

James A. Roberts

Shakespeares Flower

Victoria Sparey

Shakespeare's Flower:

Shakespeare's Flowers Jessica Kerr, 1969 Color illustrations accompany quotations from twenty four Shakespearean dramas about twenty seven flowers Explains what each flower meant in Elizabethan times and Shakespeare's particular use of it in his plays

Shakespeare's adolescents Victoria Sparey, 2024-04-09 Shakespeare's adolescents examines the varied representation of adolescent characters in Shakespeare's plays Using early modern medical knowledge and an understanding of contemporary theatrical practices the book unpacks complexities that surrounded the cultural and theatrical representations of signs associated with an individual's physical maturation Each chapter explores the implications of different signs of puberty in verbal cues facial adornments vocal traits and body sizes to illuminate how Shakespeare presents vibrant adolescent selves and stories By analysing female and male puberty together in its discussion of adolescence Shakespeare's adolescents provides fresh insight into the age based symmetry of early modern adolescent identities The book uses the adolescent's state of transformation to illuminate how the unfixed nature of adolescence was valued in early modern culture and through Shakespeare's celebrated characters and actors

The Oxford Handbook of Shakespeare's Poetry Jonathan Post, 2013-07-18 The Oxford Handbook of Shakespeare's Poetry contains thirty eight original essays written by leading Shakespeareans around the world Collectively these essays seek to return readers to a revived understanding of Shakespeare's verbal artistry in both the poems and the drama The volume understands poetry to be not just a formal category designating a particular literary genre but to be inclusive of the dramatic verse as well and of Shakespeare's influence as a poet on later generations of writers in English and beyond Focusing on a broad set of interpretive concerns the volume tackles general matters of Shakespeare's style earlier and later questions of influence from classical continental and native sources the importance of words line and rhyme to meaning the significance of songs and ballads in the drama the place of gender in the verse including the relationship of Shakespeare's poetry to the visual arts the different values attached to speaking Shakespeare in the theatre and the adaptation of Shakespearean verse as distinct from performance into other periods and languages The largest section with ten essays is devoted to the poems themselves the Sonnets plus A Lover's Complaint the narrative poems Venus and Adonis and The Rape of Lucrece and The Phoenix and the Turtle If the volume as a whole urges a renewed involvement in the complex matter of Shakespeare's poetry it does so as the individual essays testify by way of responding to critical trends and discoveries made during the last three decades

Shakespeare's English Keith Johnson, 2014-05-01 Shakespeare's English A Practical Linguistic Guide provides students with a solid grounding for understanding the language of Shakespeare and its place within the development of English With a prime focus on Shakespeare and his works Keith Johnson covers all aspects of his language vocabulary grammar sounds rhetorical structure etc and gives illuminating background information on the linguistic context of the Elizabethan Age As well as providing a unique introduction to the subject Johnson encourages a hands on approach guiding students through the use of activities

towards an understanding of how Shakespeare's English works This book offers A unique approach to the study of Early Modern English which enables students to engage independently with the topic Clear and engagingly written explanations of linguistic concepts Plentiful examples and activities including suggestions for further work A glossary further reading suggestions and guidance to relevant websites Shakespeare's English is perfect for undergraduate students following courses that combine English language linguistics and literature or anyone with an interest in knowing more about the language with which Shakespeare worked his literary magic

Shakespeare's Flowers William Shakespeare, Chronicle Books (Firm), 1995-02-01

The Cambridge Introduction to Shakespeare's Poetry Michael Schoenfeldt, 2010-10-07

Shakespeare's poems aside from the enduring appeal of the Sonnets are much less familiar today than his plays despite being enormously popular in his lifetime This Introduction celebrates the achievement of Shakespeare as a poet providing students with ways of understanding and enjoying his remarkable poems It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated outlining their exquisite pleasures and absorbing enigmas Schoenfeldt suggests that today's readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal the articulation of a fervent same sex love for example or the incipient racism inherent in a hierarchy of light and dark By engaging closely with Shakespeare's major poems Venus and Adonis Lucrece The Phoenix and the Turtle the Sonnets and A Lover's Complaint the Introduction demonstrates how much these extraordinary poems still have to say to us

