Limitless Possibilities Kathleen Walsh, 2009-09-24 Each of us has felt the energy shift as the planet transitions into the fifth dimension We have felt time speed up and felt energies that are at times so chaotic and unpredictable that we have been thrown off our usual course Some of us have been rocked to our very core We are asking ourselves what is this and why is this happening We each have chosen to come to earth during this time of great transition We are all here sharing our lives with each other helping Mother Earth move into the Golden Age the spiritual Age of Aquarius This transition will complete on the date that the Mayan civilization predicted some 26 000 years ago December 21st 2012 There is much work to be done as we realize the need for the shift that must occur in our personal lives so that we can be in sync with the new fifth dimensional energy on this planet As our world resets itself so too must we reset ourselves What this means to each of us is that it is time to understand the meaning of how to live more fully in the fifth dimension Each of us must identify where we currently stand and where we need to go in order to experience the wonderment of fifth dimensional living Why Many of us may be existing as a two or a three dimensional person The energies that sustain those dimensions no longer exist on this planet So the old ways of thinking or operating that produced success at one time no longer exist It is now necessary for us if we are to exist in harmony with our planet to transition as well If we choose not to transition then frustration and anger will become paramount in our lives The choice is up to us To live in the fifth dimension is not only to experience the energy of magic and miracles but to learn that we can create all the perfection we desire in our lives by simply shifting our thinking into fifth dimensional thinking We are able to see the perfection where formerly we saw the illusion of imperfection This new vantage point allows us to become the center of our own reality and easily navigate through difficult individuals and challenging events while maintaining a state of balance and harmony We are then able to turn possibilities into probabilities and probabilities into actualities This journey begins with describing and identifying all of the unseen but certainly not unfelt influences in our lives that have been given to each of us to help us live our life on earth in the best and easiest manner possible Each reader will be able to identify their birthright gift as well as the other gifts
