activities among minorities and presents an international perspective delving into the leisure behaviors of minority groups in Europe Australia New Zealand and East Asia Race Ethnicity and Leisure examines the current theories and practices related to minority leisure and reviews numerous issues related to these diverse groups leisure including needs and motivations constraints and discrimination The authors consider leisure behavior of ethnic and racial groups investigating issues such as types of recreation participation among specific groups recreation in specific environments and factors affecting participation The book also suggests future directions in research and professional practice guiding students and professionals in addressing the demographic changes in the U S and Canadian populations The result is an unprecedented text that offers an extensive look at the changing landscape of recreation leisure pursuits our world and the populations that are driving these changes As such Race Ethnicity and Leisure is an essential text for those preparing to enter the recreation and leisure field

Overwhelmed Brigid Schulte, 2014-03-11 Can working parents in America or anywhere ever find true leisure time According to the Leisure Studies Department at the University of Iowa true leisure is that place in which we realize our humanity If that's true argues Brigid Schulte then we're doing dangerously little realizing of our humanity In Overwhelmed Schulte a staff writer for The Washington Post asks Are our brains our partners our culture and our bosses making it impossible for us to experience anything but contaminated time Schulte first asked this question in a 2010 feature for The Washington Post Magazine How did researchers compile this statistic that said we were rolling in leisure over four hours a day Did any of us feel that we actually had downtime Was there anything useful in their research anything we could do A New York Times bestseller

Overwhelmed is a map of the stresses that have ripped our leisure to shreds and a look at how to put the pieces back together Schulte speaks to neuroscientists sociologists and hundreds of working parents to tease out the factors contributing to our collective sense of being overwhelmed seeking insights answers and inspiration She investigates progressive offices trying to invent a new kind of workplace she travels across Europe to get a sense of how other countries accommodate working parents she finds younger couples who claim to have figured out an ideal division of chores childcare and meaningful paid work Overwhelmed is the story of what she found out **Journal of Leisure Research** ,2007 **Free Time** Graham Neville,2004-05-27 For centuries Christian teachers saw leisure only as a necessary accompaniment of work a time for the recovery of strength so that work could be resumed But now the expansion of leisure requires a theological reassessment These essays are offered as a contribution to that process In this book hints are taken from a wide variety of theologians from Augustine and Thomas Aquinas to Pascal Klerkegaard Berdyaev Barth and Moltmann as well as from sociological writers such as Thorstein Veblen and Josef Pieper There are also thematic discussions of fantasy and imagination of freedom and boredom and of play games and laughter The intention is to stimulate discussion not to make definitive statements *Theology, Ethics and Transcendence in Sports* Jim Parry,Mark Nesti,Nick Watson,2011-04-12 This book provides an inter disciplinary examination of the relationship between sport spirituality and religion It covers a wide range of topics such as prayer and sport religious and spiritual perspectives on athletic identity and flow in sport theological analysis of genetic performance enhancement technologies sectarianism in Scottish football a spiritual understanding of sport psychology consultancy in English premiership soccer and how Zen may be useful in sports performance and participation As modern sport is often intertwined with commercial and political agendas this book also provides an important corrective to the win at all costs culture of modern sport which cannot always be fully understood through secular ethical inquiry This is a unique and important addition to the current literature for a wide range of fields including theology and religious studies psychology health studies ethics and sports studies *Electronic Hearth* Cecelia Tichi,1992-10-29 We all talk about the tube or box as if television were simply another appliance like the refrigerator or toaster oven But Cecilia Tichi argues that TV is actually an environment a pervasive screen world that saturates almost every aspect of modern life In *Electronic Hearth* she looks at how that environment evolved and how it in turn has shaped the American experience Tichi explores almost fifty years of writing about television in novels cartoons journalism advertising and critical books and articles to define the role of television in the American consciousness She examines early TV advertising to show how the industry tried to position the new device as not just a gadget but a prestigious new piece of furniture a highly prized addition to the home The television set she writes has emerged as a new electronic hearth the center of family activity John Updike described this primitive appeal of the hearth in *Roger's Version* Television is its irresistible charm a fire Entering an empty room we turn it on and a talking face flares into being Sitting in front of the TV Americans exist in a safety zone free from the hostility and violence of

