## Sharing The Gift:

**Sharing Gifts in the Global Family of Faith** Pakisha Tshimika, 2003-06-01 As the center of Christianity has moved south to Africa Asia and Latin America what gifts can churches in different parts of the world share with each other Are churches in Europe and North America willing and able to receive as well as give Who s rich In what Who s needy In what way How do we overcome the real obstacles that obstruct this essential part of being the church **My Little Gifts** Jo Witek, 2018-09-11 There are many types of gifts You can give a big shiny wrapped gift on Christmas morning but you can also give the gifts of your help or your time You can bake a cake for your parents or share what you learned in school with your little sister You can help a friend unravel a knotty bracelet or smile at a stranger who looks sad With a spirit of generosity you ll find you have many gifts to give to the world and that giving can be even more fulfilling than receiving Featuring a die cut cover and interior flaps throughout *My Little Gifts* celebrates the gift of giving The Growing Hearts series celebrates the milestones of a toddler s emotional development from conquering fears and expressing feelings to welcoming a new sibling

*Handbook for Sharing Your Faith Effectively*, **Healing Our Bloodlines** G. K. Hunter (George Kamana Hunter), 2019-09-03 The 8 Realizations featured in *Healing Our Bloodlines* by G K Hunter reveal a path to liberation from the cyclic pain passed down from elders to children These realizations were gleaned from 15 years of multi cultural workshops and client sessions where participants bravely faced their family trees to discover the invisible burdens that they had inherited As they lifted those burdens they found their special gifts that were germinating deep inside Those who have embodied the 8 Realizations were rewarded with 8 Birthrights the very nourishment that empowered them to release their past hurt embrace their true passion and celebrate their most authentic identity By walking this path you become a Catalyst for generational change New York Times Bestselling Author Andrew Carroll endorsed *Healing Our Bloodlines* saying History has a way of leaving indelible even deep scars on a lineage and those wounds often find their way to the next generation of the family tree But Hunter has discovered an empowering way to lift the sometimes painful remnants of the past demonstrating to his readers an approach that sheds this melancholy and helps them to become the living legacy of a healed and inspiring lineage More Endorsements I have spent my life transmitting tradition as a vital and profound means of confronting and celebrating life s hard earned truths George Kamana Hunter has shown me that trauma can be transmitted along with tradition and has distinguished between storytelling and burden dumping His insights are deep his wisdom profound his strategy fascinating and his goals admirable I have learned much from *Healing Our Bloodlines* It has put into words and into exercises some of struggles of a lifetime of learning wrestling with the past and trying to create a better future for myself and for the world in which I live The great Hasidic Master Menachem Mendel of Kotzk once said Nothing is as whole as a heart that has been broken and mended G K Hunter shows us why Michael Berenbaum original Project Director for the U S Holocaust Memorial Museum Author of *The World Must Know The History of the Holocaust* *Healing Our*

**The Inner Level** Richard Wilkinson, Kate Pickett, 2019-01-22 A groundbreaking investigation of how inequality infects our minds and gets under our skin Why are people more relaxed and at ease with each other in some countries than others Why do we worry so much about what others think of us and often feel social life is a stressful performance Why is mental illness three times as common in the USA as in Germany Why is the American dream more of a reality in Denmark than the USA What makes child well being so much worse in some countries than others As *The Inner Level* demonstrates the answer to all these is inequality In *The Spirit Level* Richard Wilkinson and Kate Pickett put inequality at the center of public debate by showing conclusively that less equal societies fare worse than more equal ones across everything from education to life expectancy *The Inner Level* now explains how inequality affects us individually altering how we think feel and behave It sets out the overwhelming evidence that material inequities have powerful psychological effects when the gap between rich and poor increases so does the tendency to define and value ourselves and others in terms of superiority and inferiority A deep well of data and analysis is drawn upon to empirically show for example that low social status leads to elevated levels of stress hormones and how rates of anxiety depression and addictions are intimately related to the inequality which makes that status paramount Wilkinson and Pickett describe how these responses to hierarchies evolved and why the impacts of inequality on us are so severe In doing so they challenge the conception that humans are inescapably competitive and self interested They undermine too the idea that inequality is the product of natural differences in individual ability This book draws together many of the most urgent problems facing societies today but it is not just an index of our ills It demonstrates that societies based on fundamental equalities sharing and reciprocity generate much higher levels of well being and lays out the path towards them