Shakespeare's Serial History Plays Nicholas Grene, 2002-01-03

Shakespeare's Serial History Plays provides a re-reading of the two sequences of English history plays Henry VI Richard III and Richard II Henry V Reconsidering the chronicle sources and the staging practices of Shakespeare's time Grene argues that the history plays were originally designed for serial performance He charts the cultural and theatrical conditions that led to serial productions of the histories in Europe as well as in the English speaking world and looks at their original creation in the 1590s and at modern productions or adaptations from famous stagings such as the Royal Shakespeare Company's 1960s Wars of the Roses through to the present day Grene focuses on the issues raised by the plays seriality the imagination of war the emergence of character and the uses of prophecies and curses through the first four techniques of retrospection hybrid dramatic forms and questions of irony and agency in the second

Shakespeare's Plants and Gardens: A Dictionary Vivian Thomas, Nicki Faircloth, 2014-02-27

Shakespeare lived when knowledge of plants and their uses was a given but also at a time of unique interest in plants and gardens His lifetime saw the beginning of scientific interest in plants the first large scale plant introductions from outside the country since Roman times and the beginning of gardening as a leisure activity Shakespeare's works show that he engaged with this new world to illuminate so many facets of his plays and poems This dictionary offers a complete companion to Shakespeare's references to landscape plants and gardens including both formal and rural settings It covers plants and flowers gardening terms and the activities that Shakespeare included within both cultivated and

uncultivated landscapes as well as encompassing garden imagery in relation to politics the state and personal lives Each alphabetical entry offers an definition and overview of the term discussed in its historical context followed by a guided tour of its use in Shakespeare s works and finally an extensive bibliography including primary and secondary sources books and articles **Shakespeare's Romance of the Word** Maurice Hunt,1990 This work is a critical study of Pericles Cymbeline The Winter s Tale and The Tempest with a focus on Shakespeare s exploration of language in its destructive potentialities and its redemptive workings **A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature**

Gordon Williams,2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden **Shakespeare's Lost Kingdom** Charles Beauclerk,2011-02-08 A book for anyone who loves Shakespeare One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare s Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch s indulgence shielded from repression in an unstable time of armada and reformation But the author s identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare s Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk s learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi **Shakespeare's Face** Stephanie Nolen,2011-04-13 On May 11 2001 Globe and Mail reporter Stephanie Nolen announced a stunning discovery to the world an attractive portrait held by an Ontario family for twelve generations which may well be the only known portrait of Shakespeare painted during his lifetime Shakespeare s Face is the biography of a portrait a literary mystery story and the furious debate that has ensued since its discovery A slip of paper affixed to the back proclaims Shakespere This likeness taken 1603 Age at that time 39 ys But is it