the outside world She also discusses long standing suspicions of TV viewing its often solitary almost autoerotic character its supposed numbing of the minds and imagination of children and assertions that watching television drugs the minds of Americans Television has been seen as treacherous territory for public figures from generals to presidents where satire and broadcast journalism often deflate their authority And the print culture of journalism and book publishing has waged a decades long war of survival against it only to see new TV generations embrace both the box and the book as a part of their cultural world In today s culture she writes we have become teleconscious seeing for example real life being certified through television as seen on TV and television constantly ratified through its universal presence in art movies music comic strips fabric prints and even references to TV on TV Ranging far beyond the bounds of the broadcast industry Tichi provides a history of contemporary American culture a culture defined by the television environment Intensively researched and insightfully written *The Electronic Hearth* offers a new understanding of a critical but much maligned aspect of modern life

Faith and Doubt Norman Lamm,2006 Presents a collection of studies on modern intellectual challenges from the perspective of Modern Orthodox Judaism Themes range from comparative law to metaphysics with a chapter on Law and Morality new to this edition **Torn from the Nest** Clorinda Matto de Turner,1999-04-29 Clorinda Matto de Turner was the first Peruvian novelist to command an international reputation and the first to dramatize the exploitation of indigenous Latin American people She believed the task of the novel was to be the photograph that captures the vices and virtues of a people censuring the former with the appropriate moral lesson and paying its homage of admiration to the latter In this tragic tale Clorinda Matto de Turner explores the relationship between the landed gentry and the indigenous peoples of the Andean mountain communities While unfolding as a love story rife with secrets and dashed hopes *Torn from the Nest* in fact reveals a deep and destructive class disparity and criticizes the Catholic clergy for blatant corruption When Lucia and Don Fernando Marin settle in the small hamlet of Killac the young couple become advocates for the local Indians who are being exploited and oppressed by their priest and governor and by the gentry allied with these two Considered meddling outsiders the couple meet violent resistance from the village leaders who orchestrate an assault on their house and pursue devious and unfair schemes to keep the Indians subjugated As a romance blossoms between the a member of the gentry and the peasant girl that Lucia and Don Fernando have adopted a dreadful secret prevents their marriage and brings to a climax the novel s exposure of degradation they share the same father a parish priest *Torn from the Nest* was first published in Peru in 1889 amidst much enthusiasm and outrage This fresh translation the first since 1904 preserves one of Peru s most distinctive and compelling voices *The Tyranny of Time* Robert Banks,1997-03-04 The problem of too little time says Robert Banks is a real one The notion of increased leisure time is a myth From a distinctly Christian perspective Banks explains how we can break out of the time prison at work and at church as individuals and as families He emphasizes who we are over what we do and shows how we can develop a sense of personal and social rhythms *Religion in American Life* Nelson Rollin Burr,1971

The Publishers Weekly ,1874 **Apologetical Aesthetics** Mark Coppenger,William E. Elkins,Richard H.

Stark,2022-04-29 Apart from the work of God in creation it s notoriously difficult to explain the presence of beauty in the world and man s appreciation for it Indeed the aesthetic realm with its array of phenomena which engage the senses the mind and the heart not only suits the biblical account of the universe but also points toward it In making this case sixteen writers address the shortcomings of naturalistic narratives the virtues of theistic accounts particularly those grounded in Christ and the manner in which the various arts resonate with Scripture Along the way readers will encounter the peacock s tail and Farnsworth House a Schubert piano sonata and chopsticks Kintsugi and Kitsch Hugh of St Victor and Hans Urs von Balthasar Kandinsky and Eisenstein the Lydian and Phrygian modes eucatastrophe and liminal space McDonald s and Don Quixote Sm agol and the Blobfish Stockhausen and Begbie Adorno and Kinkade Mount Auburn Cemetery and Narnia Fujimura and Schopenhauer *Orchot Tzaddikim* Norman Lamm,1986 **Municipal Reference Library Notes** ,1964
