Setswana-English Phrasebook ,2000 *Setswana-English Phrasebook* ,1979 *African Theology as Liberating Wisdom*
Mari-Anna Pöntinen,2013-03-27 In African Theology as Liberating Wisdom Celebrating Life and Harmony in the Evangelical Lutheran Church in Botswana Mari Anna P ntinen analyses contextual interpretations of the Christian faith in this particular church These interpretations are based on the special wisdom tradition which embraces monistic ontology communal ethics in botho and the indigenous belief in God as the Source of Life and the Root of everything that exists The constructing theological principle in the ELCB is the downward orientated and descending God in Christ which interprets the Lutheran spirit in a liberating and empowering sense It deals with the cultural mythos which brings Christ down into people s existence unlike Western connotations which are considered to hinder seeing Christ and to prevent existential self awareness

Welcome to Botswana ,1989 *Birth of a National Language* Tore Janson,Joseph Tsonope,1991 Birth of a National Language provides essential reading for those interested in the development usage and future of Setswana in Botswana This well researched study traces the development of Setswana from the earliest known records to its present status as a national language in Botswana The complex relationships between nation language and society is discussed in detail with reference to both historical and geographical influences Special emphasis is placed on the linguistic consequences of the great social changes brought about by independence in 1966 and a chapter is devoted to the very dynamic linguistic situation in the capital city Gaborone The Gaborone example leads to a more general discussion of recent semantic and lexical changes The book concludes with an overview of the evolution of Setswana in Botswana and a discussion of possible future developments based on comparisons with other languages cover page 4 **The African Book Publishing Record** ,2007 A