really Shakespeare who peers at us from the small oil on wood painting The twinkling eyes reddish hair and green jacket are not in keeping with the duller traditional images of the bard But they are more suggestive of the humorous and humane man who wrote the greatest plays in the English language Shakespeare's Face tells the riveting story of how the painting came to reside in the home of a retired engineer in a mid sized Ontario town The painting is reputed to be by John Sanders of Worcester England As a retirement project the engineer whose grandmother kept the family treasure under her bed embarked on authenticating the portrait the forensic analyses that followed have proven it without doubt to the period In a remarkable publishing coup Knopf Canada has gathered around Stephanie Nolen's story a group of the world's leading Shakespeare scholars and art and cultural historians to delve into one of the most fascinating literary mysteries of our times Is this the face of genius Excerpt from Chapter 1 of Shakespeare's Face by Stephanie Nolen By the late afternoon I was beginning to go a little cross eyed I had examined countless documents and read the test results from the painting's painstaking forensic analysis I now had everything I needed to write my story except for one crucial item Is he here I asked almost in a whisper The owner laid the package carefully on the cluttered table He gently pulled back the kraft paper wrapping underneath which was a layer of bubble wrap Then he peeled back this second layer to reveal his treasure I was caught off guard by how small the portrait was and how vivid The colours in the paint seemed too rich to be 400 years old Except for the hairline cracks in the varnish the face could have been painted yesterday And there was nothing austere or haughty about it nothing of the great man being painted for posterity It was a rogue's face a charmer's face that looked back at me with a tolerant mischievous slightly world weary air It was painted on two pieces of solid board so expertly joined that the seam was barely visible A date Anno 1603 was painted in small red letters in the top right hand corner The right side had been nibbled by woodworms I stood and gazed quelling an instinctive urge to pick the portrait up and hold it in my hands And as my professional skepticism crumpled for a moment I found myself wanting desperately to believe that this was indeed Shakespeare's face

The Executive Committee of Shakespeare's Birthplace and Mr. Halliwell-Phillipps James Orchard Halliwell-Phillipps, 1887 Shakespeare's Cultural Capital Dominic Shellard, Siobhan Keenan, 2016-04-18

Shakespeare is a cultural phenomenon and arguably the most renowned playwright in history In this edited collection Shellard and Keenan bring together a collection of essays from international scholars that examine the direct and indirect economic and cultural impact of Shakespeare in the marketplace in the UK and beyond From the marketing of Shakespeare's plays on and off stage to the wider impact of Shakespeare in fields such as education and the commercial use of Shakespeare as a brand in the advertising and tourist industries this volume makes an important contribution to our understanding of the Shakespeare industry 400 years after his death With a foreword from the celebrated cultural economist Bruno Frey and nine essays exploring the cultural and economic impact of Shakespeare in his own day and the present Shakespeare's Cultural Capital forms a unique offering to the study of cultural economics and Shakespeare

Shakespeare's True Life James

Walter, 1896 **Shakespeare's Homeland** William Salt Brasington, 1903 **The American Shakespeare Magazine**
 Anna Randall Diehl, 1895 **Shakespeare's Political Animal** Alan Hager, 1990 A brief and readable account of a major Renaissance idea this book argues that throughout his career as a poet and playwright Shakespeare consistently presents an image of human politics so idiosyncratic it could serve as his signature Shakespeare's Poems William Shakespeare, 1890
The Administration of Aesthetics Richard Burt, 1994 Calls attention to the crucial difficulties inherent in censorship when it is used as a tool for cultural criticism The new censorship of the arts some cultural critics say is just one more item on the new Right's agenda and is part and parcel of attempts to regulate sexuality curtail female reproductive rights deny civil rights to gays and lesbians and privatize public institutions Although they do not contest this assessment the writers gathered here expose crucial difficulties in using censorship old and new as a tool for cultural criticism Focusing on historical moments ranging from early modern Europe to the postmodern United States and covering a variety of media from books and paintings to film and photography their essays seek a deeper understanding of what censorship criticism and the public sphere really mean Getting rid of the censor the contributors suggest does not eliminate the problem of censorship In varied but complementary ways they view censorship as something more than a negative unified institutional practice used to repress certain discourses Instead the authors contend that censorship actually legitimates discourses not only by allowing them to circulate but by staging their circulation as performances through which good and bad discourses are differentiated and opposed These essays move discussions of censorship out of the present discourse of diversity into what might be called a discourse of legitimation In doing so they open up the possibility of realignments between those who are disenchanted with both stereotypical right wing criticisms of political critics and aesthetics and stereotypical left wing defenses Contributors Richard Burt Stuart Culver Donald Hedrick Christian Jouhaud Michael G Levine Timothy Murray Aamir Mufti David Norbrook Dennis Porter Brook Thomas Jirina Smejkalov Strickland Jeffrey Wallen and Rob Wilson
